Vol. 38. NO. 46. OREGON CITY, OREGON, FRIDAY, OCTOBER 13, 1905. ESTABLISHED 1866

Gladstone Residence and Acre Tracts

On O. W. P. and Railway Line

It has been determined to put one-hundred acres at Gladstone on the market in acre tracts.

It will be sold in quantities as desired and on very easy terms to purchasers.

These tracts are immediately on the line of the O. W. P. and Ry. line and are many of them in good cultivation. Much of the soil is the finest garden land and rich enough to raise onions.

These tracts can be so divided as to present an ideal building site on one of the best streets in Gladstone and extend back to include the finest garden land and all in cultivation. Purchasers willing to take unimproved or partly improved tracts can do so at very reasonable figures.

Prices of tracts fronting on the motor line will be \$300.00 per acre, and from that on down to \$50.00 per acre.

Understand we propose to sell a tract of level rich garden land on the main line of the railway for \$300.00, or we will sell you six acres on the main county road to Portland for the same price.

On these cheaper tracts the timber will more than pay for half the purchase price.

Remember we will and intend for sixty days, and no longer, to sell a large number of acre tracts in Gladstone for \$50.00 per acre, and every one of these tracts will have a frontage on the main county road to Portland.

The terms in all cases will be made fair and to suit the convenience of customers.

Oregon City is rapidly growing northward, and any property fairly situated lying between this city and Portland is better than money in the bank.

We mean business. Come and make your selections.

An abstract with each purchase, showing a complete title free of all incumbrance.

AWARDS ARE MADE

CLACKAMAS COUNTY PRODUCERS RECOGNIZED AT FAIR.

Washington County, However, Takes First Money—List of Our Prize Winners.

In the Oregon county competition for the greatest number of agricultural awards at the exposition, and the distinction of capturing the largest number of first medals, the work of the jury already indicates which will be triumphant, reports the Sunday Journal. There is no prospect of any other county reaching Washington in the number of awards, as that stalwart old agricultural section leads with a total of 116, while the second best, Linn, has but 105. Umattilla undoubtedly will stand first in the capture of gold medals, as it leads Marion by three, and the other awards to be made will not affect this final figure. All others save Linn and Washington fall materially below 100 in totals.

There is a spirit of victory with the commissioners in charge of the leading counties. They have awaited the decisions eagerly, to wire the result to their homes, and yesterday many messages were sent and congratulations received. As the awards cover agricultural products exclusively there is yet hope with some of the counties that the finals, embracing everything may affect the county standing to some extent.

Baker county received a total of 25 awards, seven gold medals and 12 silver medals; Benton 14 awards, nine gold and three silver medals; Columbia six awards, five gold and one silver medal; Clackamas 27 awards, 7 gold and nine silver medals; Douglas 25 awards, 10 gold and six silver medals; Harney four awards, one gold and two silver medals; Jackson 45 awards, 29 gold medals and 12 silver medals; Lane 61 awards, 21 gold and 24 silver medals; Lincoln three awards, one gold and one silver medal; Linn 105 awards, 41 gold and 40 silver medals; Marion 77 awards, 43 gold and 23 silver medals; Malheur 25 awards, five gold and 10 silver medals; Morrow 78 awards, 27 gold and 39 silver medals; Polk 88 awards, 27 gold and 33 silver medals; Umattilla 85 awards, 45 gold and 33 silver medals; Wasco, 43 awards, 13 gold and 16 silver medals; Washington 112 awards, 39 gold and 59 silver medals; Wallowa 23 awards, nine gold and nine silver medals; Yamhill 32 awards, 18 gold and 10 silver medals. No returns have yet been made for Coos, Crook, Sherman, Tillamook and Union counties. Union may be a close competitor, as it had a fine exhibit in the agricultural line.

Owing to the fact that the Oregon counties exhibited much more extensively than counties of other states, the county contest will be confined largely to this state. This has not reduced the interest, as all visitors have been impressed with the magnificence of the agricultural display from Oregon, and have awaited impatiently announcement of awards to see which led.

Commission Announces Awards.
The comparative standing of twenty-four Oregon counties in their competition for special awards offered by the state at the Lewis & Clark Fair was made public last evening, says Wednesday's Oregonian. The results of this competition and the awarding of prizes was made by an impartial jury composed of executive commissioners from outside the state. Their findings were presented at a banquet given last evening at the American Inn by the Lewis and Clark State Commission to the representatives of exhibiting counties.

In their work of passing upon the various county exhibits the special jury found competition so close and the showings made so uniformly excellent that it was necessary to split the awards. The prize of \$1000 for the best county exhibit was distributed among Marion, Coos, Linn, Umattilla, Wasco and Lane counties. The second award of \$500 was divided among Clackamas, Columbia, Jackson, Polk and Morrow counties. The third award of \$300 was divided among Benton, Yamhill, Malheur, Union and Baker counties. For the fourth award of \$200 there are seven claimants: Wallowa, Washington, Sherman, Josephine, Lincoln, Harney and Douglas counties.

