

Our Correspondents' Corner

Brief Bits of Gossip From All Parts of the County.

Correspondents are requested to re-new their work. We will furnish all necessary stationery. The news from your neighborhood should appear in these columns every week.

CLACKAMAS.

Mr. James Harper has rented the house belonging to George Brown, better known as the Shute's place. He has moved in the household goods belonging to his son and family, and the two parties will occupy the house until Spring. Mr. Harper has bought twenty acres of land west of Marion Johnson's place, and will build a small cottage thereon next summer.

Mrs. Rickman, who has been living in Kansas since the death of her husband a few years ago, lately returned to Clackamas.

Thorton Strite has completed the fencing of the five acre tract in Clackamas Park which he purchased last fall. The said tract has been cleared of brush and timber and is now in readiness for cultivation. We are informed that it is for sale.

C. F. Clark complains of having lost thirty-five head of sheep the past year by the depredations of neighborhood dogs, besides having several torn and maimed. He proposes to shoot all dogs caught running sheep on his premises.

The young people of the S. C. E. are preparing for an entertainment in the near future.

Active preparations are going on in both churches of this place for Christmas services.

We are informed that several ladies of this place will make an appeal to the county court this week, in behalf of "Billie Danforth." Mr. Danforth is certainly entitled to help. He has bravely done all that he could to support himself since the death of his mother, "Grandman" Clark, but has been ill in bed for several weeks. At present writing he can get about a little with the aid of crutches.

LAXAKOLA GUARANTEED TO CURE CONSTIPATION.

Huntley Bros. Co. Recommends it Because they know it cures.

"There are so many laxatives on the market," says Huntley Bros. Co. "that it is hard to tell which to recommend, however, it is a good deal of satisfaction to know that there is at least one we can recommend with every confidence."

Experience shows that Laxakola is sure to benefit every one in need of a mild, tonic laxative, and we ask our customers to try it on our guarantee.

"Experience has taught us it doesn't pay to deceive the people and recom-

mend anything that might prove in the least unsatisfactory, but we know Laxakola is all right and sure to do good."

"It is the only liquid laxative in this store that we are willing to sell with a guarantee, and it tastes so nice that children like it and ask for it."

If the baby is colicky, or fretty, or teething, there is nothing will do so much good as Laxakola. Try it, and if it gives in the least disappointing way we will return your money.

STAFFORD.

Beautiful weather in Stafford, and the plows, harrows and drills stop for nothing, not even the Sabbath. Well, yes, they did hold in Saturday for the shooting match over at Charlie Thompson's.

Mr. and Mrs. Durr and Mrs. Wiesenborn visited old friends in Portland last week for a few days.

We were glad to hear that Lou Loedtemeler was arrested for beating his little girl, and hope he will meet his just deserts. Poor little motherless waif! The Aid Society should have taken the little ones when the mother died last summer.

Mrs. Durr lost her purse last Thursday in Portland. As she stepped on to a Madison street car at the west end of the bridge, she missed her purse, containing \$7.25, she knows of, besides other small change. She thinks a man who took hold of her elbow to assist her on to the car may have taken it.

Gage's telephone is out of "whack" and will neither speak or answer.

A number from this vicinity attended the National Grange at Portland and enjoyed it immensely. The displays of the products of Oregon and Washington were certainly fine. Of course there was the usual amount of good natured joking. One young fellow, presumably from Washington county, was heard to say: "See how Clackamas has things heaped in no order at all. Now look at Washington, everything of a kind by itself and classified, as it were."

"Yes," spoke up a young man from Milwaukie, "That is just it. This display is typical of the two counties. In Washington, where you can raise onions you don't raise potatoes or fruit; where you can raise oats you can't raise wheat and so on, while in Clackamas you can raise them all with a hop yard thrown in, on any farm."

Mrs. Powell has been in Portland a number of days having some dentistry work done. One can ride now on the "palace car" clear to or from the Field's bridge. It comes down to the bridge every other trip, we hear. At least it comes six times a day, and is quite a convenience to many.

The brass band has a telephone in its room now and the Professor comes every Thursday to give instruction.

Mr. and Mrs. Wm. Schatz went to Portland Sunday morning.

A slight frost the past two nights—the first of the season here, though lower localities say there was a frost some weeks ago.

No More Suffering.

If you are troubled with indigestion get a bottle of Kodol Dyspepsia Cure and see how quickly it will cure you. Geo. A. Thompson, of Spencer, Iowa, says: "My case was almost helpless. Kodol Dyspepsia Cure was recommended and I used a few bottles of it and it was the only thing that relieved me. Would not be without it. Have doctored with local physicians and also at Chicago, and even went to Norway with the hope of getting some relief, but Kodol Dyspepsia Cure is the only remedy that has done me any good, and I heartily recommend it. Every person suffering with indigestion or Dyspepsia should use it." Sold by Geo. A. Harding.

BEAVER CREEK.

Jack Frost appears to have been coming rather severely of late.

Mr. and Mrs. A. McCord are visiting with relatives at Ely at present.

