Brief Bits of Gossip From All Parts of the County.

Correspondents are requested to renew their work. We will furnish all necessary stationery. The news from your neighborhood should appear in these columns every week.

CARUS.

Frank Schoenborn and Mr. Long of Oregon City, were callers on Albert Schoenborn Sunday evening. The Carus B. B. nine were practicing Sunday afternoon. Lizzie Lewis visited with Sarah Thomas Sunday. Mrs. Fred Vonderahe was the guest of her daughter, Mrs. Tom McCarthy, Sunday. Mrs. Edwin Howard went to Mackburg Saturday to take care of her mother who is very ill. Miss Tillie Thomas called on Miss Winifred Howard Monday afternoon. Norman Howard is a frequent caller at the White home. Rumor says we are to have another dance at the Hall about the 15th. The Presiding elder from Portland, will preach at the church Sunday eve, March 12. The dogs are killing quite a number of sheep. School is progressing nicely under the management of James T. Mitts.

DOVER.

Vegetation is coming up very nicely on the account of the mild weather, and it will be only a short time until the farmers will not have to feed their cattle. Some have not fed all winter and their cattle are in good condition. Mr. Clark Bowman and family visited at the home of Mrs. Douglas last Sunday. Mr. Bowman expects to have his sale on the 15th of this month. Mrs. Erdman and Mrs. Brown called at DeShazer's Sunday. Mr. J. Woodie and family of Eagle Creek, were visiting friends here Sunday. The friends of Mrs. Cabbage are glad to learn that she received her pension with back pay for three years. Miss Maude Stone has just closed a successful term of school and will teach another two months and a half.

MOLALLA.

Another dry season has set in. Farming is being worked to full extent. Another division of the mutual telephone was run into Molalla Central last week. Dr. J. W. Powell will soon be located in his new office. Mr. W. D. Adams was quite ill last week. Miss Limie Kaylor had an operation performed for appendicitis at Oregon City and is getting along nicely and will probably soon be able to resume her teaching at Molalla. The Logan correspondent in commenting on what "Granger" said about the "necessity" or rather the "expediency" of State and National Grangers having a permanent home, failed to include the State Grangers—and goes on to say that the Grangers of Oregon and Washington had to pledge a bonus of \$2000 for entertainment. (Surely another state has been omitted here). However, we have never heard of any subordinate granges in Oregon or Washington being called upon to put up any bonus fund. Probably the Logan correspondent meant the

State Granges in the two states mentioned.

And we wonder if he attended the National Grange, and would it have been more convenient and cost less, for him to have taken on all these benefits by going back to Washington, seeking the National Granger's permanent home? Sure! No. And again is the wonder whether or not, our Logan member was among the 180 that partook of the good of the order at Oregon City in 1903, and if so, does he think that so large a percentage of his grange membership would have went off seeking the "permanent home" of the State Grange, even at Salem, Portland or the Dalles? Most assuredly No!

When it comes to "digging up" and "going down into the pocket" for public improvements of all kinds, "Granger" and our Logan scribe are of about the same mind, inferring from the former's mention of standing the pocket test etc. Growlers are not always the best givers for the public good.

Some one recently asked "what is the matter with that Pomona anyway?" the reply came, "it is struggling to make ten cents annual dues do a dollar's worth of work and in order to arrive somewhere near the objective point, the workers have put in about ninety cents extra labor for the love they have for the nine that attend grange with empty baskets."

MOUNTAIN VIEW.

Mrs. P. D. Currins is very ill at her home in this place. Union prayer meeting was held at the home of Mr. and Mrs. C. Frost Tuesday evening. Quite a number of ladies made a surprise on Mrs. Matchett at her home last Friday afternoon. It was quite cheering after her late illness to be so kindly remembered. Light refreshments of cake and coffee were served. Mr. Selby has bought the property of Chas. Dicky, and is quite busy fixing up to suit him. J. D. Locke is rushing work on the Pettitt house while the weather is so favorable. Geo. Ely will remove his store to a new building he is having erected on 7th and later he will build a residence there. Miss Grace Goode returned to her home at Salem after quite a sojourn with her sister Mrs. Smally. Mr. Loveless the Supt. of the Sunday school at the little church resigned and moved away. The vacancy was filled last Sunday by electing Mrs. Matchett, Supt., Mrs. Craig, Assistant, Mrs. Gillett, Secretary, Mrs. Ely, organist. The Sabbath school has room for more boys and girls.

BEAVER CREEK.

