

...Short Sidehead Stories...

TERSELY-TOLD TALES OF THE WEEK'S DOINGS.

Died in This City—

Stina, wife of Hans Jensen, of Monitor, Marion county, died of peritonitis in this city last Thursday night. The deceased was aged 48 years and is survived by a husband and three children. The body was forwarded to Monitor where burial was had.

Entertained at Barlow—

Miss Mary S. Barlow, of Barlow, entertained a party of Oregon City friends Sunday at her home. The guests were Mrs. Clyde G. Huntley and daughter, Mildred; Mr. and Mrs. Edward E. Brodie, Miss Cle Barclay Pratt, Miss Marjorie Caulfield, Miss Laura Pope, Miss Nieta Harding, Miss Martha Frances Draper.

Meteorite Goes to Portland—

The Oregon Iron & Steel Company's 20-ton meteorite was last Thursday successfully loaded onto a barge and transported to Portland where it will be exhibited at the Lewis & Clark Exposition. This is the strange phenomenon that resulted in much litigation before its rightful owners were finally determined in the courts.

Celebrated Silver Wedding—

Mr. and Mrs. Rudolph Seiler, of Fourth and Madison streets, were joined on Tuesday night of last week by a number of their German friends who assisted them in a pleasant way to celebrate their silver wedding. Mr. and Mrs. Seiler were presented with an elegant silver tea set besides other appropriate gifts. Refreshments were served and the company did not disband until a late hour.

Suffered Broken Arm—

Harry Gordon, the 17-year old son of Mr. and Mrs. W. J. Gordon, broke his arm Sunday evening. He was jumping from a spring board and in making the jump he fell with one arm under his body, and broke one bone of the fore arm. The break, although a painful one, is not serious, as but one bone was broken, and he is getting along nicely.—Grants Pass Courier.—Young Gordon until a few months ago resided with his parents in this city.

Will Save Toll—

In the construction of a bridge from the island in mid-river to its extensive paper plant by the Willamette Pulp & Paper Company, the revenues of the Portland General Electric Company in the way of lockage charges will be materially reduced. The structure will eventually be of steel construction and will enable the transporting of pulp direct to the mill rather than through the locks by steamer and the paying of lockage charges as is now done.

Engineer Was Injured—

In attempting to ascend a steep grade on the road near Dickey's bridge on the Molalla river last Friday afternoon with the threshing outfit of Hermax & Kaylor, James Milton, the engineer, was painfully injured. Becoming unmanageable, the engine reversed itself, and backing against the separator, forced the machine over the embankment, demolishing the thrasher. The engineer, remaining at his post, was caught by the machinery and severely hurt.

Picnic on Tualatin—

Miss Mabel Nickum, Miss Ethel Nickum, Ralph Nickum, of Bellwood; Miss Della Young and Miss May Sheppard, of St. Johns; William E. Marshall of Russellville, and Dr. Waldo Adams, Miss Mayme Adams, Miss Hilda McGetchic.

Doctor Brigham Says

MANY PHYSICIANS PRESCRIBE
Lydia E. Pinkham's
Vegetable Compound

The wonderful power of Lydia E. Pinkham's Vegetable Compound over the diseases of womanhood is not because it is a stimulant, not because it is a palliative, but simply because it is the most wonderful tonic and reconstructor ever discovered to act directly upon the generative organs, positively curing disease and restoring health and vigor.

Marvelous cures are reported from all parts of the country by women who have been cured, trained nurses who have witnessed cures and physicians who have recognized the virtue of Lydia E. Pinkham's Vegetable Compound, and are fair enough to give credit where it is due.

If physicians dared to be frank and open, hundreds of them would acknowledge that they constantly prescribe Lydia E. Pinkham's Vegetable Compound in severe cases of female ills, as they know by experience it can be relied upon to effect a cure. The following letter proves it.

Dr. S. C. Brigham, of 4 Brigham Park, Fitchburg, Mass., writes:

"It gives me great pleasure to say that I have found Lydia E. Pinkham's Vegetable Compound very efficacious, and often prescribe it in my practice for female difficulties. My oldest daughter found it very beneficial for uterine trouble some time ago, and my youngest daughter is now taking it for a female weakness, and is surely gaining in health and strength."

"I freely advocate it as a most reliable specific in all diseases to which women are subject, and give it honest endorsement."

Women who are troubled with painful or irregular menstruation, bloating (or flatulence), leucorrhoea, falling, inflammation or ulceration of the uterus, ovarian troubles, that bearing-down feeling, dizziness, faintness, indigestion, nervous prostration or the blues, should take immediate action to ward off the serious consequences, and be restored to perfect health and strength by taking Lydia E. Pinkham's Vegetable Compound, and then write to Mrs. Pinkham, at Lynn, Mass., for further free advice. No living person has had the benefit of a wider experience in treating female ills. She has guided thousands to health. Every suffering woman should ask for and follow her advice if she wants to be strong and well.

Charles Behram, Miss Grace Marshall and Melvin McCord, of Oregon City, spent Sunday on the banks of the Tualatin River. The party went crawfishing and spent a pleasant afternoon, returning late in the day and spending the evening at The Oaks.

