

# ENTERPRISE SUPPLEMENT

OREGON CITY, OREGON, FRIDAY, DECEMBER 2, 1904.

## FORM OF TICKET

### THREE CANDIDATES FOR MAYOR HAVE FILED ACCEPTANCES.

### Opposition To Wm. Sheahan Develops in the Second Ward.—Result on Mayor is Uncertain.

Wednesday afternoon the candidates for the various offices to be voted for at the annual municipal election to be held next Monday, filed with City Recorder Curry their petitions and acceptances. There are three candidates for Mayor and these candidates, together with those seeking election to the other offices, will be designated on the official ballot by a variety of non-partisan names. The official ballot will include the following names and classifications:

#### For Mayor.

Chas. Albright—Independent-Citizens' Taxpayers.

J. U. Campbell—Republican.

Dr. E. A. Sommer—Citizen.

#### Councilmen.

##### First Ward—

E. F. Story—Citizen.

David C. Williams—Republican.

##### Second Ward—

Wm. Sheahan—Republican.

Sol. B. Walker—Independent-Citizen-Taxpayers.

##### Third Ward—

Henry Brandt—Republican.

S. P. Francis—Citizen.

#### Treasurer.

F. J. Meyer—Independent.

J. A. Tufts—Republican.

Since writing the article "Fight To A Finish," which appears on the first page of this week's issue, the situation with reference to candidates for aldermen, has changed. In the First Ward H. C. Stevens declined to qualify as the Republican candidate and the place on the ticket was supplied by the naming of David C. Williams, of the Williams Transfer Company. In the Second Ward, Wm. Sheahan will be opposed by Sol B. Walker, who has been named on the Independent-Citizen-Taxpayer's ticket, but the man of triangular affiliations will find defeating popular "Billy" Sheahan one of the most impossible things he ever attempted. Mr. Sheahan's record in the council has been such that his friends claim and believe his election is assured.

In the first page article referred to above the word "commutation" in the following sentence should have been "consummation." "But since the Mayor does not have a vote, except in case of a tie, which rarely occurs, since there are nine members of the council, the election of that officer will not really alter the situation with respect to a commutation of the pending franchise deal."

In the City Treasurer fight, the contest between Fred J. Meyer, present incumbent and independent candidate to succeed himself, and J. A. Tufts, on the Republican ticket promises to be close. Mr. Meyer is a Democrat and has held the office for a number of successive terms. Tufts is a member of the G. A. R. and a business man of this city whose friends feel is entitled to the office he seeks. Mr. Tufts has always been a Republican.

The Enterprise ventures no prediction as to the result of the election for Mayor, except to say the contest will be a close one. Each of the candidates expresses confidence in his ability to win out. On a number of occasions the vote of the paper mill employes has determined the city election here, but this year, the vote of the mills will be divided pretty equally among the three candidates, leaving the final result a matter of great uncertainty.

The Mayor-elect will have the appointment of a Chief of Police, City Attorney, Street Commissioner, and Night Police Officers and it matters not who may be elected Mayor, it is certain that there will be some changes in the personnel of these subordinate officers who are divided in their support of the rival candidates. The members of the council elect a City Recorder and it is reasonably certain that Recorder Bruce C. Curry, will be chosen to succeed himself, no

other aspirants for the place having appeared.

#### is in the Race.

J. A. Tufts announces that he is not only the candidate for city treasurer on the Republican ticket, but declares that he is in the fight to win. Mr. Tufts has lived in Oregon City for fourteen years and has always been a Republican for the success of which he has at all times labored. Mr. Tufts is an old veteran and is properly qualified for the office he seeks. He asks the support of his friends in the election Monday.

#### WILL OPEN DANCING ACADEMY.

#### Oregon City Will Have Dancing School and Professional Teachers.

Prof. L. Raber will open his dancing school at the Armory, Saturday evening, December 10. He will have plenty of assistance to help the many new beginners who are going to take the opportunity of learning correctly all of the very latest dances with the ease of movement and grace of body that dancing requires, which, if taught right in the beginning grows with them. Dancing is an art only acquired by diligent and continued practice with competent teachers. One can learn in six or eight lessons all of the very latest dances, including the waltz, two-step and three-step.

