CONTINUES SATURDAY, AUGUST 12th, OUR DOORS WILL OPEN ON AN AVALANCHE OF BARGAINS CONTINUES 30 DAYS

The store has been transformed; you'll hardly recognize it. Bargains everywhere, and big price tickets, thick as bees in June time, tell a tale of price destruction that you can scarcely credit until you see the goods with your own eyes. It is a SALE of such stupendous values, that competition and customers will be over-awed at our daring. All through the store, on every article in stock, the merciless price cutter has held his sway and had his way. Nothing has escaped him, and the consequence is the most marvelous feast of bountiful bargains ever given to the public. This is the time for you to save; right now. For this stupendous sensational sale has caused your quarters to swell to dollars, and a dollar will nearly do the duty of \$5.00 on ordinary occasions.

Every dollar's worth of goods you buy here during this Sale will represent such saving that you'll ever thank your stars that we told you about it. The biggest interest that money ever drew is now held out to you in these grand values. This is a Sale of Sales. A tearing away from old moss back methods, and trampling under foot all former procedure. There are bargains here for the young, and old and middle aged and all will be most cordially welcome.

We have decided to CLOSE OUT THE GREATER PORTION OF THIS STOCK. We have served the people to the best of our ability in the past and now we ask our customers and friends to come out and help us make this Sale the biggest thing that ever occurred in your section.

It's only diet is old scrap iron and dynamite, and if anybody, man, woman, hotel keeper or newspaper man, asks us to CHARGE IT, we will just break the padlock and let "his goatship" at them, and quicker than chain lightning, he will have the would-be credit customer so mutilated that the only thing left to identify him would be the RED FRONT STORE trade mark on the Shoes he is wearing.</p>	<p>Table Linen Tips</p> <p>If a factory in Ireland had failed and given us these goods, we could not sell them cheaper.