New Teachers in County—

Many Clackamas county teachers have recently signed contracts to teach in schools in various portions of the county, and among the number and their respective schools, are: Alma Bowman, Hood View; Florence Buchanan, Tracey school near Curranville; Christine Hamilton, Dickey's Prairie School, near Molalla; Clara Holmstrom, Stone; Jennie Noble, New Era; P. E. Dunton, Dryland; Estella Criswell, district No. 91, near Needy; Anna L. Hoppin has resigned as teacher of the primary department in the Harmony School, district No. 49.

Has Another Wife Living—

Suit to dissolve and annul a marriage contract has been instituted by Grace E. Hansen against H. C. Hansen who is charged with having a wife living from whom he had not been divorced when he wedded the plaintiff at Oregon City, in March, 1903. Evidence of her much-married husband, asserts Mrs. Hansen, was revealed to her by the receiving of letters by her husband subsequent to her marriage to him from wife No. 1. The parties to the suit reside near Aurora, and Dimick & Dimick, of this city, appear as attorneys for Mrs. Hansen.

New Grange at Russellville—

The farmers in the vicinity of Russellville will complete the organization of a Grange at the schoolhouse next Saturday night. A preliminary meeting was held last Saturday night at the schoolhouse. There are 22 members on the charter roll, and others are expected to come next Saturday night. Officers will then be elected. The Russellville district is a purely agricultural country and the outlook for a strong farmers' organization is considered promising. Deputy F. M. Gill, of Garfield, is the organizer of the Russellville Grange.

It Pays to Cultivate—

George H. Finney, a hop grower from Gervais, Marion county, was in the city Tuesday and reports that but few yards will this year produce anything near an average crop. In the same connection he says that this year above all others, the grower, who persistently cultivated his hop yard will be the gainer. Growers who frequently cultivated managed to retain in the soil practically all of the moisture during the exceedingly warm month of July, and as a result the vines made an exceptionally and healthy growth, and have matured with a paying crop.

Light Crop of Good Quality—

The Clackamas county peach crop this season was light in yield, but of superior quality and readily sold at remunerative figures. An unusually flattering endorsement of the Clackamas county product was received a few days ago by H. E. Cross, the Gladstone peach culturist, from Wilbur Newell, superintendent of Horticulture at the Lewis and Clark Exposition, who, after seeing a box of peaches from Mr. Cross' orchard, said in ordering a shipment: "Will you kindly send us your very best; a few boxes at a time as long as they last. They are wonderful and we must have a few of them, cost what they may."

Married at Boring—

A very pleasant home wedding occurred Wednesday evening, August 16th, at the home of Mr. and Mrs. George Tacheron, near Boring, when Miss Lucy Perret, daughter of Mrs. Tacheron, and Mr. Orville W. Boring, of Boring, were made husband and wife, H. L. St. Clair, the minister officiating. Both are well known and estimable young people and have the brightest prospects of a happy and useful life. The home was tastefully decorated with flowers for the occasion. The bride was becomingly attired in a gown of dotted Swiss and carried carnations. To the wedding march played by Miss Esther Vuillemler the bride and groom marched to their places unattended where the minister pronounced the simple ritual of the M. E. church.—Multnomah Record.

Was Sensational Runaway—

Mrs. Ben Smith and daughter, of California, en route to Molalla for a visit with Mrs. J. R. Cole, miraculously escaped serious injuries in a sensational runaway in this city last Thursday morning. The Molalla stage team had been left standing at the post office by the driver when the horses became frightened and dashed at break-neck speed down Main street, cleverly dodging a number of vehicles on the street. But for the presence of mind of the two lone passengers, who occupied the rear seat, they would have been badly hurt, but after the team had traversed a half dozen blocks, both ladies escaped by climbing out over the rear seat, sustaining only slight bruises as they fell upon the pavement. The horses were caught after running a number of blocks further. In attempting to stop the runaway team, Arthur Williams, of this city, was thrown against the curbing and painfully hurt.

Would it Be Cruelty to Animals?—

All sorts of complications are presented Clerk Greenman in complying with the provisions of the amended forest fire laws. But the situation was presented in another view Saturday afternoon when County Treasurer Cahill made application for a permit to burn out a hornet's nest on his farm near this city. Greenman declined to grant the application, fearing that Uncle Enos would be made liable to arrest for cruelty to animals. Mr. Cahill on the other hand contends that he would be rendering not only himself but the community a special favor and an act of great consideration should he exterminate the pest. In the meantime the county treasurer is in a quandary for he considers that under a strict inter-

THE LIVER QUARANTINE

Hurried eating has ruined many a man's stomach. The digestion-destroying process is gradual, often unnoticed at first. But it is only a short time until the liver balks, the digestive organs give way, and almost countless ills assail the man who endeavors to economize time at the expense of his health.

A torpid liver causes a quarantine of the entire system. It locks in the diseased germs and body poisons and affords them full play, inviting some serious illness.

