TERSELY-TOLD TALES OF THE WEEK'S DOINGS.

Fractured Jaw—

Henry Ford, of West Oregon City, sustained a compound fracture of the right jaw, by falling from his hay mow last Friday.

More Divorces Granted—

Circuit Judge McBride last Friday granted divorce decrees as follows: Della Omet vs. Ugel Omet; Mabel C. Hanson vs. E. C. Hanson.

Injured His Back—

William Hobbie, an employe of the Crown-Columbia Pulp & Paper mills, fell last Friday and struck a sharp piece of iron. His spine was injured so that he had to be carried home on a stretcher. The injury did not prove as serious as was at first feared and Mr. Hobbie will be able to return to work within a few days.

Mill Burned Again—

The Dix Bros.' sawmill, located near Canby, was totally destroyed by fire early last Friday morning, together with a considerable amount of manufactured lumber. There was no insurance and the loss will approximate \$3000. The management of this mill seems especially unfortunate since it has been only about three months that the entire plant was wiped out by fire.

Held to Circuit Court—

Herman Schuler and John Landerman, the two young men charged with enticing two 14-year old girls from their homes in this city, have waived examination and will be tried in the circuit court. E. Matthews and Henry Roos, two local saloon keepers, have also waived a preliminary examination and will answer to the circuit court on the charge of selling liquor to minors.

Clothing Store Robbed—

Securing an iron pipe from I. Tolpolar's second-hand store across the street by means of which entrance was gained over the transom to the front door, burglars last Saturday night entered G. Rosenstein's Main street clothing store and stole two suits of clothing, two pairs of shoes, a box of assorted socks and a number of silk handkerchiefs. The shoes were numbered 8 and 8½. The police are in possession of no clue upon which to work.

Given Surprise Party—

A surprise party and crawfish dinner were given in honor of guests at Gilbertdale Villa, Tuesday evening. The affair was given in honor of Miss Ursula H. Owen, of Marango, Iowa, and Miss Carah C. Montgomery, of Charleston, Illinois. Among those present were: Dr. and Mrs. W. C. Schultze, and Dr. W. S. Schultze, of Mt. Summit ranch; Miss J. Ethel Sherman Jones, of Berkeley, California; Mr. and Mrs. Arthur Pressey, of Gilbertdale; Mr. Garry B. Jacobs, of New York.

Circuit Court Notes—

Kate D. McGuire, of Portland, has brought suit for divorce from Frank M. McGuire, alleging desertion in 1903. The parties were married at Ogden, Utah, in 1886, and the plaintiff prays for the custody of two minor children.

Judge McBride has granted a decree of divorce in the case of Chas. Edward Miller against Daisy M. Miller. The famous injunction suit, entitled Sarah A. Chase against Oregon City, was today dismissed without prejudice. This was a proceeding brought by interested taxpayers to prevent the granting by the City Council of a perpetual franchise.

Four Facts For Sick Women To Consider

Lydia E. Pinkham's Vegetable Compound Has an Unequaled Record of Cures—Mrs. Pinkham's Advice Is Confidential, Free, and Always Helpful

FIRST.—That almost every operation in our hospitals performed upon women becomes necessary through neglect of such symptoms as backache, irregular and painful menstruation, leucorrhoea, displacements of the uterus, pain in the side, burning sensation in the stomach, bearing-down pains, nervousness, dizziness and sleeplessness.

SECOND.—The medicine that holds the record for the largest number of absolute cures of female ills is Lydia E. Pinkham's Vegetable Compound. It regulates, strengthens and cures diseases of the female organism as nothing else can.

For thirty years it has been helping women to be strong, curing backache, nervousness, kidney troubles, all uterine and ovarian inflammation, weakness and displacements, regulating menstruation perfectly and overcoming its pains. It has also proved itself invaluable in preparing for childbirth and the change of life.

