Brief Bits of Gossip From All Parts of the County.

Correspondents are requested to re-new their work. We will furnish all necessary stationery. The news from your neighborhood should appear in these columns every week.

### MACKSBURG.

John Hepler and boy came back from the Mountains Saturday with 300 trout. John Roggie was helping Ed. Morris Saturday with his hay. Samuel Miller died last week, some think he was overcome by the heat those hot days. Shubel and Macksburg played ball last Sunday—Macksburg won by a score of 19 to 6. ### SHUBEL.

Grain will soon be ready to cut in this section. Otto Hornshuh, who has been working in Salem, has returned home. Robert Glinther and family made a trip to Macksburg Sunday. We are all sorry to hear that the Dix saw mill has burned down. Mr. and Mrs. H. Wenger and family of Salem, and Mrs. S. Ernst, of Seattle, are visiting with C. Hornshuh and family. Jacob Grossmiller intends to attend the Fair next Saturday. We wonder how our mail carrier likes the short cut through the woods. The old saying "The longest way round is the shortest way home" is true, all right. Mrs. C. Hettman called on Mrs. R. Glinther Monday evening.

### VIOLA.

W. D. Brown made a business trip to the metropolis Tuesday. The few cloudy days of last week caused the farmers to be very active in caring for their hay. The hay crop in this section is heavy and of excellent quality. A. O. Hollingsworth, of Redland, assisted Loren Tenny in his rush of farm work during the week. The saw mill is again running after a ten days' rest. Grandpa Miller has a fine system to irrigate his garden. It is delightful to see his vegetables. Elaborate preparations are under way for a lawn social at Viola on the evening of July 29; if the hot weather continues until that time no doubt the ice cream will be well cared for. Little squirrels and the children about Viola are in competition for hazelnuts, the former seem to have slightly the advantage in the struggle.

Many of the farmers are starting to ball hay. A. Thomas was seen searching around the county for all the mutton sheep he could find this week. Friends and relatives called on Thos. Duffy last week. Smiling B. Jones is working for Wm. Griesenwalte at present. Mr. Daniels has been hauling hay at

a great speed when the clouds showed a little last week. M. B. Herman and G. Staben called on Miss Lina Stuedeman one night last week. Twenty-five more phones arrived at Beaver Creek this week. I guess we'll talk some, eh? Some young man wanting information about a coat which he lost between the Beaver Creek store and Singer Hill last Sunday, call on the Beaver Creek correspondent.

Mr. Davis and J. Evans went to Portland on a business trip last week.

Mr. Abel Thomas was in this vicinity buying sheep this week. Rev. W. Mason delivered an excellent Welsh sermon at the Beaver Creek church last Sunday morning. Many from this burg went to camp-meeting last Sunday, but I expect more will go to the Chautauqua next Sunday to hear the great orator, Dr. Gunsaulus. It will be a treat to be remembered. Some of the grain is ready to cut in this vicinity—it is ripening fast these days. Mr. and Mrs. T. C. Thomas visited the Fair last Friday.

Spilled Her Beauty. Harriet Howard, of 203 W. 24th St., New York, at one time had her beauty spoiled with skin trouble. She writes: "I had Salt Rheum or Eczema for years, but nothing would cure it, until I used Bucklen's Arnica Salve." A quick and sure healer for cuts, burns and sores. 25 cents at Howell & Jones drug store.

Beauty More Than Skin Deep. A Good Complexion Must Come From Within. It is the natural desire of every ambitious woman to have a clear skin and a beautiful complexion. Outward applications of powders can never do more than partially cover up a poor complexion and is apt to ruin the texture of the skin if used persistently. Constipation is responsible for not only the greater part of headaches, biliousness, bad breath, torpid liver, backache and lack of energy, but for sallow, muddy complexion as well. The right way to remove pimples, and blotches and clear up a muddy, cloudy complexion is to go right to the root of the trouble. The one remedy that will cure constipation, improve the complexion, brighten the eyes, quicken the circulation, cure sick headache and insure a clear, velvety skin is Laxicola Tonic Tablets.

