MR. and MRS. WILBERT THOMPSON, 801 Main St., Peoria, III. MULL'S GRAPE TONIC CURED HIM.

Wilbert Thompson never knew a well day until last June—he had been constipated all his life—many doctors treated him, but all failed to even help him—his health failed rapidly and on January 21, 1903, Mrs. Thompson asked us to suggest a treatment for her husband—We thought the case too serious and recommended that a specialist be consulted—but he also failed to help the patient—NOW HE IS WELL.

Mull's Grape Tonic Cured Him

Mrs. Thompson first wrote us as follows: "My husband, aged 23, suffers from sharp pains in his stomach and sometimes thinks it is his heart. Let me know by return mail what causes the pain, if you can. Mr. Thompson has been treated by several doctors, but they have given him up."

We promptly advised that a first-class specialist be consulted. We quote: "We want to sell Mull's Grape Tonic, because we know it will cure constipation, but 20c. a bottle is no object to us when a human life is at stake, and if your husband's case is as serious as you state, we suggest you consult a reliable specialist, not the advertising kind, promptly." At the same time, knowing that Mull's Grape Tonic could do no harm, we advised its use until a physician could be consulted. January 25 Mrs. Thompson wrote that a physician had been consulted. He diagnosed the case as being chronic constipation and dyspepsia. His treatment was followed faithfully, but there was no perceptible improvement in Mr. Thompson's health. Then he began taking Mull's Grape Tonic and on Sept. 3, 1903, we received the following letter from Mrs. Thompson:

"You will reassembles that a wrote to you least January in return to the pain of the content of the class of the class of the class of the class of the content of the class of the c

"You will remember that I wrote to you last January in regard to my husband's health. It is four months since he quit taking Mull's Grape Toole for constipation, which he suffered from since birth. He took just 24 bottles of it and is perfectly cured. He is much stronger and has gained considerably in flesh. I cannot thank you enough for Mull's Grape Tonic. 'It is worth its weight in gold.' Just 512 cured him and he has spent hundreds of deliars with doctors who did him no good. Now I want to state my case to you and expect your early reply. I also have constipation, have had for three years. Kindly let me know as I am sure it will cure me if you say it will, as it did all you claimed it would in my husband's case. I await an early reply."

Very respectfully yours, MRS. W. H. THOMPSON, 301 Main St., Peoria, Ill.

If you are afflicted with constipation or any of its kindred diseases we will buy a 50-cent bottle for you of your druggist and give it to you to try. If you are constipated we know it will cure you. Surely if we have such confidence in our remedy as to pay for a bottle of it that you may test for yourself its wonderful curative qualities, you should not refuse to accept our offer.

Mull's Grape Tonic

is the only cure for constipation known. We do not recommend it for anything but Constipation and its allied diseases. It is our free gift to you. In accepting this free bottle you do not obligate yourself further than to take its contents. Mull's Grape Tonic is pleasant to take and one bottle will benefit you. We want you to try it and, therefore, if you will fill out the attached coupon and mail it to us to-day we will instruct your druggist to give you a 50-cent bottle and charge serve to vs.

Paper Mills of Pacific Coast Have Been Consolidated.

Consolidation of the Columbia River Paper Company, of this city and the Crown Paper Company of San Francisco, has just been effected with a capital of \$1,000,000. The mills of the former are located at La Camas and Warrendale, and the Oregon company also owns 25,000 acres of timber land in the Eastern part of Multnomah county.
