

Constipated All His Life.

MR. and MRS. WILBERT THOMPSON,
801 Main St., Peoria, Ill.
MULL'S GRAPE TONIC CURED HIM.

Wilbert Thompson never knew a well day until last June—he had been constipated all his life—many doctors treated him, but all failed to even help him—his health failed rapidly and on January 21, 1903, Mrs. Thompson asked us to suggest a treatment for her husband—We thought the case too serious and recommended that a specialist be consulted—but he also failed to help the patient—NOW HE IS WELL.

Mull's Grape Tonic Cured Him

Mrs. Thompson first wrote us as follows: "My husband, aged 23, suffers from sharp pains in his stomach and sometimes thinks it is his heart. Let me know by return mail what causes the pain, if you can. Mr. Thompson has been treated by several doctors, but they have given him up."
We promptly advised that a first-class specialist be consulted. We quote: "We want to sell Mull's Grape Tonic and if your husband's case is as serious as you state, we suggest you consult a reliable specialist, not the advertising kind, promptly." At the same time, knowing that Mull's Grape Tonic could do no harm, we advised its use until a physician could be consulted. January 25 Mrs. Thompson wrote that a physician had been consulted. His diagnosis was chronic constipation and dyspepsia. His treatment was followed faithfully, but there was no perceptible improvement in Mr. Thompson's health. Then he began taking Mull's Grape Tonic and on Sept. 3, 1903, we received the following letter from Mrs. Thompson:

"You will remember that I wrote to you last January in regard to my husband's health. It is four months since he quit taking Mull's Grape Tonic for constipation, which he suffered from since birth. He took just 24 bottles of it and is perfectly cured. He is much stronger and has gained considerably in flesh. I cannot thank you enough for Mull's Grape Tonic. 'It is worth its weight in gold.' Just \$12 cured him and he has spent hundreds of dollars with doctors who did him no good. Now I want to state my case to you and expect your early reply. I also have constipation, have had for three years. Kindly let me know as I am sure it will cure me if you say it will, as it did all you claimed it would in my husband's case. I await an early reply."
Very respectfully yours, MRS. W. H. THOMPSON, 801 Main St., Peoria, Ill.

First Oregon Volunteers.

Forty comrades, representing the surviving membership of the First Oregon Cavalry and Infantry, assembled at the Courthouse Wednesday in annual reunion. Several interesting reminiscences of early Oregon history were related by the old veterans, among the speakers being Colonel C. B. Currey, of La Grande; Major Rhinehart, of Seattle, and H. M. Hilleary, of Turner, and H. R. Elyne, of Corvallis. Next year's reunion will be held at Grant's Pass in conjunction with the annual encampment of the G. A. R. Officers for the ensuing year were elected as follows: Captain J. T. Apperson, of Oregon City, commander; Major W. B. Rhinehart, Seattle, vice-commander; H. M. Hilleary, Turner, adjutant.

Wednesday's Parade.

Five hundred old veterans participated in the grand parade Wednesday afternoon. It was one of the most imposing processions ever witnessed in this city. Under the direction of Grand Marshal F. Nelson and aides, Capt. L. L. Pickens, F. J. Nelson, Mr. McArthur and L. McFarland, bugler, the parade was formed on South Main street about 10 o'clock. The procession moved from the Armory building down Main street, being headed by the Oregon City Band and Captain James P. Shaw's brigade of thoroughly trained young lads. Following came a carriage containing Department Commander B. F. Pike, Department Commander-elect T. E. Hills, Colonel Jackson, personal representative of Governor Chamberlain, and Mayor Sommer, Judge Ryan and Commissioner Probst and members of the City Council occupied another carriage. Preceded by a life and drum corps, made up of a quartet of the veterans, the members of the G. A. R. followed and with them came about 200 members of the W. R. C. The parade passed in review before the department commander and was disbanded. Misses Luella Niles, Hazel Ingham, Stella Mimms and Lola Sabier acted as an escort for the carriage occupied by the Department Commander. During the parade a company of twenty-four young girls, costumed in white, gave a floral salute in honor of the Department Commander. Those forming the company were: Evelyn Laeche, May Lumbo, Esther U'Ren Ruth Page, Ida

