

FAIR HAS SURPLUS

DISPOSITION OF \$1,200,000 BALANCE NOT DETERMINED.

Statement of Admissions, Free and Paid During the Exposition.

While the final reports of the various departments of the Lewis and Clark Exposition will not be compiled and made public for at least two weeks to come, a full statement of the admissions, paid and free, was obtained by the Oregonian yesterday.

The official records of the admissions department shows that the paid admissions during the entire Exposition period amount to 1,580,617, and the free admissions to 971,163. This brings the total of 2,551,780, which represents the exact number of times the turnstiles have ticked.

The number of tickets sold and not used is sufficient to bring the figure to 554,848. On Portland day alone there were more than 1400 tickets sold that did not pass into the ticket machines at the entrances.

The records for June show that during the first month there was a total of 209,368 paid admissions, as against 209,884 free. During the 15 days of October the Fair remained open the paid admissions were nearly as heavy as during all of June. The returns for this period of 15 days shows 204,875 paid admissions and 108,708 free.

A comparative statement by months is presented in the appended table:

Table with columns for Month, Paid, Free, Total. Rows for June, July, August, Sept, Oct.

Totals 1,580,617 971,163-2,551,780 While the number of free admissions seems large, it is explained by Exposition officials that most passes used were those held by employees. A force of 3500 people was employed at various parts of the grounds, and a majority of these employees not only entered each morning but left at noon for luncheon, and in many cases returned in the evening. Then there were a large number of free admissions on special days to children, pioneers, soldiers, conventions delegates, etc.

Whatever may be done in the way of applying the surplus remaining in the treasury of the Lewis and Clark Exposition to creation of a permanent memorial of the Fair in some form will be largely decided by the heads of the transcontinental railroads and management of the street railway companies of Portland. Among the heaviest subscribers to stock of the corporation were the railroad systems centering at Portland, with a total investment in the enterprise of \$50,000, of which the Southern Pacific and O. R. & N. companies each gave \$15,000. Mr. Harman subscribing the amount for the two corporations, and C. S. Mellen, then president of the Northern Pacific, subscribed \$20,000 for that company and the Great Northern. The City and Suburban Company subscribed \$10,000, the Portland Water Power & Railway Company \$30,000. The management of the Portland Railway Company is therefore the present holder of \$17,000 of the stock. These subscriptions total \$70,000, or almost one-fifth of the total stock of the corporation. No official action has been taken by the management of the street railway companies and there is no local official having authority to act for the railroads, but doubtless their recommendations will carry much weight with the financial heads of the respective companies.—Oregonian.

FIFTH ANNUAL GRANGE FAIR. To be Held at Milwaukie Grange Hall, October 20 and 21.

The programme will be as follows: Friday, October 20—Fair opens at

THE LIGHT OF OTHER DAYS.

Not very many years ago alcohol was used for lighting in combination with other fluids under the name of "Camphene," but it suffered banishment because it was too dangerous.

Alcohol is generally harmful when taken in the form of medicine, especially to a delicate system. Dr. Pierce's tissue-rebuilding and function-strengthening plan of treatment is following after Nature's plan. He uses natural remedies, that is native medicinal roots, prepared by processes wrought out by the expenditure of much time and money, without the use of alcohol, and by skillful combination in the most exact proportions.

Used as one of the active ingredients of Dr. Pierce's Golden Medical Discovery, BLACK CHERRYBARK specially exerts its influence in cases of lung and bronchial troubles, and this "discovery" is, therefore, a sovereign remedy for bronchitis, laryngitis, chronic coughs, catarrh and kindred ailments.

The names of the medicinal ingredients of this world-famous remedy are: Golden Seal root, Queen's root, Stone root, Black Cherrybark, Bloodroot and Mandrake root.

