After many years of experience in the minstrel field the well known managers of the Mahara's Minstrels have hit upon a new idea and will introduce a big lady chorus with their show this season. And in view of the old time performance they present of a newer and more attractive kind, Mirth, Melody, and Music, in fact it is safe to say the elaborate program "A la musicale" is one of the best things ever introduced in any bill of minstrelsy. The comedians are many and form a school of humor where only the best emanate from, while the dancing, octettes and numerous other clever people who have a hand in the fun making, are decidedly worthy up-to-date attractions.

**SO SOOTHING.**

Its influence Has Been Felt by Many Oregon City Readers.

The soothing influence of relief. After suffering from itching piles, From eczema or any itchinness of the skin.

Makes one feel grateful to the remedy Doan's Ointment has soothed hundreds Here's what one man says: L. S. Haynes, of 323 Burnside street, Portland, who is now retired, says:

"I can speak of Doan's Ointment in the highest words of praise. I used it several years ago when living in Michigan. Itching hemorrhoids had annoyed me for years and during that time I had considerable experience with remedies recommended for that painful and aggravating complaint. They did me little or no good. I finally heard of Doan's Ointment and began its use. The first few applications gave me relief and it only took a short continuation of the applications to make a permanent cure for it is now over six years since I used it and up to the present time there has not been the slightest symptoms of recurrence. I have also used two boxes of Doan's Kidney Pills and was so greatly benefited that I bought a box and sent them to my son who lives up on Hood River. He wrote back to me and praised the remedy highly. I never expected to allow my name to be used as a public indorsement of any medicinal preparation, but when two articles are up to the representations made for them like Doan's Kidney Pills and Doan's Ointment, I think the public should know about them."

Plenty more proof like this from Oregon City people. Call on C. G. Huntley's drug store and ask them what their customers report.

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, N. Y., sole agents for the United States. Remember the name, Doans, and take no other.
