TERSELY-TOLD TALES OF THE WEEK'S DOINGS.

Oregon City Man Dies—I. French, 47 years old, died at his home at Parkplace last Friday morning at 10 o'clock of painter's colic. He leaves three children, two daughters and a son. Mr. French's wife died only a short time ago. He was a painter and contractor, and a popular citizen.

Councilman Sheahan Presented a Hat—A few days ago Councilman Sheahan of the Willamette Pulp & Paper plant received a fine hat manufactured from the native bamboo of the Philippine Islands. The headgear came as the gift of John J. Hoop, who will be remembered as a former employe of the W. P. & P. Company. Mr. Hoop, or "Jack," as he was generally known, is stationed at Honolulu, Panay Island, and is prosperous. He expects to remain in the islands for another year when he will return to this state.

Gates-Powell Nuptials—Miss Myrtle Powell was quietly married last Thursday afternoon at 5 o'clock to Charles Gates at the home of the bride's parents, Dr. and Mrs. J. W. Powell, at Molalla. Until a few months ago, Miss Powell had resided all her life in Oregon City, where she has a host of friends. The ceremony was witnessed by the immediate relatives of the families. Mr. and Mrs. Gates will make their home in this city, where Mr. Gates is employed by the Oregon City Manufacturing Company.

Paper Company Expands—The Crown and Columbia Pulp & Paper company has purchased from the Oregon City bank the sawmill property at Green Point, a suburb of this city. The purchase price was \$5,000. This purchase is the first step at Oregon City for expansion of business that the company has in view and which was initiated several weeks ago by the consolidation of the Crown and Columbia Paper companies. It is understood that the new owners will repair and renovate the sawmill and will operate it at its full capacity.

Eagles Soared High—The Eagles soared high at Willamette Falls baseball grounds last Sunday afternoon but the Red Men were not far behind. In other words, the second game of baseball between the Eagles and the Red Men resulted in a victory for the former by the score of 13 to 12. The contest, which was highly entertaining, was witnessed by quite a large audience. In the first part of the game, the Red Men ran bases almost at their pleasure, the score at the beginning of the eighth inning being 12 to 5 in favor of the savages but by hard work the birds managed to tie the score in the ninth and then there was something doing. The score remained a tie until the twelfth inning when the Eagles scored and ended the game. The third and decisive game as to the championship will be played within a few weeks.

Better Mail Service Wanted—The Board of Trade last Friday night instructed Secretary J. L. Campbell to prepare petitions to the Postoffice Department, asking for a noonday service out of Oregon City to Portland. This was discontinued several weeks ago, and a letter mailed here after 9 A. M. does not reach Portland until the following morning. Business men and others have instituted a vigorous protest, and will endeavor to bring about a resumption of the old schedule. Secretary Campbell was also instructed to procure

TWO OPEN LETTERS

IMPORTANT TO MARRIED WOMEN

Mrs. Mary Dimmick of Washington tells how Lydia E. Pinkham's Vegetable Compound Made Her Well.

It is with great pleasure we publish the following letters, as they convincingly prove the claim we have so many times made in our columns that Mrs.

Pinkham, of Lynn, Mass., is fully qualified to give helpful advice to sick women. Read Mrs. Dimmick's letters.

Her first letter: Dear Mrs. Pinkham:—I have been a sufferer for the past eight years with a trouble which first originated from painful menstruation—the pains were excruciating, with inflammation and ulceration of the womb. The doctor says I must have an operation or I cannot live. I do not want to submit to an operation if I can possibly avoid it. Please help me.—Mrs. Mary Dimmick, Washington, D. C.

Her second letter: Dear Mrs. Pinkham:—You will remember my condition when I last wrote you, and that the doctor said I must have an operation or I could not live. I received your kind letter and followed your advice very carefully and am now entirely well. As my case was so serious it seems a miracle that I am cured. I know that I owe not only my health but my life to Lydia E. Pinkham's Vegetable Compound and to your advice. I can walk miles without an ache or a pain, and I wish every suffering woman would read this letter and realize what you can do for them.—Mrs. Mary Dimmick, 30th and East Capitol Streets, Washington, D. C.

How easy it was for Mrs. Dimmick to write to Mrs. Pinkham at Lynn, Mass., and how little it cost her—a two-cent stamp. Yet how valuable was the reply! As Mrs. Dimmick says—it saved her life. Mrs. Pinkham has on file thousands of just such letters as the above, and offers silling women helpful advice.

from Harding Grange. Patrons of Husbandry, a copy of the resolutions that were passed by that Grange, opposing the construction of the Barton bridge across the Clackamas river. The proposed bridge site is in Harding precinct. These resolutions will be presented to the County Court at its next regular meeting, July 6.

In the Divorce Court—Five divorce decrees were returned Saturday by Judge McBride as follows: Augusta M. Hayes vs. E. Joseph Hayes; F. B. Hahn vs. Della Hahn; Julia Kitching vs. Jas. H. Kitching; Jennie Duffy vs. James Duffy; Stephen Hamilton vs. Adaline Hamilton. Besides obtaining a divorce, Mrs. Duffy is awarded judgment for \$144 against her former husband. An order of default and reference was entered in the divorce suit of Chas. Edward Miller vs. Daisy M. Miller and an order enjoining the plaintiff in the divorce suit of John M. Bendroth vs. Alma P. Bendroth, from moving the minor child out of the state was made.

