When the Kidneys fail to perform their functions properly by not straining out the poisonous waste matter from the blood as it passes through them, the poisons are carried by the circulation to every part of the body, deranging the different organs. Before I began it I had to get up from 12 to 30 times each night to relieve my biadder. I was all bloated up with dropsy and my eyesight was so impaired that I could scarcely see one of my family across the room. In fact, I was so badly used up that I had given up hope of living when I was urged by a friend to try FOLEY'S KIDNEY CURE. One 50-cent bottle worked wonders, and before I had taken the third bottle the superfluous flesh had gone, as well as all other symptoms of Kidney trouble. My friends were surprised that I was cured, as they all thought I was going to die. Every few days some one comes from miles away to learn the name of the wonderfull medicine that cured me of Bright's Disease, and not one that has tried it has failed to be benefitted.