Prof. Raber will guarantee to teach any person to dance. Failure is impossible or money will be refunded. This will be proven to those who personally investigate the methods and systems used in his schools. Special attention is three-step—which is all the rage in the large Eastern cities. Prof. Raber will teach both beginners and advanced dancers the three-step on Saturday evening, December 10.

#### A Social Event.

Much interest is being manifested in the coming concert to be given by Miss Conyers, Mrs. Kathryn Ward Pope and Miss Williams, in Woodmen Hall, December 10th.

Miss Mildred Warrens, pianiste, of Portland, will open the concert with a Chopin number and the program of fourteen numbers, promises to be the event of the season. Many tickets are already sold and everything promises for a delightful evening.

Mr. Dom Zan, who is already a favorite among us will be sure to please the audience, with his well chosen songs. Mr. Zan possesses a magnificent voice of rare quality and his selections and style of songs are always of the best.

Mrs. Lulu Miller, contralto, of Portland, will be heard in two songs. She has a splendid natural voice, and with years of study with the best instructors, she is considered one of the best vocalists in Portland.

Mrs. Pope, soprano, of this city, has not been heard in public for some time, and no doubt a great improvement will be noticed. She has studied with Mr. Sparks, of Dresden and Mrs. Walter Reed, of Portland this year and they both are enthusiastic over her voice, which is a soprano of beautiful quality and her work on this occasion will be both pleasing and artistic.

Miss Vera Williams, pianiste, will act as accompanist and will give one difficult piano solo. Miss Williams is classed, both in this city and Portland, as an accomplished pianiste and instructor, and her listeners will be given a treat in her number.

Miss Conyer's Oregon City friends will be glad of an opportunity to hear her again. Miss Conyers has a soprano voice of brilliant quality and her improvement the past few months has been very gratifying. Miss Conyers will be heard in several of her very best selections, and the audience will no doubt be greatly pleased.

The Foreign Exhibits Building, one of the largest exhibition palaces of the Lewis and Clark Centennial, is now completed, and exhibits will begin to be installed in a few weeks.

#### CLERK WILLIAMS RESIGNS.

#### School Board Accepts Resignation With Regrets.

To the Hon. The Board of Directors of School District No. 62, Clackamas County, Oregon.

Gentlemen:—

Declining health compels me to retire from active business, therefore I hereby tender my resignation as clerk of School District No. 62.

The relations with the Board have been very pleasant and agreeable to me, and I very much regret to sever them, but it would seem that it is decreed that this is the thing to do, so I patiently bow in submission.

And now, with a high appreciation of the kindness and courtesy, on all occasions shown, I am, gentlemen, each of you, sincerely yours,

C. O. T. WILLIAMS,  
District Clerk.

#### Office of Board of Directors of School District No. 62, Clackamas County, Oregon.

Oregon City, Oregon, Dec. 1st, 1904.  
Mr. C. O. T. Williams, City.

Dear Sir:—It is with sincere regret that this board has received your resignation as District Clerk and we accept it with reluctance. The reasons you give for your action are unanswerable, and we feel that it is to your interest to accede to your wishes in the matter. It is a pleasure for us to state that during your incumbency of the office our relations have always been most pleasant and agreeable, and we had hoped that you would remain as our Clerk for a long time to come, but as one's health is of the utmost importance, it is necessary to do whatever will benefit it and we hope that with your retirement from active business you may be restored to your usual good health. With best wishes for your speedy recovery, we remain,

Yours very truly,

CHAS. ALBRIGHT  
T. F. RYAN.  
GEO. A. HARDING,  
CHARLES H. CAUFIELD,  
W. E. CARLL,  
Directors.

