

# For Thin Babies

Fat is of great account to a baby; that is why babies are fat. If your baby is scrawny, Scott's Emulsion is what he wants. The healthy baby stores as fat what it does not need immediately for bone and muscle. Fat babies are happy; they do not cry; they are rich; their fat is laid up for time of need. They are happy because they are comfortable. The fat surrounds their little nerves and cushions them. When they are scrawny those nerves are hurt at every ungentle touch. They delight in Scott's Emulsion. It is as sweet as wholesome to them.

Spangler is clearing up his farm. The dance at Union Hall Saturday night was enjoyed. C. T. Howard is putting in some new machinery in his mill this week. Every family should have its household medicine chest. And the first bottle in it should be Dr. Wood's Norway Pine Syrup. Nature's remedy for coughs and colds.

### A Strong Company.

James Keane, who comes to the Shively Opera House next Monday night has surrounded himself with an exceptionally strong company. Some idea of the excellence of Mr. Keane's supporting cast may be gleaned when it is known that several of the members of the cast have at one time or another been starred or featured with prominent attractions.

Mr. Tony West, Mr. Keane's comedian, originated the lead in the New York production of Walliek's famous rural comedy "The Dairy Farm". Mr. West was afterwards brought to San Francisco by Belasco and Mayer to assume his original role in the Alcazar production.

Herbert Ashton, the heavy man of the company is an Australian actor of prominence. Mr. Ashton has just finished an engagement as leading man for a prominent attraction when he was engaged by Mr. Keane.

Helen Hartley, the well-known character actress and Lily Brancaccio, the charming little singing and dancing soubrette, are also members of Mr. Keane's company. "Good support is half the battle," says Mr. Keane, and we thoroughly agree with him. Prices for Mr. Keane's engagement will be 25, 35 and 50c. Reserved seats on sale at Huntley's drug store.

Croup instantly relieved. Dr. Thomas' Electric Oil. Perfectly safe. At any drug store.

Women love a clear healthy complexion. Pure blood makes it. Burdock Blood Bitters makes pure blood.

### THE MARRIAGE QUESTION.

The professor who announced that "love and romance die out with the sound of the wedding bells," was the first to start the ball rolling. It would seem a brave woman who marries with this echo in her ears, yet we have not heard that there were fewer marriages during the year. There are unhappy married lives, but a large percentage of these unhappy homes are due to the illness of the wife, mother or daughter.

During a long period of practice, Doctor Pierce found that a prescription made up entirely of roots and herbs, without the use of alcohol, cured ninety-eight per cent of such cases. After using this remedy for many years in his private practice he put it up in a form that can be had at any store where medicines are handled.

Backed up by over a third of a century of remarkable and uniform cures, a record such as no other remedy for the diseases and weaknesses peculiar to women ever attained, the proprietors and makers of Dr. Pierce's Favorite Prescription now feel fully warranted in offering to pay \$500 in legal money of the United States, for any case of Leucorrhoea, Female Weakness, Protrusion, or Falling of Womb which they can not cure. All they ask is a fair and reasonable trial of their means of cure.

Dr. Pierce's Favorite Prescription cures headache, backache, nervousness, sleeplessness and other consequences of womanly disease. "Favorite Prescription" makes weak women strong and sick women well. Accept no substitute for the medicine which works wonders for weak women.
