

Constipated All His Life.

MR. and MRS. WILBERT THOMPSON,
801 Main St., Peoria, Ill.
MULL'S GRAPE TONIC CURED HIM.

Wilbert Thompson never knew a well day until last June—he had been constipated all his life—many doctors treated him, but all failed to even help him—his health failed rapidly and on January 21, 1903, Mrs. Thompson asked us to suggest a treatment for her husband—We thought the case too serious and recommended that a specialist be consulted—but he also failed to help the patient—NOW HE IS WELL.

Mull's Grape Tonic Cured Him

Mrs. Thompson first wrote us as follows: "My husband, aged 23, suffers from sharp pains in his stomach and sometimes thinks it is his heart. Let me know by return mail what causes the pain, if you can. Mr. Thompson has been treated by several doctors, but they have given him up."
We promptly advised that a first-class specialist be consulted. We quote: "We want to sell Mull's Grape Tonic, because we know it will cure constipation. A 50c. bottle is no object to us when a human life is at stake, and if your husband's case is as serious as you state, we suggest you consult a reliable specialist, not the advertising kind, promptly." At the same time, knowing that Mull's Grape Tonic could do no harm, we advised its use until a physician could be consulted. January 23 Mrs. Thompson wrote that a physician had been consulted. He diagnosed the case as being chronic constipation and dyspepsia. His treatment was followed faithfully, but there was no perceptible improvement in Mr. Thompson's health. Then he began taking Mull's Grape Tonic and on Sept. 3, 1903, we received the following letter from Mrs. Thompson:

"You will remember that I wrote to you last January in regard to my husband's health. It is four months since he quit taking Mull's Grape Tonic for constipation, which he suffered from since birth. He took just 24 bottles of it and is perfectly cured. He is much stronger and has gained considerably in flesh. I cannot thank you enough for Mull's Grape Tonic. It is worth its weight in gold. Just \$12 cured him and he has spent hundreds of dollars with doctors who did him no good. Now I want to state my case to you and expect your early reply. I also have constipation, have had for three years. Kindly let me know as I am sure it will cure me if you say it will, as it did all you claimed it would in my husband's case. I await an early reply."
Very respectfully yours, MRS. W. H. THOMPSON, 801 Main St., Peoria, Ill.

HOW TO WIN A HUSBAND.

Woman's sphere in this 20th century is not limited any more than is man's. She can occupy almost any business position or profession, and yet the popular view of womanhood is that she best fits the position of wife and mother and head of the household. Every girl should know her heart and also know that her womanly system is equal to the strain of marriage. If a girl is nervous and irritable she chances to one it is due to some trouble peculiar to womanhood.

Cupid has no place in a girl's heart if she is nervous and irritable, feels dragged down, worn out for no reason that she can think of. The weak back, dizzy spells and black circles about the eyes are only symptoms. Go to the source of the trouble and correct the irregularity. Stop the drains on the womanly system and the other symptoms will disappear. This can be done easily and intelligently. So sure of it is the World's Dispensary Medical Association, the proprietors of Dr. Pierce's Favorite Prescription, that they offer \$500 reward for women who cannot be cured of leucorrhoea, female weakness, prolapsus, or falling of the womb. All they ask is a fair and reasonable trial of their means of cure.

Your "Favorite Prescription" cured me of alteration and indigestion, from which I suffered for many years," writes Mrs. Lelphia Weston, President Santa Barbara Lawn Tennis Club, Arlington Hotel, Santa Barbara, Calif. "Health was completely broken down when I began its use and I was in dreadful pain most of the time, but ten bottles cured me."

"Favorite Prescription" makes weak women strong, sick women well. Accept no substitute for the medicine which works wonders for weak women.

Deserves Your Patronage.

The growth of a community and the success of its local institutions depends entirely on the loyalty of its people. It is well enough to preach "patronize home industry" but except the service given at a home institution equals that of out-of-town enterprises, this argument carries no weight and is entirely disregarded, as it should be. But with Oregon City people it is different. A few months ago E. L. Johnson established the Cascade Laundry. It is equipped with the latest improved machinery and is daily turning out work that is equal to any and superior to much of the laundry work that is being done in Portland. Being a home institution and furnishing employment for many Oregon City people it is enjoying an immense patronage. The high standard of the work being done commends it to the general public. Laundry left at the O. K. barber shop will be promptly called for and delivered to any part of the city. Telephone 1294.

WILL BUILD WALKS ANYWAY.

The committee that was recently appointed by the County Court to investigate and report on the feasibility of constructing footwalks on either side of the suspension bridge across the Willamette River in this city, yesterday submitted a report declaring against the proposed improvement except the structure be materially strengthened in a number of respects. Objection to the footwalks was originally made by the bridge company that built the structure on the grounds that the proposed improvement would seriously interfere with the durability of the bridge.
