#### MAKING READY FOR EXHIBIT.

Clackamas County Committee Considers Many Important Matters.

The regular semi-monthly meeting of the Clackamas County Lewis & Clark Fair executive committee was held at the court house Tuesday when several details pertaining to the exhibit from this county were acted on.

It is the purpose of the committee to have the major part of the exhibit for Clackamas collected by the middle of April. If the committee from this county is not disappointed, the space allotted Clackamas County at the main exhibit building will be alongside two of the main aisles and directly in the center of the building—the most desirable location for purposes of exhibition that is available in the building. Chairman Apperson and the members of the Exhibit Committee have been directed to look after the interests of the county in this regard and see to it that Clackamas is allotted the space 40x50 feet that has been bargained for.

J. N. Sawtell, of the Mohair Committee, having resigned, John Ridings, of Marquam was named to act in that capacity. Mrs. Harding declined on the committee on preserves and suggested that she would recommend some one for the place at next meeting. The auditing committee reported favorably on the bill of Thos. E. Ryan for 75 cents and the Courier of February 1, for \$4.29. The bill of the Courier under date of January 26, was referred to the press committee. Secretary Starkweather was instructed to supply special committees with 50 sheets of paper and a quantity of envelopes.

A committee on manufactures, consisting of Harvey E. Cross, Franklin T. Griffith and T. L. Charman was named. Secretary Starkweather was directed to secure rules governing County Exhibits. R. H. Taber, having accepted chairmanship of committee on prunes and plums, came before the meeting and asked for instructions relating to the making of that part of the exhibit.

Other committeemen were appointed as follows: Poultry, Elmer Dixon; Floral, Mrs. C. O. T. Williams; Art, Mrs. T. A. Pope. J. W. Roots reported the acceptance of G. H. Morrow on pottery exhibit. The press committee was ordered to send out circular letters to the special committees acquainting the members thereof with their duties. Mr. Freytag suggested several good ideas along the line of an appropriate agricultural design to be utilized in connection with the exhibit. Mr. Claudius Wallich, of the fish hatchery, addressed the committee and spoke about the fishing industry that will be a feature of the exhibit from Clackamas.

An order was entered directing that the Secretary receive all moneys. Receipts from the sale of Fair stationery by the press committee since the last meeting were reported as follows, \$14.90.

#### Afraid of Strong Medicines.

Many people suffer for years from rheumatic pains, and prefer to do so rather than to take strong medicines usually given for rheumatism not knowing that quick relief may be had by simply applying Chamberlain's Pain Balm and without taking any medicine internally. For sale by Geo. A. Harding.

#### NO QUESTION ABOUT IT.

Pepsikola Must Cure Indigestion or it is Free.

Huntley Bros. Co. continue to sell Oregon City people with the understanding it positively must cure dyspepsia and indigestion or it will not cost a penny.

Experience has proven that Pepsikola cures dyspepsia in forty-nine cases out of fifty. That is a remarkable statement, considering how difficult it is to cure dyspepsia, but the facts in the case can be easily verified.

There is every reason to have confidence. For Huntley Bros. Co. will hand back your money without the least hesitation should you fail to be benefited and cured.

You will see a marked improvement right away. All kinds of food can be eaten freely—it is more easily digested—there is no fullness or distress after eating—and by aiding the stomach to assimilate and digest, Pepsikola makes more rich blood to strengthen the body.

As a nerve tonic, nothing in the world will do you so much good as Pepsikola. It is just the thing for those who feel run down, nervous, tired and worn out and need something to give them new life and new energy. Don't hesitate a minute, but go right to Huntley Bros. Co. and try it on their recommendation and guarantee, for Pepsikola must help and cure you or the cost is nothing.

#### Startling, But True.

People the world over were horrified on learning of the burning of a Chicago theatre in which nearly six hundred people lost their lives, yet more than five times this number or over 3000 people died from pneumonia in Chicago during the same year, with scarcely a passing notice. Every one of these cases of pneumonia resulted from a cold and could have been prevented by the timely use of Chamberlain's Cough Remedy. A great many who had every reason to fear pneumonia have warded it off by the prompt use of this remedy. The following is an instance of this sort: "Too much cannot be said in favor of Chamberlain's Cough Remedy, and especially for colds and influenza. I know that it cured my daughter, Laura, of a severe cold, and I believe saved her life when she was threatened with pneumonia." W. D. Wilcox, Logan, New York. Sold by Geo. A. Harding.

