### CHANGED HER APPEARANCE.

#### An Oregon City Woman's Ambition Real-Ized.

Nearly every woman in the world wants to be beautiful and attractive, for if it were only skin deep, beauty is desirable from every standpoint. And perfect beauty means perfect health. If one's complexion is at fault, it is due in most cases to improper diet, a torpid liver, high living, impure blood and constipation. After trying lotions and skin foods with disappointing results, a prominent Oregon City lady was induced to try Laxakola tonic tablets and in her case they have worked wonders. They act as
