CHANGED HER APPEARANCE.

An Oregon City Woman's Ambition Realized.

Nearly every woman in the world wants to be beautiful and attractive, for if it were only skin deep, beauty is desirable from every standpoint. And perfect beauty means perfect health. If one's complexion is at fault, it is due in most cases to improper diet, a torpid liver, high living, impure blood, and constipation. After trying lotions and skin foods with disappointing results, a prominent Oregon City lady was induced to try Laxakola tonic tablets and in her case they have worked wonders. They act as a real tonic, enrich the blood, stimulate the liver, encourage the action of the bowels, put new life in the skin and clear up the complexion by assisting nature, to do its own perfect work. Huntley Bros. have been selling Laxakola tonic tablets for some time now and from the rapidly increasing demand Oregon City ladies must find them beneficial in every way. There is absolutely no risk, for a 25 cent package of Laxakola Tonic Tablets must do all we claim or we will promptly return your money.
