

In highest praise by many, and so I am sure that my experience has only been that of one of many who certainly deserves a good word. About a year ago I began to have severe pains across my back brought on by a cold at the critical time, and each month afterward I was in pain and distress until I desisted its approach. Your remedy was prescribed and the way it acted on my system was almost too good to be true. I certainly have regained my health and strength, and no longer have any pains nor that extreme lassitude. Am restored to perfect health."

So uniformly successful has Doctor Pierce's Favorite Prescription proven in all forms of Female Weakness, Protrusion, or Falling of Womb, and Leucorrhoea, that, after over a third of a century's experience in curing the worst cases of these distressing and debilitating ailments, Dr. Pierce now feels fully warranted in offering to pay \$300 in cash for any case of these diseases which he cannot cure.

"Favorite Prescription" makes weak women strong, sick women well. Accept no substitute for this medicine.

"An Ounce of Prevention is Better Than a Pound of Cure." The "Flower Kingdom," as China is called, lies on the opposite side of the earth from us, and the Chinese ideas are often the very opposite of our own. For instance, a Chinaman will agree to pay his doctor a certain sum as long as he is well, stopping payment as soon as sickness overtakes him. According to Sir Henry Thompson, more than half the sickness of the world is due to preventable causes which it would be wiser to employ some means to anticipate, rather than to cure their results. Medical attendance is of necessity, very expensive. In case you are uncertain as to your condition, a letter addressed him will be given personal attention, and an honest, careful consideration. All the facts of your trouble can be told him, as they will be held sacredly confidential. Write at once, for delay may be dangerous.

restore my strength. After taking the first bottle of 'Favorite Prescription,' however, I was so pleased with the results that I kept on taking it until I was restored to health and strength. I shall never be without this great medicine, and shall take a few doses when I do not feel strong."

Mrs. Beverly Sitgreaves, 124 Fulton Street, San Francisco, Cal., writes: "I am pleased to add my testimony in behalf of your 'Favorite Prescription.' I cannot find language to express my gratitude and joy over the fact that I am well once more. The wearing of corsets too tight seemed to have brought on an abdominal pressure, weakening the ligaments and resulting in displacement, which troubled me until I was not fit to walk, and at times could hardly stand. What to do I knew not; medicine and doctors it seemed were of no help to me, until a neighbor advised me to try Dr. Pierce's Favorite Prescription. Before the first bottle was used I felt ever so much better; I hardly dared believe it could be permanent, but my improvement went steadily on, and within four months I was like a new and well woman once more. I am now perfectly well and strong, and extremely grateful to you for your blessed remedy—a boon to sick women."

Miss Earline Agard, Chaplain Patriotic Daughters of America, 413 1/2 Michigan Avenue, Lansing, Michigan, writes: "Your 'Favorite Prescription' is certainly a wonderful medicine for the ills of women. I have heard it spoken of

The Experience of Many Women.

Here is the experience of a few out of the many who write Dr. Pierce: Mrs. Mary M. Thomas, Secretary Sierra Madre W. C. T. U., Corresponding Secretary Young People's Christian Endeavor, Secretary Ladies' Aid Society Congregational Society, 337 Winston Street, Los Angeles, Cal., writes: "I was married several years before baby came and after its birth I found that my strength did not return. I daily became weaker and weaker, suffering with nervous headache, pains in the back and dizziness, so that at times I had to lie down for hours before I could raise my head. Tried a tonic or two before I tried Dr. Pierce's Favorite Prescription, but the 'tonics' did little to

The case of Miss Frankie Orser, of Boston, Mass., is interesting to all women.

"DEAR MRS. PINKHAM:—I suffered misery for several years. My back ached and I had bearing-down pains, and frequent headaches. I would often wake from a restful sleep in such pain and misery that it would be hours before I could close my eyes again. I dreaded the long nights and weary days. I could do no work. I consulted different physicians hoping to get relief, but, finding that their medicines did not cure me, I tried Lydia E. Pinkham's Vegetable Compound, and it was highly recommended to me. I am glad that I did so, for I soon found that it was the medicine for my case. Very soon I was rid of every ache and pain and restored to perfect health. I feel splendid, have a fine appetite, and have gained in weight a lot."—Miss FRANKIE ORSER, 14 Warrenton St., Boston, Mass.—\$5000 forfeit if original of above letter proving genuineness cannot be produced.

Surely you cannot wish to remain weak, sick and discouraged, and exhausted with each day's work. Some derangement of the feminine organs is responsible for this exhaustion, following any kind of work or effort. Lydia E. Pinkham's Vegetable Compound will help you just as it has thousands of other women.

Facts That Caused us to Take the Agency for the Fulton Compounds, the First Known Cure for Bright's Disease and Diabetes. First, let it be distinctly understood that every one of the cases below had been diagnosed by one or more physicians as Bright's Disease or Diabetes and chronic and incurable; second, note the certainty of the results as shown by the recovery also of the friends they told who were similarly afflicted. Adolph Weska, capitalist, San Francisco, recovered himself and told two friends who recovered. Dr. Carl D. Zelle, pioneer druggist, 525 Pacific street, San Francisco, recovered himself and gave it to more than a dozen patients who recovered. Chas. Engleke editor of the German paper, San Francisco, recovered himself and told it to a number who recovered, one of them being Charles F. Wacker, the Sixth street merchant. R. M. Wood, editor Wine and Spirit Review, recovered himself and told it to several who recovered, among them being an old-school physician. Edward Short of the San Francisco Call recovered, also three of his friends, viz: William Martin, Captain Hubbard of the Honolulu route and William Hawkins of the U. S.
