

Constipated All His Life.

MR. and MRS. WILBERT THOMPSON,
801 Main St., Peoria, Ill.
MULL'S GRAPE TONIC CURED HIM.

Wilbert Thompson never knew a well day until last June—he had been constipated all his life—many doctors treated him, but all failed to even help him—his health failed rapidly and on January 21, 1903, Mrs. Thompson asked us to suggest a treatment for her husband—We thought the case too serious and recommended that a specialist be consulted—but he also failed to help the patient—NOW HE IS WELL.

Mull's Grape Tonic Cured Him

Mrs. Thompson first wrote us as follows: "My husband, aged 23, suffers from sharp pains in his stomach and sometimes thinks it is his heart. Let me know by return mail what causes the pain, if you can. Mr. Thompson has been treated by several doctors, but they have given him up."
We promptly advised that a first-class specialist be consulted. We quote: "We want to sell Mull's Grape Tonic, because we know it will cure constipation, but 50c. a bottle is no object to us when a human life is at stake, and if your husband's case is as serious as you state, we suggest you consult a reliable specialist, not the advertising kind, promptly." At the same time, knowing that Mull's Grape Tonic could do no harm, we advised its use until a physician could be consulted. January 25 Mrs. Thompson wrote that a physician had been consulted. He diagnosed the case as being chronic constipation and dyspepsia. His treatment was followed faithfully, but there was no perceptible improvement in Mr. Thompson's health. Then he began taking Mull's Grape Tonic and on Sept. 8, 1903, we received the following letter from Mrs. Thompson:
"You will remember that I wrote to you last January in regard to my husband's health. It is four months since he quit taking Mull's Grape Tonic for constipation, which he suffered from since birth. He took just 24 bottles of it and is perfectly cured. He is much stronger and has gained considerably in flesh. I cannot thank you enough for Mull's Grape Tonic. 'It is worth its weight in gold.' Just \$12 cured him and he has spent hundreds of dollars with doctors who did him no good. Now I want to state my case to you and expect your early reply. I also have constipation, have had for three years. Kindly let me know as I am sure it will cure me if you say it will, as it did all you claimed it would in my husband's case. I wait an early reply."
Very respectfully yours, MRS. W. H. THOMPSON, 801 Main St., Peoria, Ill.

Jury in Case Against Congressman Williamson is Discharged.

PORTLAND, Oregon, Aug. 4.—Six for conviction, six for acquittal. For the second time the trial of Congressman J. N. Williamson, Dr. Van Gesner and Marion R. Biggs on the charge of conspiracy to suborn perjury has ended in a hung jury. Unable to agree, the jury was discharged at 9:45 o'clock this morning after 48 hours of imprisonment in the closely guarded room where they have been confined.

On motion of District Attorney Heney a third trial was immediately ordered by Judge De Haven, the date fixed being August 28.

In all 17 ballots were taken by the jury. On the first three there were seven for conviction and five for acquittal, but on the fourth ballot George Kirk changed his vote from guilty to not guilty, and thereafter the jury was evenly divided.

The vote on the last four ballots was:
For conviction: M. S. Adams, Dayton; W. D. Barclay, Benton county; James Green, Sweet Home; J. E. Lewis, Cottage Grove; Ray W. Porter, Oregon City; S. A. Tharp, Benton county.
For acquittal: R. B. Collins, Hillsboro; Henry Keene, Marion county; George Kirk, Lane county; John Mock, University; L. A. Rose, Jackson county; W. W. Scott, Creswell.

L. A. Rose, of Phoenix, Jackson county, the foreman of the jury, and one of the most insistent advocates of acquittal, made a proposition of compromise after a number of ballots had been taken. He suggested that the verdict be not guilty as to Williamson and guilty as to Gesner and Biggs. The six jurors who had been voting for conviction refused to consider the proposal and it was not brought to a vote.

THE DUTY OF ATTRACTIVENESS.

Why Every Woman Should Look Her Best.