The following is the list of awards so far made to Clackamas county, the information being furnished the Enterprise by W. Grisenthwaite. There are some classes that have not been passed on, viz: Flour, wool, hops, pottery, paintings and several on grains and grasses.

- Oregon City Manfg. Co., cloths, gold medal; blankets, silver medal, and honorable mention on made-up shirts, etc.

HAS A GOOD SHOW

MOLALLA GRANGERS CHOW THE CREAM OF THEIR PRODUCTS.

Very Creditable Agricultural Exhibit Held at Interior Town—Premium Awards.

Molalla has held its first Fair and made it a grand success, notwithstanding the terrible weather we had to contend with; which goes to prove that after all, Molalla people, north, south, east and west, can be depended on in an extreme case of emergency, writes Dr. J. W. Thomas, of that thriving settlement. Those that were "too busy" to assist in any way, can also congratulate themselves that while they were enjoying peaceful slumbers, the faithful ones were "burning mid-night oil" to drive the enterprise along.

While it was a free Fair for everybody it paid running expenses from the sale of two quilts. Ralph Sawtell got the quilt No. 1, and James Dickey Quilt No. 2. The lower hall served as the pavilion, the upper hall as the Art Gallery, the School House Hall, the Auditorium, the horse shed the stock pens, the high places on the ground the "Trail" and the low places the Lake.

BARTON BRIDGE IS ABANDONED.

Necessary Subscription for Its Construction Was Not Forthcoming

The project of building a bridge across the Clackamas river at Barton has been abandoned by the County Court which has ordered returned to the Portland Bridge & Building Company, the successful bidder, the certified check that accompanied its bid.

The building of this structure was vigorously opposed from the beginning by the Oregon City Board of Trade and a great many of the Grange organizations throughout the county for the reason that the benefits resulting therefrom would not be commensurate with the cost and would be to the advantage of only a small section of the county.

When the building of the bridge was first suggested to the court, the members of that body computed the cost of the structure and agreed to appropriate not to exceed \$6000 for the improvement. The Portland firm agreed to perform the contract for \$12,500, but the friends of the bridge, even with a substantial subscription from the O. W. P. & Ry. Co., could not raise the balance and the building of the bridge has gone by default.

DEMURRER HAS BEEN FILED.

Defense Makes Initial Move in Franchise Injunction Suit.

City Attorney Franklin T. Griffith has filed a demurrer to the complaint in the injunction suit that was instituted last week to restrain Councilmen Mason, Chapman and Justin from voting on the pending Oregon Water Power & Railway Company's freight franchise.

The demurrer sets forth that the court has no jurisdiction of the persons of the defendants or the subject of the suit, that the plaintiff, Wm. Andresen, has no legal capacity to sue and that the complaint does not state facts sufficient to constitute a cause of suit against the defendants or either of them.

This is the suit brought by interested property owners and taxpayers to prevent the granting by the City Council of a thirty-five-year freight franchise to the street railway company.

A boon to travelers. Dr. Fowler's Extract of Wild Strawberry. Cures dysentery, diarrhoea, seasickness, and nausea. Pleasant to take. Acts very promptly.

Royal Baking Powder helps the housewife to produce at home, quickly and economically, fine and tasty cake, the raised hot-biscuit, puddings, the frosted layer-cake, crisp cookies, crullers, crusts and muffins, with which the ready-made food found at the bake-shop or grocery does not compare.

Royal is the greatest of bake-day helps.

Very Creditable Agricultural Exhibit Held at Interior Town—Premium Awards.

There were about 500 entries and many exhibits brought in at the "Eleventh hour" after the judges of awards were out on their duties.

The Yoder Brass Band furnished the greater part of the music, which was well appreciated. Had the weather been favorable for a concentrated mass of humanity, "Portland Day" at Lewis & Clark, would have hardly been in it (everything considered). Many expressed themselves that the Molalla Fair exceeded the Clackamas county exhibit in many respects.

The "Howard Bread Premium" was awarded to Mrs. E. T. B. Thomas, 1st, and Mrs. Della Shaver, 2d, for best bread baked from Howard's Flour. In the juvenile department for the 3 best apples, Ross Sawtell got the rifle, and Peadi Harless the mending tools, awarded by J. W. Thomas, for the best display of fruit.

The exhibit was a varied one, and showed the wonderful resources of Molalla country, from Table Rock to the county's Western boundary. In the premium list there may be some errors and no notice given many worthy exhibits, by being overlooked on account of the great rush for time. Awards were made as follows:
