MT. PLEASANT.

Mrs. Bell Holmes, of Portland, is visiting relatives at Rose Farm. Mr. and Mrs. C. P. Andrews have returned from an outing at North Beach. Mr. W. B. Partlow and son James have gone to Seaside for a two weeks' outing. Mrs. John P. Riegin and Mrs. Charles Clark left for Pennsboro, New Jersey last Monday, after a two weeks' visit with their brother, W. B. Stafford. Homer Roman is very ill with typhoid fever at the home of his grandfather. Miss Stella Reid and Miss Koern of Lewiston, Idaho, are guests of Mrs. E. E. Kellogg. The residents of Rose Farm, after enjoying a pleasant visit with a cousin, Mr. William R. Holmes, from Cameron, Missouri, have had a very sad experience to follow. Mrs. O'Neill and Mr. Holmes left Rose Farm Monday, September 4th, to spend the day at the Fair, they separated in the evening, Mr. Holmes leaving for a short visit at Seaside. He returned to Portland the next evening and informed his landlady that he intended taking an early train east the following morning; as Mr. Holmes did not appear at a proper hour, the landlady supposing he had over-slept, went to his room and found him dead on the floor near his door. The fumes of gas told the story. It is thought Mr. Holmes turned on the gas in turning off the electric light, as both gas and electricity were used in the house. Mrs. O'Neill and Miss Holmes were informed of the sad affair and immediately telegraphed relatives in the east. Funeral director Finley took charge of the remains. Mr. Wilson Holmes, a brother of the deceased, and Mr. Mason Evans, a brother-in-law, arrived Monday morning and left Tuesday evening with the body for Cameron, Missouri.

LIKE FINDING MONEY.

Finding health is like finding money—so think those who are sick. When you have a cough, cold, sore throat, or chest irritation, better act promptly like W. C. Barber, of Sandy Level, Va. He says: "I had a terrible chest trouble, caused by smoke and coal dust on my lungs; but after finding no relief in other remedies, I was cured by Dr. King's New Discovery for Consumption, Coughs and Colds." Greatest sale of any cough or lung medicine in the world. At Howell & Jones' drug store; 50c and \$1.00; guaranteed. Trial bottle free.

SHUBEL.

The long-looked for rain has come at last. W. D. Hill and family, who left last year for east of the mountains, are here for a few weeks. The hop-pickers went on a strike Tuesday morning refusing to pick hops unless 50 cents per box was paid. The demand was granted. Miss Alice Kurz of Salem, visited at the home of Chris Hornshuh last week. Christ Moehke, Henry Hettman, Otto and Lydia Hornschuch and Alice Kurz attended the Fair last week. Grandpa Glinther of Ely who has been visiting relatives here returned to his home Sunday. Henry, Otto and Alvin Brandt, of Oregon City, called on relatives here Sunday. Frank Grossmiller and Henry Hettman called on Robert Glinther Sunday. Hazel Glinther has returned from a visit with relatives at Mount Scott. Fred Cleve had a runaway last week which very nearly resulted fatally to himself. Coming down Beeson Hill his team became frightened, ran into the bridge, upset and smashed the wagon. This is the second accident on this hill within a year, one man being killed. Perhaps a dozen more accidents will cause the county court to look after and fix that road. Ella Hornshuh spent Sunday here. Otto Hornshuh has returned to Salem. Hazel Glinther, Rose Moehke and Della Blum will leave soon for school. Hazel and Rose will enter the High School at Oregon City, and Della will resume her studies in Portland High School from which she will graduate next June. Amanda Descher is picking hops in Highland. Ellen Moehke is visiting relatives at Clarks.

CHANGED HER APPEARANCE.

An Oregon City Woman's Ambition Realized.

Nearly every woman in the world wants to be beautiful and attractive, for if it were only skin deep, beauty is desirable from every standpoint. And perfect beauty means perfect health. If one's complexion is at fault, it is due in most cases to improper diet, a torpid liver, high living, impure blood and constipation. After trying lotions and skin foods with disappointing results, a prominent Oregon City lady was induced to try Laxakola tonic tablets and in her case they have worked wonders. They act as a real tonic, enrich the blood, stimulate the liver, encourage the action of the bowels, put new life in the skin and clear up the complexion by assisting nature to do its own perfect work. Huntley Bros. have been selling Laxakola tonic tablets for some time now and from the rapidly increasing demand Oregon City ladies must find them beneficial in every way. There is absolutely no risk, for a 25 cent package of Laxakola Tonic Tablets must do all we claim or we will promptly return your money.

CANBY.

Lutcke Bros. shipped a carload of hogs last Tuesday. Cal. Koehler has returned from Condon, Oregon, where he put in the summer threshing. Fred Roth will return to Corvallis Friday, to attend the O. A. C. Mr. Haset has recently moved to the county seat near which he has purchas-

ed a tract of land. Rev. John Samuelson has purchased a 40-acre tract of timber of Mrs. Roth. The land joins Mrs. Sleight's place. A. M. Mellum, arrived Monday morning from North Dakota, with a car load of stock, farm implements, etc. He has purchased a farm two miles east of Canby.