The hand that rocks the cradle rules the world. But the woman who is truly beautiful reigns over a larger kingdom than her own family. She is admired and respected by all who know her. Nature intended that every woman should have a beautiful complexion, but intense 20th century civilization with its starchy, rich foods and unnatural conditions, has done much to rob her of her rightful heritage. The secret of good complexion is in having rich, red blood, an active liver, perfect digestion and a regular, daily action of the bowels. Every woman who cares for a good healthy color in her face, for bright eyes, a ruddy glow, a clear skin and a ruddy complexion should take Laxakola every night until her condition is just what it should be. Laxakola starts the liver going, drives out the bile that clouds the complexion, encourages the action of the bowels, and cures chronic constipation by assisting nature to do its own perfect work. If you want the bloom and charm of a clear, healthy skin, try Laxakola on Huntley Bros. Co.'s recommendation and after using a 25c bottle you see no improvement the druggist will hand back your money without the least argument.

WORTH MORE THAN THEIR WEIGHT IN GOLD.

Pepsikola Tablets of Priceless Value in Relieving Indigestion.

Health is everything. Many a millionaire would willingly part with his fortune for perfect digestion. Riches fame and the realization of every desire cannot create contentment if indigestion is making one's existence miserable. When Huntley Bros. Co. tell you that in all their experience they never knew anything so sure to relieve sour stomach, coated tongue, dizzy spells, poor appetite, lassitude and fatigue due to imperfect digestion, there must be some good reason for their confidence, and there is. Dozens of chronic old dyspeptics right here in Oregon City who despair of ever getting relief have tried Pepsikola Tablets on Huntley Bros. Co.'s recommendation and today are completely cured. Moreover, a druggist could not afford to keep on recommending an indigestion remedy unless it really will cure, for you would mighty soon lose confidence and trade at some other store. Pepsikola Tablets are a grand nerve tonic, they will give you new energy and new ambition, improve your appetite, and strengthen your digestive organs and unless they give you perfect digestion Huntley Bros. Co. will gladly pay your quarter back.

Agonizing Burns are instantly relieved and perfectly healed by Bucklen's Arnica Salve. C. Rivenbark, Jr., of Norfolk, Va., writes: "I burnt my knee so dreadfully that it blistered all over. Bucklen's Arnica Salve stopped the pain and healed it without a scar." Also heals all wounds and sores. 25 cents at Howell & Jones, druggists.

Backed up by over a third of a century of remarkable and uniform cures, a record such as no other remedy for the diseases and weaknesses peculiar to women ever attained, the proprietors and makers of Dr. Pierce's Favorite Prescription now feel fully warranted in offering to pay \$500 in legal money of the United States for any case of Leucorrhoea, Female Weakness, Protrusion, or Falling of Womb, which they cannot cure. All they ask is a fair and reasonable trial of their means of cure.
No other medicine than Dr. Pierce's Favorite Prescription could possibly "win out," as the saying goes, on such a proposition; but they know whereof they speak. They have the most remarkable record of cures made by this world-famed remedy ever placed to the credit of any preparation especially designed for the cure of woman's peculiar ailments. This wonderful remedy, therefore, stands absolutely alone as the only one possessed of such unrivaled properties as to fully warrant its makers in publishing the remarkable offer above made in the utmost good faith.
A short time ago I was almost dead with nervous prostration, general debility and female weakness," writes Mrs. Loretto Webster, of 317 Virginia Ave., Lexington, Ky., "worthy Treasurer, Independent Order of Good Templars." Dr. Pierce's Favorite Prescription was recommended to me as a sure cure, and I found this to be true, for I obtained splendid results, securing fine health. Women ought to be grateful to think there is one safe and sure cure offered to them for their troubles, to save money and suffering, and to stop spending money and wasting time with doctors' prescriptions, when a few bottles of your remedy is sure to cure. I am the happy mother of two children, boy and girl, sixteen and eight years old.
Do not permit the dealer to invent good intelligence by suggesting some other compound which he recommends as "just as good" because he makes it himself. Try Dr. Pierce's Favorite Prescription, and also the test of time and experience. The words speak well of it—because thousands have been cured by it.
