FOR COUNTY HIGH SCHOOL.

Superintendent Zinser Has Plan For Such an Institution.

"There is a law authorizing the establishing of county high schools and it seems as though it is about time Clackamas county was taking advantage of the provisions of this law," said County Superintendent Zinser Monday.

Superintendent Zinser is this week leaving to the clerks of the various school districts of the county circular letters calling their attention to the school census that must soon be taken, at the same time making inquiry as to the actual needs of the different districts to govern him in making the apportionment of school money in April.

In the same connection, the Superintendent asks for the sentiment of the respective localities regarding a county high school.

There has been placed with Representative Jagger, by Superintendent Zinser, an amendment to the present law for the consideration of the state legislature at this session. It provides for the transfer of Eighth Grade pupils from the various districts of the County High School and arranges for the transfer to the High School fund of that proportion of the school fund apportionment that now goes to the support of grades beyond that of the Eighth that are now maintained in many of the schools. In the proposed amendment of this part of the law, Superintendent Zinser thinks the problem of providing the necessary funds for the support of a high school which shall be placed at the disposal of all of the young people of the county, regardless of location, will be largely solved.

WHY IT SUCCEEDS.

Because its For One Thing Only and Oregon City is Learning This. Nothing can be good for everything. Doing one thing well brings success.

Doan's Kidney Pills do one thing only. They're for sick kidneys. They cure backache, every kidney ail. Here is evidence to prove it. Mrs. Gove, of 529 Montgomery street, Portland, wife of Capt. C. G. Gove, ex-sea captain, says: "I tried Doan's Kidney Pills and they did me more good than any other remedy I ever used for my kidneys. For two or three years, off and on, I suffered from sharp pains across my back which started with a dull aching and when I walked or over exerted myself the pain became very acute. Any cold I caught aggravated it and rendered my kidneys weak. I then read about Doan's Kidney Pills and got a box and used them according to directions with the result that the backache left me, and my kidneys were wonderfully strengthened. I am greatly pleased with the results obtained from Doan's Kidney Pills and I unhesitatingly recommend this valuable remedy to anyone suffering from kidney trouble."

WOMEN WHO CHARM

HEALTH IS THE FIRST ESSENTIAL

It Helps Women to Win and Hold Men's Admiration, Respect and Love

Woman's greatest gift is the power to inspire admiration, respect, and love. There is a beauty in health which is more attractive to men than mere regularity of feature.

Mrs. Chas. F. Brown

To be a successful wife, to retain the love and admiration of her husband, should be a woman's constant study.

At the first indication of ill-health, painful or irregular menstruation, headache or backache, secure Lydia E. Pinkham's Vegetable Compound and begin its use.

Mrs. Chas. F. Brown, Vice-President Mothers' Club, 21 Cedar Terrace, Hot Springs, Ark., writes: Dear Mrs. Pinkham:—

For nine years I dragged through a miserable existence, suffering with inflammation and falling of the womb, and worn out with pain and weariness. I one day noticed a statement by a woman suffering as I was, but who had been cured by Lydia E. Pinkham's Vegetable Compound, and I determined to try it.

At the end of three months I was a different woman. Every one remarked about it, and my husband fell in love with me all over again. Lydia E. Pinkham's Vegetable Compound built up my entire system, cured the womb trouble, and I felt like a new woman. I am sure it will make every suffering woman strong, well and happy, as it has me.

Women who are troubled with painful or irregular menstruation, backache, bloating (or flatulence), leucorrhoea, falling, inflammation or ulceration of the uterus, ovarian troubles, that "bearing-down" feeling, dizziness, faintness, indigestion, or nervous prostration may be restored to perfect health and strength by taking Lydia E. Pinkham's Vegetable Compound.