A number of the young people who attended the party at the Stendeman residence reported a good time, as they always do. Mr. Stendeman was 63 years old last Saturday night and took an active part in the games which were played.

E. Londigan is visiting relatives here.

G. Thomas, who is the owner of a 150-acre ranch near Prineville, is home for a short time.

G. Staben and A. Thomas called on F. Camerth last Sunday.

H. Staben and H. Moehne, who attended the German masquerade at Oregon City last Saturday night, returned home looking as though they had thoroughly enjoyed themselves.

W. Hughes, a prominent young farmer of Beaver Creek, went to the city the other day and bought a disc drill after many years hard sowing by hand.

Driven to Desperation.

No pill is as pleasant and positive as DeWitt's Little Early Risers. DeWitt's Little Early Risers are so mild and effective that children, delicate ladies and weak people enjoy their cleansing effect, while strong people say they are the best pills sold. Sold by Geo. A. Harding.

GARFIELD.

Mr. and Mrs. Frank Irvin were the guests of Mr. and Mrs. J. P. Irvin, Sunday.

Mrs. W. S. Irwin was the guest of Mrs. Martha Davis, Sunday.

J. H. Palmateer has at last purchased the long-talked-of buggy. He was out Sunday displaying his purchase to all who wished to gaze thereon, the girls especially. While returning from playing the role of the "young panther" the same evening, he drove over a log and a stump and was pitched out of the buggy, but so far as we can learn, except collecting a small quantity of Clackamas county's valuable real estate, he was uninjured.

A special meeting of Garfield Grange will be held Wednesday evening at 7:30. Garfield Grange will give an entertainment Wednesday evening, December 28th. The program will consist of the drama, Black-eyed Susan, a negro farce, Black Blunders, recitations, songs and music. The actors in Black-eyed Susan will be attired in sailor costumes, or costumes to suit the parts. No such extensive costuming has ever been attempted before

in this part of the country, and we promise the public that the entertainment will be the best ever given in Garfield. The dramatic personae of Black-eyed Susan consists of fifteen characters and twelve supernumeraries. Black Blunders will have twelve negro characters, consisting of nine men and three women, and is very comical.

It is not improbable that a Juvenile Grange will soon be organized in connection with Garfield Grange. Such a move, in the writer's opinion, would be for the welfare of the Grange.

The Debating Society last Friday night discussed the question: Resolved that there is more pleasure derived from hope than from memory. The negative side won. The next question for discussion is: Resolved that the minority is more often in the right than the majority. One week from Friday night there will be a mock trial.

Mrs. Sarah Palmateer and her daughter, Mrs. Rena Duncan, have gone to Gilliam and Morrow counties to visit relatives.

F. M. GILL.

A Pleasant Pill.

Living at an out of the way place, remote from civilization, a family is often driven to desperation in case of accidents, resulting in burns, cuts, wounds, ulcers, etc. Lay in a supply of Buckle's Arnica Salve. It's the best on earth 25 cents at Howell & Jones drug store.

EAGLE CREEK.

We are having some cool frosty weather, but do not think the freeze will hurt the grain.

Mr. William Karr and Mr. Cahill are repairing A. D. Burnett's house and L. Baker is preparing to build his new shop at Eagle Creek.

A. W. Cooke and wife of Damascus, were up visiting at W. J. Howlitts Sunday.

Mark and Eli Rivers were seen on the streets of Eagle Creek yesterday.

Mr. Joseph Brackett has gone to Eastern Oregon for a three years' stay. The Grange will miss Joe, as he was a very regular attendant.

J. P. Woodie and family attended church at Dover Sunday.

Mr. Ward Douglas was laid up all last week with a sprained ankle.

Mr. George Linn, a former resident of Eagle Creek was visiting relatives and friends here last week.

LOGAN.

Jack Frost is again an unwelcome visitor, pinching web-foot roses.

Logan is neither dead nor a "dry" town. Just a busy place.

There will be a basket social at Stone School house December 9.

There will also be a ball at Harding Hall on December 28th. All respectable people are invited. Music by Morton's orchestra of Damascus. Good order will be maintained.

The Logan Debating Society meets Saturday evenings. The next question for discussion is: "Resolved, That labor unions are a detriment to the country."

There also was one of that class who exhibits a deformed hand, also presents a book with printed statement that said

person cannot speak English and has just come out of a hospital a cripple, paralyzed from rheumatism. Yes one lady gave the poor man a dollar and fifty cents, his dinner and a nice lunch. He only had one arm when there it was doubled up in his sleeve, but at the next house it was the rheumatism. He could also speak plain English. Look out he will visit you all.

Two hobos passed through town one day last week. They were the real article.

Mr. J. P. Stinman is assisting L. H. Kirchem in finishing W. Kirchem's new house.

Mr. George Clark has purchased property near Mt. Scott and intends to make his residence there.