E. E. Brodie has been elected to succeed Mr. Williams.

#### Deserves Your Patronage.

The growth of a community and the success of its local institutions depends entirely on the loyalty of its people. It is well enough to preach "patronize home industry" but except the service given at a home institution equals that of out-of-town enterprises, this argument carries no weight and is entirely disregarded, as it should be. But with Oregon City people it is different. A few months ago E. L. Johnson established the Cascade Laundry. It is equipped with the latest improved machinery and is daily turning out work that is equal to any and superior to much of the laundry work that is being done in Portland. Being a home institution and furnishing employment for many Oregon City people it is enjoying an immense patronage. The high standard of the work being done commends it to the general public. Laundry left at the O. K. barber shop will be promptly called for and delivered to any part of the city. Telephone 1204. E. L. Johnson, proprietor.

#### Who Was the Author?

There was being circulated about the court house in the form of poetry last Friday, a modern parody on the much-used favorite, "Mary Had a Little Lamb" etc. The verse was as follows:

Mary had a little flea.

She caught it on the dog.

She put it on the pig.

And now it's "on the Hog."

Some of the officers at the county capital were mean enough to credit the authorship to Chas. E. Runyon, court reporter, but that official declined the honor which on investigation disclosed belongs to a \$15 a week vaudeville performer at Portland. Some Oregon Cityite had committed the few lines and, having copied it by typewriter, gave it circulation about the court house.

#### A Great Sporting News Journal.

The illustrated special sporting section of the Sunday Chicago Record-Herald thoroughly deserves the attention of

everyone interested in sporting news. It is always beautifully illustrated and embraces four full pages, covering with the thoroughness that satisfies to the utmost the whole realm of sports. Baseball news, racing news, golf news, bowling news, cycling news, pugilistic news, yachting news—all the sporting news is given with the greatest degree of fullness and interest. The sporting page of the daily issues is also exceptionally popular—a self-evident fact to those who have noted the general vogue of the Chicago Record-Herald among sporting men.

#### Made From Historic Wood.

E. G. Caufield, cashier of the Bank of Oregon City, was this week presented with a novel picture frame that was made of wood taken from the McLoughlin house in this city, that is now being remodeled. The gift, which is prized by reason of its interesting pioneer associations, was presented to Mr. Caufield by W. H. Howell, who obtained some wood that was discarded from the McLoughlin residence in the course of some improvements that are being made.

The frame was made from the window sills and is perfectly plain, the only ornaments being oak pins, that are attached, one on each of the four sides of the frame.

#### DAIRY TESTS AT THE FAIR.

#### One Month Will Be Devoted to This Feature.

Portland, Nov. 24.—Dairying tests have been decided upon by the exposition management to be a feature of the livestock show at the Lewis & Clark Centennial. One month will be given to the tests, which will begin September 1, 1905. A full set of rules and regulations to govern the tests has been compiled by Richard Scott and W. M. Ladd, who have formulated a schedule by which the greatest possible benefit may be obtained from the contests.

Butter tests will be supervised by a competent jury, and uniform packages will be provided by the Exposition for all butter produced by each breed. The scale of points for judging butter is as follows:

Flavor—30 per cent.  
Aroma—15 per cent.  
Grain—25 per cent.  
Color—15 per cent.  
Salt—10 per cent.  
Package—5 per cent.

The milk from each cow will be weighed immediately after milking, and correct samples will be taken. Awards will be made on the following points:

Economic production of butter fat; economic production of milk for all purposes of dairying; dual-purpose beef, milk and beef merits of calf; production of market milk; all on herds of five, ten and fifteen cows.

Similar tests, with awards will be made on individual cows of the Ayrshire, Brown Swiss, Devon, Guernsey, Holstein-Friesian, Jersey, Red Polled and Short Horn breeds. There will also be awards for the best cows of any breed.

The amounts of the various awards are now being figured out and will be announced at an early date.

The amusement street at the Lewis & Clark Exposition has been named The Trail.
