ARE YOU ENGAGED?

Engaged people should remember, that after marriage, many quarrels can be avoided, by keeping their digestions in good condition with Electric Bitters. S. A. Brown, of Bennettsville, S. C., says: "For years, my wife suffered intensely from dyspepsia, complicated with torpid liver, until she lost her strength and vigor, and became a mere wreck of her former self. Then she tried Electric Bitters, which helped her at once, and finally made her entirely well. She is now strong and healthy." Howell & Jones, druggists, sell and guarantee them, at 50c a bottle.

For Thin Babies

Fat is of great account to a baby; that is why babies are fat. If your baby is scrawny, Scott's Emulsion is what he wants. The healthy baby stores as fat what it does not need immediately for bone and muscle. Fat babies are happy; they do not cry; they are rich; their fat is laid up for time of need. They are happy because they are comfortable. The fat surrounds their little nerves and cushions them. When they are scrawny those nerves are hurt at every ungentle touch. They delight in Scott's Emulsion. It is as sweet as wholesome to them.

Send for free sample.

Be sure that this picture in the form of a label is on the wrapper of every bottle of Emulsion you buy.

MOLALLA.

A. V. Davis started to go to Scotts Mill last Friday morning with John Churchill in the hack by his side. It began raining and when Churchill went to hoist his umbrella the team became frightened. Davis set himself to hold the team telling the hoister to "let her go gallop" and they did go like a snap down the hill striking the fence, leaving the back driver, umbrella, Churchill and all, the scared horses went on until one horse struck a tree dropping dead, in the wreck it was found that Mr. Churchill had a dislocated shoulder.

E. E. Judd went up to the place of the accident—five miles from Molalla, and brought the sufferer in for medical aid. Drs. Leavitt and Parent set the shoulder and sent the old gentleman home midway between a rejoice and a growl. The accident will go hard with Churchill as he is quite feeble and the damage to Davis' rig is considerable, besides losing a valuable horse.

Bright's Disease and Diabetes News.

The New Fulton Compounds Have a Record of 87 per cent of Recoveries Among Chronic Cases of Bright's Disease and Diabetes, Heretofore Considered Incurable.

Druggists know that Bright's Disease and Diabetes have been regarded by physicians as incurable and that up to the advent of the Fulton Compounds that nothing on their shelves would touch it. It is a proven fact that nearly nine-tenths of all cases are now curable, and druggists themselves are taking the new compounds. One of the recoveries was Dr. Zelle himself, the pioneer druggist of 522 Pacific street, San Francisco, and he gave it to over a dozen others who recovered. Here is another interesting recovery (We copy from the Sacramento News of November 16, 1903):

"After a serious illness of over a year Judge J. R. Allen of this city has recovered and regards himself most fortunate in successfully battling with what is generally regarded as a fatal malady, Bright's Disease of the Kidneys. In speaking of his case Judge Allen said: 'I believe that the treatment given me by my physician was in accordance with the best methods used in the regular practice of medicine, but it afforded me no relief. Hearing of the Fulton Compounds I went to San Francisco to investigate and was soon convinced I should undergo the treatment. It was three months before I noticed a change for the better. I used the medicine faithfully for nearly a year and can now find no evidence of the disease and am satisfied it is entirely eliminated. My appetite is good, I have gained seventeen pounds in weight and will be pleased to describe my experience to anyone who may call or write.'"

The editor of the News himself was the friend who told Judge Allen of the Fulton Compounds. They are the only things known that cure Bright's Disease and Diabetes, Fulton's Renal Compound for Bright's and Kidney Diseases, \$1.00; for Diabetes, \$1.50. John J. DICKEY'S PRAIRIE.

An entertainment and basket social was given by the Dickey's Prairie school at its close March 18th, which judging by the appreciation expressed by the audience and the money raised, was a complete success.

The program, though not lengthy, was varied and well executed and the participants are deserving of great credit. A striking feature was the picturing of incidents in the childhood of Hiawatha, the Indian boy, by a number of tableaux. Music and songs were furnished by Miss Hazel Hardy, of Portland, Mrs. and Mr. Nicolai and Mrs. Davis. Other helpers, besides pupils, most worthy of mention were Ralph, Mart and Albert Haty and Mr. and Mrs. Roberts.

After the program the baskets were auctioned by Ira Boyer of Engle. The proceeds were \$337.80. The money will be used to purchase desks for the school.

At the close of the entertainment a vote of thanks was tendered the teacher, Miss Nellie Armstrong, for the able manner in which the work of the school and entertainment had been conducted.

"Save me!" cried she. "For whom?" cried he. "For yourself!"