In families where August-Flower is used, a sluggish liver and constipation are unknown, so are all stomach ailments, as well as indigestion, dyspepsia, heartburn, headaches and kidney and bladder affections. No well-regulated family should be without this standard remedy.

Two sizes, 25c and 75c. All druggists.

pretation of the forest fire law he is apt to be arrested and fined for violation of the law if he starts such a fire without first procuring a permit. He is inclined to the belief, however, that it would be a difficult matter to find a jury that would return a verdict of guilty in event of his arrest.

Will Serve as Jurors—

There are included a number of Clackamas county men in the new federal jury that has been drawn for the trial of the land fraud cases which will be resumed at Portland next week. The new jury consists of: H. Russell Albee, merchant, Portland; J. W. Bailey, druggist, Hillsboro; A. C. Alexander, farmer, Forest Grove; John F. Barrett, farmer, Portland; James Beal, fruit-grower, Portland; Jackson A. Blyeu, farmer, Seilo; George Bridewell, warehouseman, Amity; Thomas Burrows, capitalist, Salem; F. W. Durbin, hopdealer, Salem; Theodore H. Fearey, merchant, Portland; F. I. Fuller, streetcar manager, Portland; W. J. Fullerton, farmer, Warren; George E. Hargreaves, capitalist, Oregon City; W. A. Jolly, farmer, Philomath, William McKenzie, loan agent, Portland; Charles A. Morden, printer, Portland; John Murray, farmer, Aurora; F. S. Myers, salesman, Portland; William P. Olds, merchant, Portland; J. W. Partlow, farmer, Oregon City; John W. Pearl, Brownsville; Frank Richet, grocer, Portland; C. V. B. Russell, merchant, Forest Grove; William Schmeer, merchant, Portland; John Shannon, farmer, Beaver Creek; C. E. Standard, merchant, Brownsville; Walter K. Taylor, dairyman, Corvallis; Albert P. Vail, farmer, South Mount Tabor; Henry M. Van Deurs, wholesale grocer, Portland; M. H. Wilds, farmer, Albany.

DANGER IN DELAY.

Prompt Action Must Be Taken to Preserve Health.

Kidney troubles are dangerous because they creep on so stealthily that they get a firm grip on the victim before he is aware of it. They manifest themselves in such varied forms that they are easily mistaken for other diseases.

Make no mistake.
Do not delay.
Treat the kidney now.
The kidneys are sick and will not get well unless you use a kidney medicine. Doan's Kidney Pills is the certain, safe and prompt remedy for the kidneys only. It cures.

G. S. Cooper, farmer, living three miles northeast of Salem, Oregon, on the Garden road, says:

"I very often lifted heavy weights, but have since regretted having done so, as the result was that I strained my back and ever after had more or less trouble from dull, aching pains across my loins and other symptoms of kidney complaint. In some way Doan's Kidney Pills were brought to my notice and the first time I went to town I dropped into a drug store and inquired about them. I was told that they were highly recommended and advised to give them a trial. I did so. And while I did not follow the treatment as regularly as I should have done, being a poor hand to take any kind of medicine, the benefit derived from their use stamps them as a remedy which acts fully up to the representations made for it."

Plenty more proof like this from Oregon City people. Call at C. G. Huntley's drug store and ask what his customers report.

For sale by all dealers. Price 50 cts. Foster Milburn Company, Buffalo, N. Y., sole agents for the United States. Remember the name, Doans, and take no other.

A special day at the Lewis & Clark Exposition has been named in honor of Hon. F. X. Matthieu, the sole survivor of the 52 pioneer settlers of the Oregon country who voted to establish an American civil government in that vast section, on the 2d of May, 1842. The vote took place at a trading point called Champeog, about thirty miles south of Portland, and the proposition was bitterly opposed by the Canadians and other subjects of Great Britain who were present. By a majority of only two votes the Americans won, and thus established the first American civil government west of the Rocky Mountains. Mr. Matthieu, though a French-Canadian, sided with the Americans. He has lived ever since within three miles of the historical spot. September 15 has been chosen as the day on which he will be honored at the exposition.

"I had a running, itching sore on my leg. Suffered tortures. Doan's Ointment took away the burning and itching instantly and quickly effected a permanent cure." C. W. Lenhart, Bowling Green, O.

To All Lovers of Good Music

We carry a large stock of the Victor Talking Machines and Victor Disk Records and Edison Phonograph and Edison Cylinder Records

The Victor is so perfect that it is often mistaken for the human voice. There is no limit to the variety of selections this matchless instrument will recite for you.

The Edison has always been a wonderful device, but Mr. Edison's recent improvements have placed it in the foremost ranks as a charming musical instrument.

We will sell the Victor Machines at \$17.50, \$20.00, \$25.00, \$27.50, \$32.50, \$35.00 and \$45.00.

Victor 7 inch records 50c each or \$5.00 per dozen
" 10 " " 1.00 " 10.00 " "
" 12 " " 1.50 " 15.00 " "

Edison Phonographs at \$10.00, \$20.00 \$30.00 and \$50.00.

Edison Records 35c each.

Why not come in and listen to these Machines. Free Concerts daily.