Straight, Hazel Davidson, Ella White, Fay Mayville, Myrtle Cross, Lena Storich, Anna Fay, Maud Fromond, Zeta Andrews, Clarice Zamwalt, Ruth Rauch, Carrie Lutz, Hattie Kruger, Eulalia Schuebel, Maud Parr, Maud Woodward, Nellie Dunkey, Cora Douthitt, Stella Cross and Mary Rambeau.

Colonel Jackson, as personal representative of Governor Chamberlain, who was unavoidably absent, delivered the principal address at Wednesday evening's exercises, which were held in the City Park. Other speakers included the officers elect of the G. A. R. and the W. R. C. Misses Mary Adell Case and Imogen Harding sang solos, a male quartet consisting of Dr. Rhea Norris, E. E. Taylor, Len Confer and R. E. Woodward also sang. Instrumental music was furnished by the Telford family, the Misses Draper, Miss Veda Williams and the Oregon City Band. Miss Dorothy Cross was heard in one of her best selections, reciting "A Grey Sleeve."

After its custom of presenting a flag to one of the public schools in the city where the encampment is held annually, the W. R. C. Wednesday afternoon made this presentation to the Canemah School, the other schools of the city being already provided with fine flags.

J. E. Hedges, on behalf of the Canemah School, in an appropriate address, received from the G. A. R. the beautiful school.

Grant's Pass has been selected as the place for holding next year's encampment. Newburg and Newport were in the field, but before the ballot was taken both withdrew and Grant's Pass was the unanimous choice of the meeting. The selection of Grant's Pass is conditioned on the securing of reasonable rates of transportation. Otherwise the council of administration will make another selection.

Installation of officers took place on Thursday morning and adjournment of the different organizations followed and the delegates departed for their homes.

The various committees appointed by the G. A. R. and W. R. C. of this city are deserving of much credit for the very capable manner in which they officiated. The reception and entertainment of 1000 visitors was by no means a small undertaking but the service was most creditably performed by those in charge.

Brownell and the G. A. R.

An unfortunate incident occurred at the opening reception that was tendered the delegates to the G. A. R. Encampment at the City Park Tuesday evening, arising from a difference of opinion among the members of the G. A. R. as to whether Senator Brownell should take part in the programme.

Senator Brownell was not placed upon the programme but his friends in the G. A. R. wished to hear him and called for him before the official programme was finished making an unfortunate interruption in carrying out the programme as planned. The calls for Brownell were by his numerous friends in the G. A. R., were not recognized on the part of the officials in charge of the exercises who begged that the disturbance cease until the regular programme had been completed when, if desired, an opportunity would be given others to speak.

A majority of the G. A. R. wanted to hear from Brownell and in response to their persistent calling, the Senator ascended the platform only to be informed by the chairman of the meeting, that the programme could not be interrupted. After the conclusion of the programme, Senator Brownell mounted the platform and made one of his characteristic speeches which is so highly approved by the old veterans.

It is to be regretted that incidents of this kind should occur when a little discretion on the part of those responsible therefor would have avoided the unpleasant incident.

The indebtedness of the district is \$14,556.85 and is made up of the following items: Bonds, \$12,000; notes due the Bank of Oregon City, \$2556.85. The school population, according to the census of February, 1905, is 1243. At a meeting of the board of directors Monday night, Clerk Brodie was re-elected to succeed himself for the ensuing year.

Sneak Thieves Are Located.

