

...Short Sidehead Stories...

TERSLEY-TOLD TALES OF THE WEEK'S DOINGS.

In the Divorce Court—

Additional divorce decrees were returned by Judge McBride the latter part of last week as follows: Dibble Nary vs. Francis Nary; C. M. Temothe vs. S. H. Temothe.

Mayor Sommer as Clergyman—

Mayor E. A. Sommer last Friday evening officiated at his initial marriage ceremony and the event will probably prove the only double wedding he will be called upon to perform. The principals to the dual event were: Reta Oler and Wm. Yohann; Marie Belle Fanton and John W. McCulloch.

Papers Published in 1859—

Jailor Peter Nehren is in possession of a number of copies of the Salem Statesman that were published from 1859 to 1861. These papers were found by Mr. Nehren among the records that were taken from the old court house. Many of the papers had been nibbled by the mice and Mr. Nehren rescued from the wreck some of the better ones which he intends to preserve as relics of early Oregon.

Working to Save Lauth—

The final effort to save the life of Geo. Lauth, the convicted murderer of his mistress, is being made. His attorneys are circulating a petition to the governor asking that the sentence of death be commuted to that of imprisonment for life in the state prison. The petition does not give any reasons why this should be done but a personal statement will be made to Governor Chamberlain by the attorneys when the petition is presented.

Horse Thieves Get Busy—

Horse thieves are again operating in this community and the disappearance of four head of horses within the last few days indicates that the business is being followed with success. W. D. Brown, of Viola, Tuesday reported to the police authorities the theft of three head of horses from his farm some time Sunday. A very valuable mare was stolen from R. B. Franklin at Gladstone Saturday night and not the slightest trace of any of the missing animals has been found. The acquittal in the circuit court recently of a man on the charge of horse stealing, when there existed very little doubt as to his guilt, appears to have stimulated the practice in this county.

Fountains Won the Game—

In a game of baseball at Ely, Sunday afternoon, the members of Fountain Hose Company defeated No. 4 Hose Company by a score of 9 to 6. The game was highly exciting and is the first of a series of games that will probably be played during the summer by the teams composing the city's volunteer fire department. The teams playing Sunday were made up of the following men: Fountains—Woodward, r. f.; Cox, 1st base; Osborne, 2d; Schoenborn, c. f.; Schafer, i. f.; W. Hart, p.; Beard, C; Rail, s.; Moldenhauer, 3d b. Hose Company No. 4—Curran, p.; Nichols, c.; Elliott, 1st b.; C. Ely, 2d b.; B. Everhardt, 3d b.; Jefferson, s. s.; G. Ely, r. f.

Mellins, i. f.; _____, c. f. A game between the Cataracts and the Columbia Hook & Ladder teams has been arranged to be played at Canemah Park the first Sunday afternoon in July.

Large Class of Graduates—

The commencement exercises of the Barclay High School were held at Shively's Opera House Friday evening, June 9. The programme of exercises was quite entirely the product of the class, which was assisted, however, by the members of the Schumann Singing Society, Miss Harding and Miss Draper. Those participating on the programme did well. At the conclusion of the programme, diplomas of graduation were presented the following young people: Mildred Brown, Lucille Bacon, Hazel Cooper, Bertha Frederick Laura Glnther, Gertrude Hamilton, Wava Harrington, Ellen Moehnkke, Blanch Miller, Edna Park, Beasle Sleight, Amy Thomae, Winnie Young, Lambert Beard, Clifford Dammon, Joe Ganong, Edwin Hoff, Jack Meldrum, Lester Marra, Carl Nehren, Wallace Telford, Earl Walker.

Will Have a Hearing—

Opposition to the proposed construction of a bridge across the Clackamas at Barton is being actively offered by the Oregon City Board of Trade and many of the Grange organizations throughout the county which have adopted resolutions protesting against the probable improvement. Although the county court at a previous session agreed to assume 75 per cent of the cost of the structure, which it is claimed cannot be constructed for less than \$12,000 to \$15,000, the vigorous expression of public sentiment against the proposition has caused the county court to appoint a day, Thursday, July 6, when the friends and opponents of the bridge will be given a hearing before the court. County Judge Ryan, on the strength of a largely signed petition, has been authorized by the county court to ascertain the probable expense and the expediency of providing a sidewalk for pedestrians across the Willamette river suspension bridge in this city.