So that there may be no chance for disappointment, and to protect both you and the druggist, we have agreed to refund the full retail price of 25 cents to Huntley Bros Co. by issuing a Guarantee Contract authorizing them to pay back your money if the remedy does not benefit you as claimed.

Weather has been very warm, but at present writing is some cooler. The Epworth League of Marquam gave an ice cream social Friday, July 14. No program was given, but all had a very good time. The proceeds were \$26.60. Mrs. G. W. Bentley departed from Marquam, to visit her daughter, Mrs. Viola Jones, who resides in Lone. Mrs. Maud Jackson and husband of Southern Oregon, are visiting friends and relatives at Marquam. They expect to visit the Exposition before returning to their home, which will be near Canyonville, Oregon. The United Artisans of Molalla, gave an ice cream social July 15, and invited the Assembly of Marquam. They had an excellent programme. Mrs. Mary Marquam, Ona Ridings and several others of Marquam attended the social. All the farmers are busy hauling hay and spraying hops, as the lice are bothering them. Last Saturday the Marquam juniors played baseball against Yoderville Juniors. Marquam came out victorious as it always does. Beat them 25 to 6. Sunday the Marquam Seniors played the Mt. Angel team and came victorious again. Marquam got 12 tallies and Mt. Angel 9. A large crowd was there to attend the game. Mrs. Eliza Skirvin, a well-known person of this place, will have a sale the 26th of July. She will sell her household goods, cow and buggy, also several more articles out of the barn, too numerous to mention. We all hate to have her leave us, but it seems that she must. Mrs. M. J. Stockwell, of Tillamook, and Miss Myrtle Marquam of San Francisco,

are expected to arrive at Marquam this week. A new supply of candy in at J. C. Marquam's. Call and try it. Miss Golda Drake of this place, left for Portland last Sunday, where she will stay some time. Mr. Ed. Albright butchered a fine beef Monday morning. Many people of this place are going to attend the sham battle at the Lewis and Clark Exposition July 21st. One Dollar Saved Represents Ten Dollars Earned. The average man does not save to exceed ten per cent of his earnings. He must spend nine dollars in living expenses for every dollar saved. That being the case he cannot be too careful about unnecessary expenses! Very often a few cents properly invested, like buying seeds for his garden, will save several dollars outlay later on. It is the same in buying Chamberlain's Colic, Cholera and Diarrhoea Remedy. It costs but a few cents, and a bottle of it in the house often saves a doctor's bill of several dollars. For sale by Geo. A. Harding.

The Rest Cure. "So you've been away at a rest cure, eh, old man? Why yes, your muscles are as hard as rock and as full of lumps as if you'd taken a regular course of athletics." "That's not muscle. We had to sit around in our shirt sleeves, with no mosquito netting up."

CASTORIA. The Kind You Have Always Bought. Bears the Signature of *Chas. H. Fletcher*

One of nature's remedies; cannot harm the weakest constitution; never fails to cure summer complaints of young or old. Dr. Fowler's Extract of Wild Strawberry.

Religious Tattooing. A Custom That Is In Vogue In One Part of Italy. In the "vanity" section of a museum at Florence there is an interesting collection of blocks used for what is called "religious tattooing" among Italian peasants of the district inclosed between the Abruzzi, Umbria and the Adriatic. Peasants in these parts at work with shirt sleeves rolled up display a Christian symbol of some sort or a text tattooed in blue ink on their brown skin. This has been imprinted on the occasion of some special festival. A wooden block is pressed upon the tightly drawn skin to mark the outlines of the design. This is then punctured, and a blue ink is rubbed into the wounds, which usually heal in about twenty-four hours. The custom, which is essentially Christian, is in commemoration of the branding of St. Francis, who founded a monastery close to Loretto.—London Telegraph.

A Full Confession. "Do you play golf to keep down your flesh?" "No. Flesh be blowed. What do I care for flesh? I play it for the elegant thrill you can work up on each nine holes."