Saturday, December 3, was the regular monthly meeting day of Harding Grange, also the annual election of officers. Most of the officers were re-elected with exception of Master. H. S. Anderson will occupy that chair for the ensuing year. Harding Grange is in a flourishing condition and is still growing in numbers.

Hurray! for old Clackamas County. It is pretty tough for other counties to stand on the ground and listen while Clackamas stands on the "top rail" and crows.

Worst of All Experiences.

Can anything be worse than to feel that every minute will be your last? Such was the experience of Mrs. S. H. Newson, Decatur, Ala. "For three years" she writes, "I endured insupportable pain from indigestion, stomach and bowel trouble. Death seemed inevitable when doctors and all remedies failed. At length I was induced to try Electric Bitters and the result was miraculous. I improved at once and now I am completely recovered." For Liver, Kidney, Stomach, and Bowel troubles Electric Bitters is the only medicine. Only 50c. It's guaranteed by Howell & Jones druggists.

CARUS.

Mr. and Mrs. William W. Griffith and daughter Gertrude, of Oregon City, and Mr. and Mrs. David W. Griffith from Cambria, Wisconsin, were the guests of Mr. and Mrs. M. E. London last Sunday.

Mr. C. E. Stewart of Carus lost a valuable horse and colt a few days ago.

Startling Evidence.

Fresh testimony in great quantity is constantly coming in, declaring Dr. King's New Discovery for Consumption, Coughs and Colds, to be unequalled. A recent expression from T. J. McFarland, Bentonville, Va., serves as an example. He writes: "I had bronchitis for three years and doctored all the time without being benefited. Then I began taking Dr. King's New Discovery, and a few bottles wholly cured me." Equally effective in curing all Lung and Throat troubles, Consumption, Pneumonia and Grip. Guaranteed by Howell & Jones, druggists. Trial bottles free, regular sizes 50c and \$1.00.

Often The Kidneys Are Weakened by Over-Work. Unhealthy Kidneys Make Impure Blood.

It used to be considered that only urinary and bladder troubles were to be traced to the kidneys, but now modern science proves that nearly all diseases have their beginning in the disorder of these most important organs.

The kidneys filter and purify the blood—that is their work.

Therefore, when your kidneys are weak or out of order, you can understand how quickly your entire body is affected and how every organ seems to fail to do its duty.

If you are sick or "feel badly," begin taking the great kidney remedy, Dr. Kilmer's Swamp-Root, because as soon as your kidneys are well they will help all the other organs to health. A trial will convince anyone.

If you're sick you can make no mistake by first doctoring your kidneys. The mild and the extraordinary effect of Dr. Kilmer's Swamp-Root, the great kidney remedy, is soon realized. It stands the highest for its wonderful cures of the most distressing cases, and is sold on its merits by all druggists in fifty-cent and one-dollar size bottles. You may have a sample bottle of Swamp-Root by mail free, also a pamphlet telling you how to find out if you have kidney or bladder trouble. Mention this paper when writing to Dr. Kilmer & Co., Binghamton, N. Y. Don't make any mistake, but remember the name, Swamp-Root, Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y., on every bottle.

Dragging Pains

2325 Keeley St., CHICAGO, ILL., Oct. 2, 1902.

I suffered with falling and congestion of the womb, with severe pains through the groins. I suffered terribly at the time of menstruation, had blinding headaches and rushing of blood to the brain. What to try I knew not, for it seemed that I had tried all and failed, but I had never tried Wine of Cardui, that blessed remedy for sick women. I found it pleasant to take and soon knew that I had the right medicine. New blood seemed to course through my veins and after using eleven bottles I was a well woman.

Maudie Bush

Mrs. Bush is now in perfect health because she took Wine of Cardui for menstrual disorders, bearing down pains and blinding headaches when all other remedies failed to bring her relief. Any sufferer may secure health by taking Wine of Cardui in her home. The first bottle convinces the patient she is on the road to health.

The Head of a Department of the U. S. GOVERNMENT SAYS ORRINE CURES WHISKEY HABIT

GOVERNMENT PRINTING OFFICE, Office of the Public Printer, Washington, D. C., April 18, 1904.

The Orrine Company, Incorporated, Washington, D. C.

Gentlemen—My attention was recently called to one of the employees of this office who had, through habits of intoxicating drink, become so inefficient as to be on the verge of dismissal. You will be interested to know that in six weeks not only the appetite, but practically all of the ordinary signs of dissipation, disappeared, and I am assured by those interested that "Orrine" brings the credit for this excellent result. It is a pleasure to me to acknowledge the value of a remedy which brings results so beneficial. Yours very truly, F. W. PALMER, Public Printer.

Take Orrine quietly at home! To cure without patient's knowledge, buy Orrine No. 1; for voluntary treatment, buy Orrine No. 2.

Price, \$1.00 PER BOX. Cure effected or money refunded. Hook on "Drunkennes" (sealed) free on request. Orrine mailed (sealed) on receipt of \$1.00 by The Orrine Co., Inc., Washington, D. C. Sold and recommended by Howell & Jones, near Suspension Bridge Oregon City, Oregon.
