EAGLE CREEK.

A delightful, refreshing rain, of a few hours' duration, fell Saturday and Sunday. Although not actually suffering for the want of moisture, it was thankfully received by all growing vegetation.

The farmers of this section have completed grain sowing and are now busy planting potatoes. Early garden and fall grain are looking well. The fruit trees are heavily laden with blossoms, and as the frost has done no serious damage, everything is indicative of a bountiful harvest.

In fact, magnificent nature seems to deal gently with Webster. Cattle on the range are not looking as well as could be expected as the grass grows slowly and the most of them come out of winter quarters in a poor condition.

It is a bad habit borrowing anything, but the worst thing you can possibly borrow, is trouble. When sick, sore heavy, weary and worn out by the pains and poisons of dyspepsia, biliousness, Bright's disease, and similar internal disorders, don't sit down and brood over your symptoms, but try for relief in Electric Bitters. Here you will find cure and permanent forgetfulness of all your troubles, and your body will not be burdened by a load of debt disease.

HOUSEHOLD CARES.

Tax the Women of Oregon City the Same as Elsewhere.

Hard to attend to household duties With a constantly aching back. A woman should not have a bad back. And she wouldn't if the kidneys were well.

Doan's Kidney Pills make well kidneys. Mrs. A. Hill, residing at 35 1st Street, Portland, Oregon, says: "I suffered considerably for a year or more from aching pains in my back extending down through the loins and in the region of the kidneys. I had to be careful in doing my work about the house which required stooping or lifting for if I moved suddenly I used to suffer severe twinges of pain in my back. I used plasters and several remedies but found little relief until I got Doan's Kidney Pills. They helped me from the first and finally cured me."

Plenty more proof like this from Oregon City people. Call at C. G. Huntley drug store and ask what their customers report.

If a Cow gave Butter

mankind would have to invent milk. Milk is Nature's emulsion—butter put in shape for digestion. Cod liver oil is extremely nourishing, but it has to be emulsified before we can digest it.

Scott's Emulsion

combines the best oil with the valuable hypophosphites so that it is easy to digest and does far more good than the oil alone could. That makes Scott's Emulsion the most strengthening, nourishing food-medicine in the world.

Funeral services over the body of the late George Wise were held at the Multnomah cemetery last Friday. Mr. Wise was born here thirty-eight years ago, where he lived till about three years ago, when he moved to the North Yakima country. He was held in high esteem by the people of the community—serving continuously as school clerk for about twelve years, and held other important offices in the school and church. In 1892 he was married to Miss Minnie Damask, who, with four children, survive him. The floral offerings at the grave were elaborate and beyond further description.

The list of the cured runs into hundreds and includes druggists and physicians. The 13% of failures was largely among cases that were at death's door and many such recovered. We have established an agency in your city and you will find pamphlets and compounds at
