

Loss of Flesh

When you can't eat breakfast, take Scott's Emulsion. When you can't eat bread and butter, take Scott's Emulsion. When you have been living on a milk diet and want something a little more nourishing, take Scott's Emulsion.

To get fat you must eat fat. Scott's Emulsion is a great fattener, a great strength giver.

Those who have lost flesh want to increase all body tissues, not only fat. Scott's Emulsion increases them all, bone, flesh, blood and nerve.

For invalids, for convalescents, for consumptives, for weak children, for all who need flesh, Scott's Emulsion is a rich and comfortable food, and a natural tonic.

Scott's Emulsion for bone, flesh, blood and nerve.

We will send you a free sample. Be sure that this picture in the form of a label is on the wrapper of every bottle of Emulsion you buy. SCOTT & BOWNE, CHEMISTS, 409 Pearl St., N. Y. 50c and \$1, all druggists.

"Cure the cough and save the life." Dr. Wood's Norway Pine Syrup cures coughs and colds, down to the very verge of consumption.

Frederick Noll Innes, leader of the famous band that bears his name, has been engaged by the authorities of the Lewis & Clark fair to furnish music for the exposition from the date of the opening, June 1, to June 28. Mr. Innes plans to organize an adult chorus and a chorus in which school children will take part.

NOVEMBER.

Oh, dear old dull November, They don't speak well of you; They say your winds are chilling, Your skies are seldom blue.

Most folks, think you worthless, But all, you cannot please, So on, with your cold stormy days And the wind that blows through the leafless trees.

When we are thinking of the treasures Which for us, you have in store, We feel not grateful for them all But wish we might have more.

If you we had not, Old November, When would our corn be husked, The apples gathered, potatoes dug, And the places to store them neatly brushed?

Then the last Thursday in the month— And hark! I think I hear a voice, Comes to us the farmer's turkey, For which we all rejoice.

And still there are so many things, If I could but name them o'er, For which we should feel thankful, And praise Him more and more.

—C. AGATHA CUTLER.

IF YOU WANT TO KNOW WHAT AILS YOU

the U. S. mail will bring you the best medical advice for only the cost of writing materials and stamps.

Many people owe their present good health to the fact that they consulted Dr. Pierce by letter, giving him all possible information about their condition, symptoms, etc., and received in return good medical advice which cost them nothing. Write to Dr. R. V. Pierce, founder of the Invalids' Hotel and Surgical Institute, Buffalo, N. Y. Dr. Pierce by no means confines himself to prescribing his well known medicines. He tells you in the most common sense way what ails you, what you ought to do, what line of treatment should be followed out in your particular case, and if your case does not indicate the need for this proprietary medicine, he tells you plainly and frankly what you do need, and the best possible method of improving your health. Dr. Pierce treats many chronic cases at a distance, through the U. S. mail and all you have to do is to write him your symptoms.

"During my two years of married life I have not had good health," writes Mrs. Lizzie Stroh, Kansas. "I was all run-down, and my husband got me to write to Dr. Pierce. I got a reply telling me what the trouble was. I went to Dr. Pierce for Dr. Pierce's Favorite Prescription, and also for Dr. Pierce's Kidney and Bladder Pills, and now can say that I feel like a new woman. I do not feel any more run-down, and I have taken eight bottles of the Favorite Prescription. I feel like a new woman."

Dr. Pierce's Pleasant Pellets cure constipation and sick headaches.
