

WRITE TO YOUR FRIENDS.

Clackamas' Educational Committee Makes Good Suggestions.

In a circular letter issued this week to the teachers of the county, the executive committee having in charge the educational exhibit from Clackamas county at the Lewis & Clark Fair, makes some very good suggestions touching on the work in hand.

"We are now engaged in preparing an educational exhibit for the Lewis and Clark Exposition, soon to open in Portland. It behooves us as teachers to make this exhibit the best possible representation of the work done in the schools of Clackamas County.

"The completed work should be in the hands of the Executive committee not later than April 1st. Clackamas county has manifold and abundant resources and we should make good use of this fact in preparing our language and other descriptive work.

"In connection with our exhibit work it would be well to encourage pupils to write letters to their Eastern friends, calling attention to our Exposition and describing the advantages of our county and state, and inviting them not only to visit Portland this Summer, but to make Clackamas County their home.

"The Northern Pacific R. R. Company will issue an interesting Lewis and Clark folder, which may be obtained in Portland about March 1st. If you will send six cents in stamps to Mr. A. L. Craig, Worcester Building, Portland, Oregon, to pay the postage, he will send you free a handsomely illustrated 88-page book (with map) telling all about Oregon, Washington and Idaho."

Champion Liniment for Rheumatism.

Chas. Drake, a mail carrier at Chapinville, Conn., says: "Chamberlain's Pain Balm is the champion of all liniments. The past year I was troubled a great deal with rheumatism in my shoulder. After trying several cures the storekeeper here recommended this remedy and it completely cured me."

FOR THE CHAUTAUQUA.

Lecturers of Prominence Have Been Secured.

A number of the prominent lecturers and entertainers for the 1905 Assembly of the Willamette Valley Chautauqua Association have been engaged and contracts entered into. Among such are Dr. Frank W. Gunsaulus, of Chicago. Dr. Gunsaulus is president of the Armour Institute of Technology and one of the leading lecturers in the world.

Among others who have entered into contract are Dr. F. W. Quayle of Kansas City, who is not surpassed as a pulpit orator; Rev. Anna Shaw, of Philadelphia, president of the National Woman's Suffrage Association; Mrs. Charlotte Perkins Gilman, niece of Henry Beecher and a recognized authority on Household Economics.

The Chautauqua meeting at Gladstone this year will be held July 11-25 inclusive and Secretary Cross reports that the prospects are indeed bright for the success of the Assembly. The talent that will be represented on the program when it is completed will be second to none in the history of the Association.

A Chicago Alderman Owes His Election to Chamberlain's Cough Remedy.

"I can heartily and conscientiously recommend Chamberlain's Cough Remedy for affections of the throat and lungs," says Hon. John Shenick, 220 So. Peoria St., Chicago. "Two years ago during a political campaign, I caught cold after being overheated, which irritated my throat and I was finally compelled to stop, as I could not speak aloud.

In my extremity a friend advised me to use Chamberlain's Cough Remedy. I took two doses that afternoon and could not believe my senses when I found the next morning the inflammation had largely subsided. I took several doses that day, and kept right on talking through the campaign, and I thank this medicine that I won my seat in the Council." This remedy is for sale by Geo. A. Harding.

A TWENTIETH CENTURY CHURCH.

Rev. E. A. Childs of Eugene, Would Found Denomination on New Testament.

Rev. E. A. Childs, of Eugene, was in the city this week looking for a suitable location. He plans to move his family here in the near future and open a series of gospel meetings preparatory to the establishment of a congregation after the New Testament type, calling the same after new testament names and teaching only New Testament doctrines.

Their meetings will be held along the line of conferences in which the first part will be devoted to evangelistic effort and later questions and information will be asked from and by all concerned. They are desirous of incorporating all and only such things as are taught in the New Testament, taking as a rule "When it speaks, speak; and where it is silent, be silent."

A location has not yet been secured. Mr. Childs invites co-operation and enquiry. He owns property at Eugene, Medford and Kansas City, all or part of which he would be glad to exchange for property here, where he plans to spend the rest of his life. If conditions are favorable. These people have a good record and are recommended by the best people in the state as deserving of a hearing and a place. Give them both in Oregon City.

Like Finding Money.

Finding health is like finding money—so think those who are sick. When you have a cough, cold, sore throat, or chest irritation, better act promptly like W. C. Barber, of Sandy level, Va. He says: "I had a terrible chest trouble, caused by smoke and coal dust on my lungs; but, after finding no relief in other remedies, I was cured by Dr. King's New Discovery for Consumption, Coughs and Colds." Greatest sale of any cough or lung medicine in the world. At Howell & Jones drug store; 50 cents and \$1.00; guaranteed. Trial bottle free.

LEWIS AND CLARK GUARDS.

