**CHAUTAUQUA SESSION AT AN END.**

Management Will Be Able to Meet All Obligations.

With Sunday's services the annual meeting of the Willamette Valley Chautauqua Association at Gladstone was ended. While the attendance was not up to that of last year, the interest was good and it is believed the receipts of the Assembly will be ample to meet all of the obligations assumed in connection with this year's meeting.

The lectures and sermon by Dr. Gungausius, of Chicago, were among the most brilliant of the session. Dr. Gungausius together with Dr. Quayle proved the main attractions at this year's meeting.

The success of this year's session, under the many unfavorable conditions, consisting of numerous counter-attractions with which the management had to contend, insures the giving of another meeting next year when it is expected conditions will be better for the success of the enterprise in a financial way.