Lewthwaite-Peel Wedding—The following account of the marriage of John B. Lewthwaite, a popular young man of this city, to Miss Peel, of Portland, was published in the Sunday Oregonian: "On Thursday evening, June 15, at 8:30 o'clock, occurred one of the prettiest weddings in the history of the First Cumberland Presbyterian Church. It was the marriage of Miss Florence Rainford Peel to Mr. Jack Brandow Lewthwaite, of Oregon City. Marguerite, palms and alkorn moss from Mount Hood were used in decorating. A pretty incident was the entrance of 35 little tots of the Hawthorne School, the bride's former class. The ceremony was performed by the Rev. E. Nelson Allen. It was preceded by Alltzen's "Song of Thanksgiving," sung by Miss Inogen Harding, of Oregon City. The bridal party entered the church to the strains of the wedding march, Mr. Lewthwaite being accompanied by his best man, Mr. Forbes Pratt. The four ushers were Mr. Lawrence Bufton, Mr. Sumner Booth, Mr. Walter Bennett and Mr. John Grayley. They were followed by six little flower girls attired in white, carrying La France roses. The two bridesmaids, Miss Alice Lewthwaite, sister of the groom, and Miss Hortense Perrine Grefroz, were attired in pale green, wore large picture hats, and carried arm bouquets of bridesmaid roses. The maid of honor, Miss Male Peel, sister of the bride, was charmingly gowned in an all-pink costume. The bride was led to the altar and given in marriage by her brother, Mr. Allan C. Peel. She wore a white lace dress. Her veil was held in place with orange blossoms and a crescent of pearls, the gift of the groom. A reception for the bridal party was held at the bride's home. Mr. and Mrs. Lewthwaite left on the 11:40 train for Victoria, B. C., and from there will make an extended trip through Southern Alaska. They will be at home in Oregon City after July 10."

Deserves Your Patronage. The growth of a community and the success of its local institutions depends entirely on the loyalty of its people. It is well enough to preach "patronize home industry" but except the service given at a home institution equals that of out-of-town enterprises, this argument carries no weight and is entirely disregarded, as it should be. But with Oregon City people it is different. A few months ago E. L. Johnson established the Cascade Laundry. It is equipped with the latest improved machinery and is daily turning out work that is equal to any and superior to much of the laundry work that is being done in Portland. Being a home institution and furnishing employment for many Oregon City people it is enjoying an immense patronage. The high standard of the work being done commends it to the general public. Laundry left at the O. K. barber shop will be promptly called for and delivered to any part of the city. Telephone 1204. E. L. Johnson, proprietor.

General Summary.

The weather during the past week has been quite favorable for the growing crops. In some few localities late sown wheat and oats would be benefited by more rain, and owing to the dry weather grass on the low land ranges in the interior counties is turning brown, but it is still green and abundant in the foothills and mountains. Stock generally is in excellent condition. Fall wheat is filling nicely and fall barley is ripening and will soon be ready to cut. Spring wheat continues to make satisfactory progress, and oats, although not in so good condition as spring wheat, look promising. The grain aphid is disappearing, and no great damage has been done by this pest. Hay has begun and will become general in a week or two. Much clover, vetch and alfalfa has already been secured, and the hay crop generally promises to be an average one, if not better. Hops are arming and show considerable improvement since last report. The yards are well cultivated, but on account of missing hills and uneven growth yields are expected to be less than usual. Early potatoes are in the market. Cherries are ripe and the crop is below the average, being good in some localities and almost a failure in others. Strawberry picking is nearly finished, and the crop turned out below the average in quantity, but about as usual in quality.

G. B. Burhans testifies after four years.

G. B. Burhans, of Carlisle Center, N. Y., writes: "About four years ago I wrote you stating that I had been entirely cured of a severe kidney trouble by taking less than two bottles of Foley's Kidney Cure. It entirely stopped the brick dust sediment, and pain and symptoms of kidney disease disappeared. I am glad to say that I have never had a return of any of those symptoms during the four years that have elapsed and I am evidently cured to stay cured, and heartily recommend Foley's Kidney Cure to any one suffering from kidney or bladder trouble." "DO IT TO-DAY!"

"And to think that ten months ago I looked like this! I owe it to German Syrup."
The time-worn injunction, "Never put off 'til to-morrow what you can do to-day," is now generally presented in this form: "Do it to-day!" That is the terse advice we want to give you about that hacking cough or demoralizing cold with which you have been struggling for several days, perhaps weeks. Take some reliable remedy for it TO-DAY—and let that remedy be Dr. Boscliee's German Syrup, which has been in use for over thirty-five years. A few doses of it will undoubtedly relieve your cough or cold, and its continued use for a few days will cure you completely. No matter how deep-seated your cough, even if dread consumption has attacked your lungs, German Syrup will surely effect a cure—as it has done before in thousands of apparently hopeless cases of lung trouble. New trial bottles, 25c; regular size, 75c. At all druggists.

DON'T WAIT.

Take Advantage of Oregon City Citizen's Experience Before It's Too Late. When the back begins to ache, Don't wait until backache becomes chronic; Till serious kidney troubles develop; Till urinary troubles destroy night's rest.

Olof Johnson, who is a gardner by occupation, living at the corner of 15th and B streets, North Salem, Ore., says: "Kidney complaint is no new thing for me. I have been bothered off and on from a discolored condition of the kidneys for 10 or 12 years. I did not suffer so much from backache as most people do who have kidney secretions which are both distressing and aggravating. There was a scalding sensation in passing, and a heavy brick-dust like sediment appeared after standing in the vessel overnight. I had attacks of dizziness in my head, and oft-times a blurring would appear before my eyes, and I could hardly see. I tried numerous remedies, but all in vain until I saw Doan's Kidney Pills highly recommended for just such troubles. I will say that in all my experience with doctor's prescriptions and different kidney remedies nothing has given me the amount of relief that I have received from Doan's Kidney Pills."