And the good weather still keeps on. Wm. Bluhm Jr. has taken a contract to grub 10 acres for James Shannon. Captain John Shannon will soon leave for the north. Frank Bort who has been in Portland doctoring for the past several days, is residing at the Wm. Hughes home again. T. B. Thomas of Oregon City has been visiting friends here for the past few days. Mr. Lazelle of Mt. Pleasant called on H. H. Hughes one lay this week. Fred Geren called on the Hughes family one day this week. The celebration of St. David's Day at the Welch Congregational church here on March 1st was a grand success from which the door money nearly reached ten dollars. A. Thomas and H. Shannon called on the Martin family this week. Miss Lena Albert Steudeman and L. Duffy called on G. A. Shuebel and family one night this week. Miss Maude and William Daniels and Miss Teresa Edwards attended meetings at Oregon City last Sunday night. Mate Roberts and partner who is grubbing for J. Shannon went to Portland the other day and lost a partner. The Shuebel nine will give a pie social at the B. C. hall March 17. Come one and all and enjoy a good comical interesting and musical program which will be rendered. The Shannon Bros. who witnessed a fire at the mill some time at about 2

Facts That Caused us to Take the Agency for the Fulton Compounds, the First Known Cure for Bright's Disease and Diabetes.

First, let it be distinctly understood that every one of the cases below had been diagnosed by one or more physicians as Bright's Disease or Diabetes and chronic and incurable; second, note the certainty of the results as shown by the recovery also of the friends they told who were similarly afflicted. Adolph Weslo, capitalist, San Francisco, recovered himself and told two friends who recovered. Dr. Carl D. Engelke editor of the German paper, San Francisco, recovered himself and told it to a number who recovered, one of them being Charles F. Wacker, the Sixth street merchant. R. M. Wood, editor Wine and Spirit Review, recovered himself and told it to several who recovered, among them being an old-school physician. Edward Short of the San Francisco Call recovered, also three of his friends, viz.: William Martin, Captain Hubbard of the Honolulu route and William Hawkins of the U. S. Red Front Store
E. C. HAMILTON, Proprietor
OREGON CITY, OREGON

Canby this week. Mr. Fred Bider of Independence, Oregon was visiting at Mr. A. Newell's last week. Miss Carrie Fredolph has gone to Portland, where she will work as an apprentice in a millinery store. Miss Ruth and Faith Young have returned to school, at Milwaukie, where they will review their grade work. Misses Lulu and Dollie Chittwood were visiting friends in this neighborhood Wednesday. Miss Salbina Cooke returned home Monday from a short visit with her sister Mrs. Lee, R. Shaw of Fairview. Mr. Mirrel Newell and sisters Jeanette and May called on Miss Ruby Cooke one evening last week. Quite a number of the Damascus young people attended the dance at Eagle Creek Saturday evening, all enjoyed a very pleasant evening, with the exception of one young man who made a mis-step and fell into a ditch. It would have been quite hard on him if there had not been a pair of jeans in town.

PARKPLACE.

Miss Haenel and Miss Lulu Rittenhouse spent Sunday at Mr. G. Haverlach's of Clackamas. Several Parkplace people went to Willamette Falls Sunday to see the meteor which is being moved to Portland. Mr. Kent had the misfortune to mash his finger severely, one day last week. Mr. H. Cross, Supt. of the Parkplace Sunday school, entertained his class of young men Friday evening. These are enjoyable events, and are a great incentive to keeping up such a nice class in the Sunday school. The pie social given in the church Monday night, was well attended, considering the number of times it had to be postponed. The receipts netted \$10.30. The infant daughter of Mr. and Mrs. Coffee died Friday night at eleven o'clock of pneumonia. The funeral was held Sunday at 10:30 a. m. from their home in Parkplace. The sweet little babe only stayed two weeks, but at that time became very dear to the whole family who grieved much when the time came for her to go.

Every Two Minutes Physicians tell us that all the blood in a healthy human body passes through the heart once in every two minutes. If this action becomes irregular the whole body suffers. Poor health follows poor blood; Scott's Emulsion makes the blood pure. One reason why SCOTT'S EMULSION is such a great aid is because it passes so quickly into the blood. It is partly digested before it enters the stomach; a double advantage in this. Less work for the stomach; quicker and more direct benefits. To get the greatest amount of good with the least possible effort is the desire of everyone in poor health. Scott's Emulsion does just that. A change for the better takes place even before you expect it. We will send you a sample free. Be sure that this picture in the form of a label is on the wrapper of every bottle of Emulsion you buy.