THIRD.—The great volume of unsolicited and grateful testimonials on file at the Pinkham Laboratory at Lynn, Mass., many of which are from time to time published by permission, give absolute evidence of the value of Lydia E. Pinkham's Vegetable Compound and Mrs. Pinkham's advice.

FOURTH.—Every ailing woman in the United States is asked to accept the following invitation. It is free, will bring you health and may save your life.

Mrs. Pinkham's Standing Invitation to Women.—Women suffering from any form of female weakness are invited to promptly communicate with Mrs. Pinkham, at Lynn, Mass. All letters are received, opened, read and answered by women only. From symptoms given, your trouble may be located and the quickest and surest way of recovery advised. Out of the vast volume of experience in treating female ills Mrs. Pinkham probably has the very knowledge that will help you. Surely, any woman, rich or poor, is very foolish if she does not take advantage of this generous offer of assistance.

A FAMOUS REMEDY

"I cured MY cough with German Syrup" He wrote to Dr. G. G. Green: "As true as I tell you, doctor dear, I'm feelin' finer than ever I've been!"

The poor consumptive should not be the victim of experiment, as he often is, but the moment the dread disease manifests its presence he should be given Bosclee's German Syrup—a pure, non-alcoholic medicine that is made specially for the cure of consumption, and has a world-wide fame as a certain remedy for catarrh, colds, coughs, croup, sore throat and all bronchial affections in old and young. It is sold in all civilized countries, and has been famous as a consumption cure for almost half a century.

40, Oswego and Warner Granges celebrated Children's Day. Clackamas and Milwaukie Granges are raising money to build a hall. Eagle Creek, Highland and Maple Lane are making improvements, such as ceiling, painting and papering. Molalla, \$10, have reduced their debt to \$85.

A resolution favoring the enforcement in Clackamas County, of the spraying laws was adopted as also was a resolution in favor of the enactment and enforcement of stringent immigration laws. This referred chiefly to the Chinese question in regard to recent agitation by the manufacturers through the press for admittance of so-called Chinese merchants. Brother L. H. Kirchem, of Harding Grange, introduced the subject of Meat Inspection in the City of Portland, as it may be conducted under an ordinance passed by the Portland City Council. After some discussion Brother R. Scott, of Milwaukie Grange introduced the following resolutions which were adopted:

Whereas, An ordinance has been passed by the Portland City Council, requiring the inspection of all live stock, to be slaughtered, at a place designated by the City Council before it can be offered for sale; and Whereas, It will be a great inconvenience to the farmers throughout the state,

Resolved, That this Pomona Grange, while not opposed to meat inspection, we think that an inspector can inspect meat after it arrives at the retail butcher's, and without cost to the producer.

Resolved, That we are most earnestly opposed to said ordinance as it now stands. The Good of the Order was then taken up and as there were a number of visitors present, they were called on and a pleasant and profitable hour was spent in the consideration of Grange work.

The Lecturer of New Berg Grange, Mass., spoke briefly on lecture work. Sister Hilloway, of Indiana, spoke of Grange work and Farmers' Insurance in that state.

Other visitors present were Myra Ballow, of Tum-a-lum Grange, Umatilla County; Cordella Stevens, of Ramsey, Park Range, Wasco County; Brother and Sister Carter and Sister Shattock, of Evening Star Grange, and Sister Leedy, Also Patrons from California.

Brother A. F. Miller spoke of the importance of Life and Fire Insurance. The hour was enlivened by recitations by Myra and Shirley Swallow and an original poem by Brother Eaton on the Children's Day celebration at Oswego Grange. The good of the order discussion was continued by Mr. and Mrs. Dickenson and M. S. Howard.