The splendid rain of Monday night and Tuesday, was welcome from every consideration, but that of hop-picking. But it is hoped that it will not seriously interfere with that industry. The infant child of F. A. Rosenkrans was taken very ill last Monday and after a while its life was despaired of, it is thought, however, it is thought to have a chance for recovery.

Repairs and improvements costing about \$100 are to be made on the interior of the Methodist church right away. The plan is to have it done in the next two weeks in order that all may be in readiness for the first Sunday after Conference.

Diphtheria made its appearance again last week, the victim being the child of A. Ahren. It is not known to have been exposed to the disease and as great care has been taken to prevent its spreading, no further cases are expected. The child is now nearly well.

John F. Koehler, a well-known citizen of this place, died last Friday at his home after a long illness. The funeral was conducted from the residence at 10:30 Sunday morning by Rev. Theo. Schureur, of Portland and interment was had at Zion cemetery. Mr. Koehler was born in Germany, but was a veteran of the Civil War, having come to America in 1852. He leaves a widow and four children: Mrs. J. M. Price, of Eureka, Washington; J. W. Koehler, and F. W. Koehler, of Portland, and J. G. Koehler, of Canby.

TRUTH STRANGER THAN FICTION.

Surprising Statements Vouched for by Huntley Bros.

All of us who know Huntley Bros. are confident that they would make none but straightforward, honest statements, and when they tell you of the many Oregon City people who have suffered for years with indigestion and have been cured through using Pepsikola tablets we must believe every word is true. No other remedy so quickly relieves and cures sour stomach, heartburn, coated tongue, nervousness, insomnia, debility, that run-down, tired-out feeling, and every other trouble arising from poor indigestion. Huntley Bros continue to sell Pepsikola tablets with the understanding that you can have your 25 cents back in case you are in the least disappointed. In the face of these facts nobody should hesitate an instant to avail themselves of the opportunity to regain perfect digestion, perfect health, renewed energy, new vigor and new vitality through the use of a remedy that does not cost a penny should it fail to do all that is claimed. There is no risk to you whatever and we ask you to try it on Huntley Bros' guarantee.

NEEDY.

All rejoice over the rain, and all took a rest from hop picking till the storm was over. Mrs. Workman, from Nebraska, is visiting at McGonagall's. Jack Kerr and McGonagall made a flying trip to Aurora Tuesday. Clarence Reams is quite ill with a fever. Leone Mohr and May Price were out walking one evening enjoying the dust. R. W. Ritter has gone to Aurora to dry hops for Chris Limmerman. Avon Jesse was hurt quite badly Saturday. It seems he and another boy were wrestling in the hopfield and Avon accidentally fell onto an open jack knife and cut his left arm quite badly. He is getting along very well now. On September 15th there will be given a dance in the Thompson Hall. Everybody invited. Good music will be insured by the Banfield orchestra.

DOVER.

A refreshing rain August 27. Mt. Hood received a new white dress. Several of our people are hop-picking. An infant son, three weeks old, of Mr. and Mrs. Joseph Woodie, died Tuesday, September 5. Rev. C. O. Branson and wife are stop-

DOING NO HARM.

Showers Considered Beneficial to Growing Hop Crop. All authorities agree that the present visitation of rain to this section is of inestimable value to the growing hop crop, and are of the opinion that it will increase the quality materially, said Wednesday's Salem Statesman.

The only harm that it will do, or is possible for it to do now, is that, by prolongation, indefinitely, it may cause the pickers to become discouraged and leave the yards. There is little or no danger on this score, however, as picking proceeded in most of the yards in the vicinity of Dallas and Independence yesterday, notwithstanding the intermittent showers, and full kilns were gathered.

It is reported that some little dissatisfaction arose in the Gilbert & Patterson yard, near Bala, on Monday, which assumed the proportions of a strike, but the differences were quickly and satisfactorily adjusted, and the whole crew went to work yesterday morning. So far as can be learned no trouble has occurred between the pickers and growers of any yard in this vicinity so far this season and none is looked for. To date the reports being received from the fields indicate the yield is coming down well and the hops are in prime condition, but none ventures to place a reliable estimate upon the probable yield for this state.

Conditions in this section of the Valley are the same as those about Salem. But the fears of growers that continued rain will tend to discourage pickers, resulting in a shortage of help, is more than probable. Both the train and boats Portland bound Tuesday night were crowded with pickers returning to their homes. On its down trip, the O. C. T. Company's boat was obliged to stop at practically every landing and pick up a party of pickers, who, disgusted with the unfavorable weather conditions, were starting for their homes.

No damage will result to the crop except the rain continues for a few days longer. The crops in Clackamas County are of exceptional quality, generally, this year. Some yards are disappointing to the growers, but while the yield in a great many of yards is below the average in quantity, its quality is well up to expectations. Joel & Scherrubel report a very satisfactory crop of baby hops this year.

PIRATING FOLEY'S HONEY AND TAR

Foley & Co., Chicago, originated Honey and Tar as a throat and lung remedy, and on account of the great merit and popularity of Foley's Honey and Tar many imitations are offered for the genuine. These worthless imitations have similar sounding names. Beware of them. The genuine Foley's Honey and Tar is in a yellow package. Ask for it and refuse any substitute. It is the best remedy for coughs and colds. Huntley Bros Co.
