BEAUTY MORE THAN SKIN DEEP.

Good Complexion Must Come From Within.

It is the natural desire of every ambitions woman to have a clear skin and a beautiful complexion. Outward applications of powders can never do more than partially cover up a poor complexion and is apt to ruin the texture of the skin if used persistently. Constipation is responfor not only the greater part of headaches, billiousness, bad breath, torpid liver, backache and lack of energy. but for sallow, muddy complexion as well.

The right way to remove pimples, and blotches and clear up a muddy, cloudy complexion is to go right to the root of the trouble. The one remedy that will cure constipation, improve the complexion, brighten the eyes, quicken the circulation, cure sick headache and insure a clear, velvety skin is Laxikola Tonic Tablets.