Will Be Selected From Oregon' Military Guard.

Portland, March 2.—In a communication addressed to Major Chas. E. McDonald, of the Oregon National Guard, Director-General H. W. Goode, of the Lewis & Clark World's Fair, has officially announced the plans for the guard and patrol of the exposition.

The guard will be recruited among the men of Oregon's National Guard, and will consist of two provisional companies as follows:

One major, two captains, two lieutenants, one first sergeant, one quartermaster sergeant, three corporals, two musicians, 140 privates and two cooks. A blouse of dark blue with light facings and aquillette of the same color, light blue trousers, ball shaped caps with full dress band, web belt, bayonet and scabbard, white collar, white gloves and black shoes, have been selected as the uniform and equipment.

The Principal Trouble.

The principal trouble with the average young man is that he has a \$5000 a year girl and a \$15 a week salary.

COMFORTING WORDS.

Many Oregon City Households Will Find Them So.

To have the pains and aches of a bad back removed; to be entirely free from urinary disorders is enough to make any kidney-sufferer grateful. To tell how this great change can be brought about will prove comforting words to hundreds of Oregon City readers.

Mrs. Painter, wife of J. W. Painter, expressman, living at 310 East Seventh street, Portland, says: "I have had more or less kidney trouble all my life. When I figured a young girl I had a severe spell of sickness and all who knew me thought I was going to die. I finally recovered, but ever after my kidneys bothered me. There were headaches, dizziness, and could no more lie on my left side than I could fly and could not stoop to pick anything off the floor without working myself up gradually by placing my hands on my hips. In addition to this there were headaches, dizziness and trouble with the kidney secretions for all of which I doctored and used more than one remedy said to be a sure cure for such annoyances. Nothing brought me relief compared with that received from Doan's Kidney Pills. The results stamp that remedy as one fully up to representations made for it."

Plenty more proof like this from Oregon City people. Call at C. G. Huntley's drug store and ask what his customers report. For sale by all dealers. Price 50 cents.

WOULD SIMPLIFY TAX PAYING.

Assessor Nelson Has an Idea That Would Save Much Clerical Work.

"There should be a law enacted," stated Assessor Nelson in discussing the work of his office, "requiring the payment of taxes by the man in whose name the property is assessed, except in case, of course, property has been erroneously assessed. In this way, the need for sheriff's assessments would be largely dispensed with. As it now is, immediately following the listing of property on the assessment roll, the property owner can sell a portion of the tract before the tax is levied and collected and then a cumbersome amount of bookkeeping work is foisted on the sheriff's office or the assessor before the tax on that entire tract is collected. Such a law would relieve the two offices of a great amount of extra work and would leave the adjustment of the tax question between the property owner and the purchaser."

Assessor Nelson was in Portland Saturday and attended a conference between Secretary of State Dunbar, L. R. Webster and D. B. Sigler, county judge and assessor respectively for Multnomah county. The meeting was held for the purpose of arranging a form for the blank that will be used this year in taking the state census. It was decided to use a combination blank by which the census statistics and the military enrollment of the county can be placed on the same sheet, thereby simplifying the work of the assessors of the state. The blanks will not be ready for distribution among the assessors before the latter part of March and the work of assessing property will have to be deferred until that time.

CLEAR UP THE COMPLEXION.

Druggists Say Laxakola Works Wonders for the Skin.

Huntley Bros. Co. not only recommend Laxakola as the ideal liquid laxative for women and children, but some of their lady customers say it is also a remarkable skin beautifier. The reason is easy to find.

Laxakola moves the bowels regularly and without discomfort, and at the same time stimulates the liver and acts upon the bile pigments thus removing the cause of sallow, muddy skins that do so much to impair the beauty of one's complexion.

If you prize a fresh, clear, velvety skin, and regular habits, or if baby needs a mild, safe, gentle laxative when colicky, or constipated, just try a 25 cent bottle of Laxakola with Huntley Bros. Co. guarantee it will do all claimed for it, or you can get your money back.

THE ENTERPRISE
OREGON CITY, OREGON

Deserves Your Patronage.
The growth of a community and the success of its local institutions depends entirely on the loyalty of its people. It is well enough to preach "patronize home industry" but except the service given at a home institution equals that of out-of-town enterprises, this argument carries no weight and is entirely disregarded, as it should be. But with Oregon City people it is different. A few months ago E. L. Johnson established the Cascade Laundry. It is equipped with the latest improved machinery and is daily turning out work that is equal to any and superior to much of the laundry work that is being done in Portland. Being a home institution and furnishing employment for many Oregon City people it is enjoying an immense patronage. The high standard of the work being done commends it to the general public. Laundry left at the O. K. barber shop will be promptly called for and delivered to any part of the city. Telephone 1204. E. L. Johnson, proprietor.
