MAKES WORK EASIER.

Oregon City People are Pleased to Learn How It Is Done.

It's pretty hard to attend to duties with a constantly aching back. With annoying urinary disorders. Doan's Kidney Pills make work easier. They cure every kidney ailment.

Mrs. C. Richards, wife of C. Richards, Portland, painter, living at 671 Market says: "Mr. Richards values Doan's Kidney Pills very highly. He has had attacks of kidney trouble for years. He is a painter by trade and there is no doubt but that the turpentine has more or less effect on the kidneys, as I believe most painters are, more or less, afflicted with kidney troubles. Last fall he had an acute attack and when Doan's Kidney Pills were brought to our notice, I got him a box. They so regulated his kidneys that relief came in a remarkably short time. I have often heard him express his appreciation of this reliable remedy."

Plenty more proof like this from Oregon City. Call at C. G. Huntley's Drug Store and ask them what their customers report.

For sale by all dealers, price 50 cts. Foster-Milburn Co., Buffalo, N. Y., sole agents for the United States. Remember the name, Doan's and take no other.

Experience shows that Laxakola is sure to benefit every one in need of a mild, tonic laxative, and we ask our customers to try it on our guarantee. "Experience has taught us it doesn't pay to deceive the people and recommend anything that might prove in the least unsatisfactory, but we know Laxakola is all right and sure to do good."

"It is the only liquid laxative in this store that we are willing to sell with a guarantee, and it tastes so nice that children like it and ask for it."

If the baby is colicky, or fretty, or teething, there is nothing will do so much good as Laxakola. Try it, and if it proves in the least disappointing we will return your money.

Kodol Dyspepsia Cure was recommended and I used a few bottles of it and it was the only thing that relieved me. Would not be without it. Have doctored with local physicians and also at Chicago, and even went to Norway with the hope of getting some relief, but Kodol Dyspepsia Cure is the only remedy that has done

me any good, and I heartily recommend it. Every person suffering with Indigestion or Dyspepsia should use it." Sold by Geo. A. Harding.

Miss May Thompson and sister have rented rooms down nearer the business part of town in order to make it more convenient for Miss May while employed in the store.

An entertainment in the church at this place was given Thanksgiving eve, and a pleasant program carried out. If a little more interest was taken by the good people of the locality, the little church would flourish and a great good follow, but only a faithful few stand together.

A new side walk is needed from the scale house to the cemetery, one that two people at least could walk side by side. The beautiful city of the dead is frequently visited by people, especially on Sundays, and a good broad walk is badly needed.

Tommy Gibbs came home last week from Washington where he has been working almost a year.

Startling Evidence.

Fresh testimony in great quantity is constantly coming in, declaring Dr. King's New Discovery for Consumption, Coughs and Colds, to be unequalled. A recent expression from T. J. McFarland, Bentonville, Va., serves as an example. He writes: "I had bronchitis for three years and doctored all the time without being benefited. Then I began taking Dr. King's New Discovery, and a few bottles wholly cured me." Equally effective in curing all Lung and Throat troubles, Consumption, Pneumonia and Grip. Guaranteed by Howell & Jones, druggists. Trial bottles free, regular sizes 50c and \$1.00.

Worst of All Experiences.

Can anything be worse than to feel that every minute will be your last? Such was the experience of Mrs. S. H. Newson, Decatur, Ala. "For three years" she writes, "I endured insupportable pain from indigestion, stomach and bowel trouble. Death seemed inevitable when doctors and all remedies failed. At length I was induced to try Electric Bitters and the result was miraculous. I im-

SPRINGWATER.

My excuse for not giving the Springwater items last week was that I was attending the National Grange convention at Portland. Had a fine time and everybody seemed to enjoy themselves. The taking of the higher degrees in the Grange work was very impressive. The various granges had good displays of fruits, vegetables, grasses, grains and minerals. It is very gratifying to know that Clackamas county took the first premium, it being a fine wagon, donated by the Studebaker Wagon Company. The Eastern people enjoyed the excursion to the agricultural college experiment station at Corvallis. There were 23 states represented at the Grange convention. All reported the Grange in splendid condition.

Thanksgiving day was celebrated in an appropriate manner at Springwater with preaching, praying and singing. The pastor, Rev. Allen, gave a social in the evening at the manse.

Driven to Desperation.

Living at an out of the way place, remote from civilization, a family is often driven to desperation in case of accidents, resulting in burns, cuts, wounds, ulcers, etc. Lay in a supply of Bucklen's Arnica Salve. It's the best on earth 25 cents at Howell & Jones drug store.

Thousands Have Kidney Trouble and Never Suspect it.
How To Find Out.
Fill a bottle or common glass with your water and let it stand twenty-four hours; a sediment or settling indicates an unhealthy condition of the kidneys; if it stains your linen it is evidence of kidney trouble; too frequent desire to pass it or pain in the back is also convincing proof that the kidneys and bladder are out of order.
What To Do.
There is comfort in the knowledge so often expressed, that Dr. Kilmer's Swamp-Root, the great kidney remedy, fulfills every wish in curing rheumatism, pain in the back, kidneys, liver, bladder and every part of the urinary passage. It corrects inability to hold water and scalding pain in passing it, or bad effects following use of liquor, wine or beer, and overcomes that unpleasant necessity of being compelled to go often during the day, and to get up many times during the night. The mild and extraordinary effect of Swamp-Root is soon realized. It stands the highest of its wonderful cures of the most distressing cases. If you need a medicine you should have the best. Sold by druggists in fifty-cent and one-dollar sizes.
You may have a sample bottle and a book that tells all about it, both sent free by mail. Address Dr. Kilmer & Co., Binghamton, N. Y. When writing mention this paper and don't make any mistake, but remember the name, Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y.
