#### GOOD BYE TO INDIGESTION.

Druggists Claim Pepsikola is Driving Dyspepsia Out.  
 The above is a pretty strong statement but experience right here in Oregon City proves it to be really true.  
 The evidence is positive. There is no guess work about it. Huntley Bros Co. have been selling Pepsikola for some time now and many of their customers have been in to tell of the benefits received. One woman says it has increased her weight nearly ten pounds. Another had chronic dyspepsia for years and can now eat anything she wants without any distress afterwards. One man is grateful because Pepsikola has cured him of nervousness. Another says it has relieved the pain around his heart. Just think of it, here is a remedy that must cure you of sour stomach, wind belching, dizzy spells, nausea, biliousness, sick headache, and every other form of indigestion or it will not cost you one penny.  
 Every box of Pepsikola contains ten days treatment. It will make you feel better right away. It will clear up your complexion. It will put new color in your cheeks. It will most certainly increase your weight. It will give you new nerve force, new energy, new strength, and if you feel run down or low spirited you will see an improvement almost beyond belief.  
 Just call on Huntley Bros Co. and ask for their honest opinion of this now famous dyspepsia cure. Try it on their recommendation. If Pepsikola cures you you certainly will be glad to pay. If it does not, all you need to do is to tell Huntley Bros Co. and they will go right to the money drawer and pay your quarter back.

"An American Tramp."  
 In an "American Tramp," E. E. Kidder, the well known playwright who wrote "A Poor Relation," and "Peaceful Valley" for Sol Smith Russell, solves the problem that has vexed the rural communities for years. In it Mr. Kidder attempts to show that with kindness and just appreciation of man, even if in rags, and the consequent respecting of his rights, will impel even the most confirmed tramp to think he is on earth for a purpose. In this play the author promises a new and rather novel motive, that of a rascally husband insuring the life of his wife, then stipulating her with drugs, hiding her in the attic of a deserted (and supposed to be haunted) house, substituting another body for hers and collecting the insurance thereon. Through the medium of an ordinary tramp the wronged wife is liberated and restored to rights that had been wrested from her and the guilty punished. There is said to be a happy blending of pathos and wit in "An American Tramp." The cast contains the names of such well and favorably known players as

William L. Baker who plays "Happy Jack", and Miss Rhae Lusby, the dainty little soubrette; Miss Edna Clayton, the well known comic opera prima donna, late of the Castle Square Company; Miss Virginia Melville, a clever character Irish woman, and in fact every part is in the hands of competent people, and the play is said to be one of the most successful comedy melodramas on the road this season. At Shively's Opera House Saturday night, January 14.

#### SOCIALISTS ARE RE-ORGANIZED.

Expect to Win Many Converts to Their Faith.  
 At a largely attended meeting of the Socialists of Clackamas County, held at Oregon City Sunday, a reorganization of the party in the county was accomplished. A new constitution was adopted in harmony with the reorganization plan of the National organization of the Socialist party, and by the revised arrangement the various locals throughout the county will be subordinate to the county organization, through which the work of the party will be directed. An executive committee, consisting of five members, was appointed as follows:  
 J. A. Maville, Oregon City; Joseph Meindl, Oregon City; William Beard, Oregon City; C. S. Spence, Canby, and M. V. Thomas, Sandy. By unanimous choice, Clyde Howard, of Multnomah, was elected secretary of the organization.  
 At Sunday's meeting, which was attended by about 25 of the representative farmers from every section of the county, five women enrolled their names as members of the party. The next meeting will be held in Oregon City on the first Sunday in February.  
 The Socialists cast 500 votes at the last election in this county, and, with the thorough organization that has been effected and the disorganization of the Democrats of this county, this party expects to win many converts within the next two years, sufficient so they claim, to make of the party the formidable rival of the Republican organization in this county.

#### FOR A THREE DAYS' CELEBRATION.

Combined Independence Day and Firemen's Tournament Proposed.  
 Arrangements preliminary to the holding of a combined Fourth of July celebration and firemen's tournament, July 3, 4 and 5, at Oregon City, were formulated at a meeting of prominent citizens last Sunday afternoon, J. R. Caulfield serving as secretary of the meeting. Frank McGinnis, W. H. Howell, Sr., C. W. Pope and J. W. Cole, were appointed as a committee to solicit subscriptions and secure the assistance of the city council, the several fire companies of the city and the business men.  
 A three days' celebration is being planned, the festivities to begin Monday, July 3, and conclude on Wednesday, July 5. Assurance has been received that in event the firemen's tournament is arranged, competing hose teams may be expected from Portland, Astoria, Eugene, Corvallis, Vancouver and The Dalles. Several hundred dollars in purses will be provided.  
 In former years firemen's tournaments were successfully held here and there is certainly no reason why the successes of preceding years cannot be repeated at this time. The proposed celebration will be a success if the people of Oregon City will stand in and lend the assistance in the way of subscriptions for purses that will be required for the prizes.

#### ONE WORD IN TIME.

Is Better Than Two Afterwards. Oregon City People Have a Chance to Profit by Another's Experience.  
 It is a strange thing how people will put away an opportunity until too late; its only little things that go to make up every day existence; the trouble is we don't pay sufficient attention to them. Backache is a little thing. Sometimes it comes after a hard day's work, or a slight cold. It will pass off you say; its only the result of overtaking my back. It isn't the fault of your back, but your kidneys. The exertion or straining has interfered with their delicate mechanism. You call it backache, but it really is kidney ache. If the kidneys are not relieved, chronic disorders set in and this is where the "little things" should not be passed over.  
 Lee M. Mohr, of Clackamas county, Oregon, writes: "I have used four boxes of Doan's Kidney Pills for kidney and bladder trouble from which I had suffered for fifty years. It was the first medicine I have used during that time that gave me any relief. It has rid me of a severe pain in the bladder which caused me a great deal of suffering and also has regulated the action of my kidneys."  
 Plenty more proof like this from Oregon City people. Call at C. G. Huntley's drug store and ask what his customers report.  
 For sale by all dealers. Price 50 cts. Foster-Milburn Co., Buffalo. Remember the name—Doan's—and take no other.  
 Big sale begins Saturday, December 17, at Miss Goldsmith's.

Chamberlain's Cough Remedy the Best Made.  
 "In my opinion Chamberlain's Cough Remedy is the best made for colds," says Mrs. Cora Walker of Porterville, California. There is no doubt about its being the best. No other will cure a cold so quickly. No other is so sure a preventative of pneumonia. No other is so pleasant and safe to take. These are good reasons why it should be preferred to any other. The fact is that few people are satisfied with any other after having once used this remedy. For sale by Geo. A. Harding.
