

GIVE FULL HONOR WHERE DUE.

FORCE, success, power, in war or peace, depend upon the physical condition of the soldier. Most important for success in any life of strenuousness, where brain energy is required as well as muscle power, is a healthy stomach. We do not depend on the food eaten for strength, but on the proper digestion. Very often the stomach is powerless to digest the food properly and the blood gets out of order in consequence, not only because of stomach weakness, but also because the liver and kidneys are not able to get rid of the poisons in the system, and poisonous matters are thrown back into the blood, causing headache, backache, bowel irregularities, and often severe illness, accompanied by jaundice, where these liver poisons are so abundant as to give a yellow color to the skin. The several organs of the body which take care of the worn out tissues, as the kidneys, bowels, liver, get out of order without being noticed, and this poisonous matter becomes an active poison if it remains in the blood. Dr. Pierce's Golden Medical Discovery helps in driving out the poisonous matter and brings to the blood a tone and vigor which will

resist disease. All these organs require nourishing blood as well as the body tissues. The best means of assisting nature to "clean house" and put the system in good order as well as furnish pure, rich blood to the system is by taking that well known vegetable tonic and alterative, Dr. Pierce's Golden Medical Discovery. Being made without alcohol, this "Discovery" does not shrink up the red blood corpuscles, but gives them a healthy tone and a rich color.

THE CONTROL OF A STRATEGIC POSITION often decides a war, and may influence the destinies of a great nation. The strategic points in the body are pure blood and a healthy stomach. The onslaughts of the germs of disease are futile and unavailing, if the strongholds of the bodily defenses are impregnable. The battle of the cells, wherein the blood corpuscles of the body are arrayed against the germs of disease may be decided in favor of one side or the other, and it is only reasonable that we should give the soldiers of the system every advantage. If the blood is poor, their base of supplies is shut off, and if the poisons of the system are retained, the flank attack thus encouraged often results in a complete victory for the disease germs. There is no remedy that will

tone up the stomach and purify the blood so surely as will Dr. Pierce's Golden Medical Discovery. Most medicines as sold on the market contain large quantities of alcohol.

Dr. Pierce is always willing to give free medical advice to all who are suffering. If you are sick and afflicted, write him, stating fully all your trouble, and he will consider your case carefully and send you reliable medical advice and directions to bring about a cure of your condition. Special medicines are recommended in cases where the disease is one which does not yield readily to the family medicines. All letters and information are regarded as sacredly confidential and no letters are printed without the full written consent of the patient.

A chemical test of the water from the human body will tell whether the kidneys are in good health or not. These tests of health are conducted by expert physicians every day, and such examinations are no small part of the work of the staff of physicians and surgeons under the direction of Dr. R. V. Pierce, of Buffalo, N. Y., the founder of the Invalids' Hotel and Surgical Institute there. Many wonderful cures are accomplished every day through this means, as witness the example of Sergeant Campbell, one of the many:

"About four years ago," writes Jerome Campbell (Sergeant, 73rd C. Coast Artillery), of 106 Clifford Street, Detroit, Mich. "I began to notice that I suffered from backache which kept getting worse and worse. I felt weak and faint, had frequent vomiting spells and felt sick all over. The doctor examined me and finding urine highly colored, strong in odor and containing considerable brickdust, said I had Bright's Disease and bladder trouble. This naturally worried me, and I at once took a course of the treatment he prescribed. As this did not help me any I changed doctors, and after two months' trial of the second one without getting better decided to try Dr. Pierce's Golden Medical Discovery which some of my comrades advised me to try. Within two weeks I felt that my general health was improving and in two months more I was cured. Only those who have suffered as I have can know what relief and what a blessing I experienced, and how grateful I am to Dr. R. V. Pierce for his recovery."

A SUCCESSFUL CAMPAIGN requires a powerful army and competent leadership. The necessary rules of hygiene and health to wage successful warfare against disease are fully laid down and explained in The Common Sense Medical Adviser, by R. V. Pierce, M. D., founder of the Invalids' Hotel and Surgical Institute, Buffalo, N. Y. This great book of 1008 pages is sent free to all who apply, on receipt of 31 one-cent stamps to cover cost of mailing only. The Anatomy and Physiology of Disease, are all fully described and explained in plain English. Over 2,000,000 copies have been distributed, and it should be in every home. It has saved much suffering and many valuable lives.

We guarantee that Dr. Pierce's Golden Medical Discovery does not contain alcohol, opium, or any harmful drug. It is a pure compound of medicinal plants scientifically combined. Persons making false statements concerning its ingredients will be prosecuted. World's Dispensary Medical Association, J. D. Pincus, President.

DROPSY Do Your Ankles or Limbs Swell? Are Your Eyes Puffy? We are the Sole Agents for the Only Thing Known That Cures the Kidney Diseases that Cause Dropsy, viz: Fulton's Compound. It is now well known that dropsy is not in itself a disease but is commonly a symptom of Bright's Disease or Diabetes. Hence, up to the discovery of the Fulton Compound, dropsy was incurable. It is now, however, curable in nearly nine tenths of all cases. Here is an interesting recovery, to which we refer by permission: Mrs. Peter Goybenetz of 223 Filmore street, San Francisco, became alarmingly deopical. Her physician had finally to tap her every few days. She was tapped nearly forty times and grew worse from day to day. The physician finally told her husband that she had Bright's Disease of the Kidneys, that it was in an advanced chronic state and beyond medical aid. Her heart also gave her the usual trouble and she was in such a serious condition the relatives were sent for. They put her on Fulton's Compound. It stayed on her stomach, the first thing that had done so for a week. The second week the dropsy declined a little and the improvement was then gradual until her recovery was complete. This case was examined into by representatives of the San Francisco Star and the Overland Monthly, and the genuineness of the case and the recovery were fully attested in their columns. Mrs. Thomas Christol of 426 Twenty-seventh street, San Francisco, was also swollen with dropsy, as a result of chronic Bright's Disease, to more than seventy-five pounds beyond her normal weight, and had to be moved in sheets and was close to death's door although she had four physicians. She was put on the Fulton Compound. Three weeks showed improvement and in six months she was well, and permits this reference. There is only one thing known that will cure the chronic kidney disease that is behind dropsy and that is Fulton's Compound. The Real Compound for Bright's and Kidney Diseases, 41; for Diabetes, 41.50. John J. Fulton Co., 409 Washington street, San Francisco, sole compounders. Send for pamphlet. We are the sole agents for this city. Charman & Co., City Drug Store.