At the evening session a class of 27 was instructed in the mysteries of the 5th degree and all present were treated to a feast of fruit and cake and then enjoyed the following program:

Wants \$2000 Damages—

Mrs. Mary Stubbe, of Currinsville, has filed suit in the circuit court against David Warner for \$2000 personal damages. Plaintiff complains that Warner several weeks ago struck her with a fir timber and otherwise beat her with the result that she has been permanently injured. Shortly after the alleged assault Mrs. Stubbe caused the arrest of Warner on the charge of assault with a dangerous weapon, but after a jury trial in the justice court, the accused was acquitted. The injuries alleged to have been sustained by Mrs. Stubbe were received in a scuffle that followed a heated dispute as to the division line between the farms of the two combatants. C. D. and D. C. Latourette, of this city, are the attorneys for the plaintiff.

Has World's Record—

E. T. Farr, of this city, considers that he is the owner of the champion high diving dog of the world. Maximo, as the dog is called, is represented as making the leap into a net from an elevation of 70 feet, including the platform from which the dog leaps, the ladder consists of 101 rounds. At the word of command from his master, Maximo ascends the ladder and as promptly makes the leap at the word "go." Maximo is 21 months old and weighs 25½ pounds. His father was a fox terrier and his mother a collie. Mr. Farr began training the dog when but six weeks old and the distance covered in the jump was increased as the canine mastered each successive elevation. The highest leap of the kind that is recorded among sporting records is only 35 feet.

General Summary—

The past week was cool, with considerable cloudiness and some rain, which occurred principally in the coast counties and the northern portion of the Willamette Valley. The weather generally, was ideal for haying and the ripening of grain. The bulk of the hay crop has now been secured in excellent condition, and the yields nearly everywhere were above the average. Fall wheat harvest has begun, and the harvesting of barley is progressing rapidly. These crops promise to be unusually good. Spring wheat is heading and filling nicely and oats show considerable improvement since the last report. Hop lice are still numerous and a great deal of spraying was done during the week. Gardens, potatoes, field onions and corn are making satisfactory advancement. Berries continue plentiful in the markets, but apples, peaches, and pears, plums and prunes, although doing well now, promise yields smaller than usual.

Will Increase Capacity—

Portland General Electric Company, whose main general electric power station is located at the falls of this city, is making arrangements for the construction this fall of a 40,000 horse-power electric plant on the east side of the Willamette river. Four million in bonds have already been sold by the P. G. E. Co. to N. W. Harris of New York and Chicago, although the decision to issue the new securities was only made last Wednesday at a meeting of the stockholders. The other \$6,000,000 authorized will not be disposed of at the present, but will be reserved for future needs. The money secured from the first sale of bonds will be used taking up outstanding debts as well as in paying for future improvements. This company has heavy property interests in this county, most of which is located around Willamette Falls. The company already has a large plant on the west side of the river, but owing to the increase in the demand for electrical power, the company has decided to increase its plant.—Telegram.

GOOD NEWS.

Many Oregon City Readers Have Heard It and Profited Thereby.

"Good news travels fast," and the thousands of bad back sufferers in Oregon City are glad to learn that prompt relief is within their reach. Many a lame, weak and aching back is bad no more, thanks to Doan's Kidney Pills. People are telling the good news of their experience with the Old Quaker Remedy. Here is an example worth reading:

Jacob E. McCoy, of Salem, Oregon, a bridge builder and contractor, residing on Capital street, second house beyond Mill creek, says:

"I have always enjoyed good health up to five or six years ago. Along about that time my kidneys began to bother me. There was not so much backache, but the principal symptoms were in connection with the kidney secretions. A strain or over-exertion very often caused hemorrhages of the kidneys. I cannot say that it was so painful, but it was very annoying. I used various remedies and while some gave relief others were worthless. In some way Doan's Kidney Pills were brought to my notice and when up town I procured a box, taking them as directed. A few doses gave me very convincing proof that they were going to the right spot, and though I can't say they have cured me, as I may never be cured, I can state that they gave me wonderful relief. I have a high opinion of Doan's Kidney Pills and cheerfully recommend them."

Plenty more proof like this from Oregon City people. Call at C. G. Huntley's Drug Store and ask what their customers report.

For sale by all dealers. Price 50 cts. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.