With a diamond in his boot, and gold stolen from a dentist's parlor in Oregon City, George Clark was arrested yesterday afternoon on Washington street and taken to the station. When searched there numerous articles of value were found on his person. Gold fillings, gold plates and gold articles which had been melted down were taken from his clothes. Clark partially broke down and told enough to cause the officers to investigate.

At Friz Abendroth's pawnshop, on Washington street, near Seventh, it was found that Clark had sold to the pawnbroker an envelope full of old gold and a quantity of dentist's gold plates, and other articles of value. After a severe sweating-Clark made a complete confession last night to the police. Clark said that he had an accomplice by the name of Evans, whom he had met in Portland some time ago, and whom he took to be a dentist. "The fellow showed me a doctor's certificate," said Clark, "and after meeting three or four times he broached the subject to me. He said that he wanted me to dispose of some gold that he had, and that he did not care to do it himself." This was found in the pawnshop yesterday with other articles which were identified by Dr. Beatie.

In his confession at the station Clark said that he had acted as a go-between for Evans, and that when a trick was turned he stood watch while Evans did the rest.

The man Evans is thought to be a dentist gone wrong. By his description, Dr. Beatie, of Oregon City, who identified much of the stolen gold, said that he thought that the man had been in Oregon City last night, and efforts are being made by the officers to head off Evans before he gets out of the city.—Thursday's Oregonian.

These are the fellows who a week ago entered and robbed four of the dental parlors of this city.

A Fearful Fate.

It is a fearful fate to have to endure the terrible torture of Piles. "I can truthfully say," writes Harry Colson, of Maysville, Ia., "that for Blind, Bleeding, Itching and Protruding Piles, Buckle's Arnica Salve, is the best cure made." Also best for cuts, burns and injuries. 25c at Howell & Jones, Druggists.

The Toilers in Our Factories.

No workmen in the world can do so much or use the same intelligence that our own American workmen and women are capable of. That is why

America is now beating the world in manufacturing; all due to the brain and muscle of our Yankee men and women.

Unfortunately where there is smoke, dirt and dust and little sunlight there also can be found the germs of disease. Nature's great disinfectant is sunlight. It is in the factory, the workshop, the office, that men and women suffer from diseases which are in the dust and the bad air. Such diseases germs enter into the blood in two ways, either through the lungs or stomach.

After years of experience in an active practice, Dr. R. V. Pierce, of Buffalo, N. Y., discovered a remedy that is a blood-maker and tissue-builder, at the same time alleviates a cough. He called it Dr. Pierce's Golden Medical Discovery—an alternative extract that assists in the digestion and assimilation of the food—so that the blood gets its elements from the products of digestion, the liver at the same time is started into activity and there is perfect elimination of waste matter. The germs of grip, malaria, catarrh or consumption find a fertile field if the body is not kept in perfect order and the blood pure.

Because the stomach is diseased there is a diminution of the red corpuscles of the blood. This is why one is sleepless, languid, nervous and irritable. Sensitive stomachs groan aloud at the irritating and liver oils, but they will get all the food elements the tissues require by using the "Golden Medical Discovery."

The "Discovery" is absolutely a non-alcoholic and non-narcotic medicine. There is nothing else "just as good."

Dr. Pierce's Pleasant Pellets, the best laxative for old and young people. They cure constipation and biliousness.

Drying preparations simply develop dry catarrh; they dry up the secretions, which adhere to the membrane and decompose, causing a far more serious trouble than the ordinary form of catarrh. Avoid all drying inhalants, fumes, smokes and snuffs and use that which cleanses, soothes and heals. Ely's Cream Balm is such a remedy and will cure catarrh or cold in the head easily and pleasantly. A trial size will be mailed for 10 cents. All druggists sell the 50c. size. Ely Brothers, 66 Warren St., N. Y.

The Balm cures without pain, does not irritate or cause sneezing. It spreads itself over an irritated and angry surface, relieving immediately the painful inflammation. With Ely's Cream Balm you are armed against Nasal Catarrh and Hay Fever.