Will Have Baseball Tournament—

The official programme for the Twelfth Annual Assembly of the Willamette Valley Chautauqua Association, July 11-23, is being printed and will soon be ready for distribution. Educationally the programme this year is of unsurpassed value and the entertaining features have received careful attention on the part of the management which is concluding arrangements now for a baseball tournament to be participated in by five of the best amateur teams in the state. Among the teams that have applied are: The Dalles, the Chemawa Indians, Hop Gold Stars, of Vancouver, and the S. H. Brainard Company, of Portland. There is also a good team in this city which will likely enter the contest before the schedule is completed. It has been decided by the Chautauqua management to offer the same inducements this year as were given last year, as follows: \$25 to the winning team and \$10 to the losing

team in each game, as expense money. Teams desiring to enter the tournament must make application before June 25. Applications must be made to W. A. Huntley. On or before July 4, each team must submit the names of fourteen players and they will not be allowed to substitute any other players in the series of games.

General Summary.

The first of the week was cloudy and cool and good rains fell in nearly all sections of the state. On Wednesday the rains ceased and the remainder of the week was warm and pleasant. The warm weather and bright sunshine immediately following the rains had a very beneficial effect on all crops, and a marked improvement is noted, especially in the condition of field corn, potatoes and onions, which are now growing rapidly. Fall grain continues to head nicely, and barley and rye will soon be ready to cut. Spring wheat and oats are growing satisfactorily. The grain aphid continues numerous in the Willamette Valley and in some portions of Southern Oregon, but so far but little damage has occurred. Gardens and roots show a marked improvement. Grasses are growing rapidly, and some hay has been cut in Southern Oregon. Haying will not become general, however, for about two weeks. Pastures continue in fine condition and stock is doing well, especially dairy cattle. Cherries are ripening slowly, with the yield considerably below the average in most sections. Other tree fruits indicate lighter yields than usual, especially peaches, prunes and early apples. Late apples and pears promise better results. Bush fruit is setting nicely and an abundant yield is promised.

GABRIEL.

The large Kentucky Jack will stand throughout the season of 1905 at the C. V. Stoker farm, five miles south-east of Oregon City, near the Lealand School house. C. V. STOKER, Owner, Oregon City, Ore.

HELLO!

2,000 miles of long distance telephone wire in Oregon, Washington, California and Idaho now in operation by the Pacific Station Telephone Company, covering 2,250 towns.

Quick, accurate, cheap! All the satisfaction of a personal communication. Distance no effect to a clear understanding. Spokane and San Francisco as easily heard as Portland.

—Oregon City office at— Harding's Drug Store.

CONCERNING WATCHES!

Quality is the first importance in selecting a watch and it requires expert knowledge of the business to actually know the real value.

There are all sorts of watches on the market and all look somewhat alike. There are differences, however in constructive workmanship, in finish and decoration, in wearing quality, time keeping and in price.

That is why you must rely entirely upon the party from whom you purchase your watch.

Our record for honest, straightforward dealings is what has made us the largest house in Clackamas County. We are constantly adding new goods of the latest designs and are showing an unusually attractive assortment of handsome patterns in solid gold and filled watches.

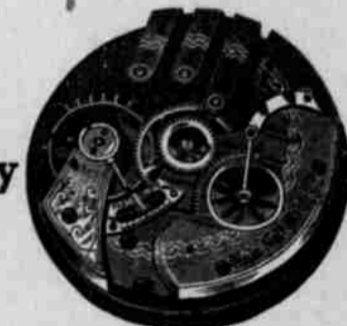

We have watches in nickel for boys from \$1.00 up; for men from \$5.00 up. Ladies and gents gold filled watches from \$10.00 up. We would like to have you come and see our \$15.00 and \$20.00 watches. They are beauties.

We do fine watch repairing and guarantee all work.
