SIR THOMAS MAY COME.

English Tea Merchant May Visit the Lewis & Clark Exposition.

Portland, Dec. 29.—Sir Thomas Lipton, probably the most popular Englishman in American eyes, is likely to be a visitor at the Lewis & Clark Centennial next year. William P. Lydon, who is Sir Thomas' western representative, is authorized for the statement that the Lipton tea exhibit at St. Louis will be transferred to the Fair at Portland. As it is known that Sir Thomas will be in the United States next summer, it seems likely that the great English merchant and sportsman will come west to see the Fair. The Exposition authorities will extend him an earnest invitation to visit the Lewis & Clark Exposition, and should the great Englishman accept as seems probable, his visit will carry with it an importance second to that which would attend the coming of King Edward.

BROUGHT TO LIGHT.

Oregon City People Receiving the Full Benefit.

There have been many cases like the following in Oregon City. Everyone relates the experience of people. These plain straightforward statements will do much toward relieving the suffering of thousands. Such testimony will be read with interest by many people.

C. Pratt, carpenter, reading one and one-half miles from Albany, says: "Doan's Kidney Pills were so highly spoken of to me by a friend who had used them that I decided to give them a trial and procured a box. I overtaxed myself and brought on severe backache. I paid little attention to it at first, but it gradually grew worse. When I did anything which caused a strain on my back or took a slight cold, I was sure to suffer from severe pain across my loins. I started using Doan's Kidney Pills as directed and they helped me from the first. By the time I had finished taking them the pain had entirely disappeared."

Plenty more proof like this from Oregon City. Call at C. G. Huntley's drug store and ask them what their customers report.

For sale by all dealers. Price 50c. Foster-Milburn Co., Buffalo, N. Y., sole agents for the United States. Remember the name, Doans, and take no other.

Deserves Your Patronage.

The growth of a community and the success of a local institution depends entirely on the loyalty of its people. It is well enough to preach "patronize home industry" but except the service given at a home institution equals that of out-of-town enterprises, this argument carries no weight and is entirely disregarded, as it should be. But with Oregon City people it is different. A few months ago E. L. Johnson established the Cascade Laundry. It is equipped with the latest improved machinery and is daily turning out work that is equal to any and superior to much of the laundry work that is being done in Portland. Being a home institution and furnishing employment for many Oregon City people it is enjoying an immense patronage. The high standard of the work being done commends it to the general public. Laundry left at the O. K. barber shop will be promptly called for and delivered to any part of the city. Telephone 1294. E. L. Johnson, proprietor.

EXHIBIT SPACE SCARCE.

Portland, December.—Forty Eastern manufacturers represented by displays at the World's Fair at St. Louis, want space at the Lewis & Clark Centennial. As they cannot obtain as much space as they wish to have in the Manufacturers Building, erected by the Exposition Company, which is over crowded, they have applied to the chief of the Exhibits Department for ground space for an exclusive manufacturing building, in which Eastern working exhibits embracing pen-making, hat making, weaving, shoe-manufacturing and various other forms of manufacturing can be carried on. The ground space will be provided in the event the association decides to erect a building. The manufacturers will utilize the products made up while on exhibition on the grounds by returning them to the jobbing houses for sale. A representative of the Exposition has gone to Chicago to consult with some of the leading manufacturing firms in regard to the matter.

In attestation of these momentous facts we present the names of some of the stockholders, business and professional men of this city, every one of whom had to have previous opinions reversed and be satisfied of the genuineness of the discovery before investing in this corporation, viz: Hon. Barclay Henley, Attorney and ex-member of Congress; Thos. Kirkpatrick, capitalist; Hon. D. M. Burns, President Candelaria Mining Co.; A. E. Shattuck, President Pacific States Typo Foundry; Edward Mills, President Bullock & Jones Co.; Capt. Roberts, President Sacramento Transportation Co.; D. E. Bender, capitalist; Wm. Co., and many others.

The list of the cured runs into hundreds and includes druggists and physicians. The 18% of failures was largely among cases that were at death's door and many such recovered. The specifics that have at last conquered these dread diseases are known as the Fulton Compounds. The Renal Compound for Bright's and Kidney Disease is \$1; the Diabetes Compound is \$1.50.