#### MARRIED BY A NOTARY.

Unusual Incident Reported to Deputy District Attorney Schuebel.  
E. A. Wright of Silverton, in a letter to Deputy District Attorney C. Schuebel this week raises the question whether or not a notary public has the right to officiate at a marriage ceremony. The inquiry was first made of Secretary of State Dunbar, who suggests that the question be submitted to the district attorney or his deputy.  
Mr. Wright alleges that during the month of January a Clackamas county notary public performed a marriage ceremony for a young man and a young woman, also residents of this county, whom he claims, are now living together as husband and wife. The author of the letter further states that he himself has acted as a notary for six years, but has never found in the statutes any provision that authorized the performance

of the marriage ceremony by any official so vested. He requested in his letter that he be advised what the penalty is for a notary to claim and exercise authority to perform the marriage ceremony and asks if such a notary or his bondsman would be liable for damage to the parties he claims to have uttered in marriage by notarial authority. Mr. Wright does not mention the names of either the officious notary or the principals to the alleged marriage but declares that he will furnish the names of all the parties when he hears from the state's prosecutor.  
Deputy Prosecuting Attorney Schuebel has written Mr. Wright advising him adversely as to the rights the notary is alleged to have exercised and suggests that the author of the letter proceed with the filing of a complaint against the ambitious man with the hand seal if the charges outlined in the letter can be substantiated.

#### Teachers Adopt Resolutions.

Resolutions passed by unanimous vote of the teachers of Clackamas county in regular meeting assembled, at West Oregon City, January 21, 1905.

Whereas, Many of the rural schools of this county have few or no books to be used for supplementary reading and the larger schools are sadly deficient in this respect, and

Whereas, We deem supplementary reading to be of primary importance in the work of education, therefore,

Be It Resolved, That this Association request the representatives and Senator of this county to vote for the bill introduced by State School Superintendent J. H. Ackerman, amending section 2462 Bellinger & Cotton's Code so that the first two lines shall read as follows: "The County Court of the several counties of this state shall levy, at the same time they levy other taxes etc." and that they be requested to use their influence with their colleagues to secure the passage of said bill, and

Be It Resolved, that a copy of these resolutions be spread upon the minutes of this meeting, that a copy be furnished to each of said representatives and senator, and that a copy be furnished the press for publication.

#### Deserves Your Patronage.

The growth of a community and the success of its local institutions depends

entirely on the loyalty of its people. It is well enough to preach "patronize home industry" but except the service given at a home institution equals that of out-of-town enterprises, this argument carries no weight and is entirely disregarded, as it should be. But with Oregon City people it is different. A few months ago E. L. Johnson established the Cascade Laundry. It is equipped with the latest improved machinery and is daily turning out work that is equal to any and superior to much of the laundry work that is being done in Portland. Being a home institution and furnishing employment for many Oregon City people it is enjoying an immense patronage. The high standard of the work being done commends it to the general public. Laundry left at the O. K. barber shop will be promptly called for and delivered to any part of the city. Telephone 1294. E. L. Johnson, proprietor.

#### Some Legislative Notes.

The Senate this week adopted a resolution expressing confidence in Senator Mitchell.

With votes to spare, Representative Jayne's bill amending the Local Option law passed the House. It has a stormy voyage before it in the Senate where two or three votes are needed to insure its passage.

Gray's bill, forbidding city and county governments from licensing games of chance, has passed the house.

Senator Miller's bill for discontinuing all of the state's normal schools and establishing on centrally located was defeated in the Senate Wednesday although there were twelve votes in its favor.

#### A Touching Story.

In the dying from death, of the baby girl of Geo. A. Eyer, Cumberland, Md. He writes: "At the age of 11 months, our little girl was in declining health, with serious throat trouble, and two physicians gave her up. We were almost in despair, when we resolved to try Dr. King's New Discovery for Consumption, Coughs and Colds. The first bottle gave relief; after taking four bottles she was cured, and is now in perfect health." Never fails to relieve and cure a cough or cold.