"I have had such a wonderful experience with Dr. Pierce's Golden Medical Discovery that I do not hesitate to recommend it, believing it to be a wonderful medicine to build up the tissues of the system," writes Miss Jessie Brown, Secretary Emerson Literary Association, 426 Sherman Avenue, Appleton, Wis. "Worry and nervous troubles had completely run-down my health and strength; had no appetite, slept badly, and was in a state of nervous collapse. I took several bottles in all, and, each week, knew that I was getting better and stronger, until finally I was as well and strong as I had ever been. I have the utmost faith and confidence in your medicine, and wish to thank you for my good health, which is a blessing to anyone."

For 21 one-cent stamps to cover cost of mailing, you can get a free copy of the "Common Sense Medical Adviser," paper-covers; or cloth-bound for 31 stamps. Address Dr. R. V. Pierce, Buffalo, N. Y.

Dr. Pierce's Pleasant Pellets should be used with "Golden Medical Discovery" whenever a laxative is required.

10:30 a. m.; baby show at 2:30 p. m.; addresses by prominent speakers at 8:00 p. m. Saturday, October 21—Award of premiums, 10:30; auction sale of exhibits, 1:30; dance at W. O. Hall, 8:00 p. m. Admission to dance, including lunch, 50c. Refreshments will be served in the W. O. W. Hall during the fair. Admission Free. Everybody come.

TREATY HAS BEEN RATIFIED.

Main Features of Russo-Japanese Peace Treaty.

The main features of the Russo-Japanese peace treaty, as it has been ratified by the Emperors, are as follows: Russia acknowledges Japan's paramount interests in Korea and engages not to obstruct any measures Japan may see fit to adopt; Russian subjects to be accorded treatment equal to that given subjects of most favored nation.

Japan and Russia mutually engage to evacuate Manchuria, except that portion affected by the Liaoting leases, and to restore the territory to China. They agree not to obstruct China's measures for government of the territory.

Russia transfers to Japan her leases of Port Arthur and the Liaoting Peninsula.

Russia cedes to Japan the important railways leading to Port Arthur. Russia and Japan agree to use their railways solely for commercial purposes, and in no wise for strategic purposes.

Russia cedes to Japan the southern portion of the Island of Sakhalin and adjacent islands, reserving the right for her citizens to retain their residence and property rights therein.

Russia grants fishing privileges on the northeast coasts to Japanese subjects. Renewal of the commercial treaty existing before the war is provided for. Prisoners of war to be exchanged as soon as the peace treaty becomes effective. Russia agrees to pay Japan the excess paid by Japan for the care of prisoners above the amount paid by Russia.

In case of disagreement as to the interpretation of the French and English texts of the treaty, it is agreed that the French text shall prevail.

An addenda to the treaty provides for immediate evacuation of Manchuria and the delimitation of the international boundary line on the Island of Sakhalin by a commission.

Bright's Disease and Diabetes News.

The John J. Fulton Co. of San Francisco, First in the World to Announce the Cure and Present a Definite Percentage of Recoveries (87 per cent) and Give Out Lists of the Cured.

Here are some of the San Francisco recoveries. All of them were declared by physicians to be incurably ill with Bright's Disease or Diabetes: N. W. Spaulding, President Spaulding Saw Co.; Adolph Weske, founder Cal. Cracker Co.; Carl D. Zelle, pioneer druggist; Chas. Engelle, editor San Francisco Journal; R. M. Wood, editor Spirit Review; Edward Short, of the Call; C. A. Newton, yardmaster S. P. Co. (Sacramento); John A. Phelps, Hotel Repeller; Mrs. M. Empey, 120 Steiner St.; Mrs. S. E. Cline, 1737 Broadway; Mrs. P. Gorbenev, 928 Fillmore St. (tapped 38 times); R. C. Pell, Manager Pacific Coast Biscuit Co.; F. J. Bachelder, Pacific Coast Agt. Seth Thomas Clock Co.; E. B. Cutler, Attorney, 330 Pine St.; Wm. Hale, Real Estate, 215 Sansome St.; Mrs. C. G. Mathewson, Proprietor Hotel Clifton; Thos. Haskins, Merchant (Petaluma); Col. Wm. Hawkins, U. S. Quartermaster's Department; Chas. F. Wacker, Merchant, 131 6th St.; Mrs. Thos. Christol, 426 27th St., and hundreds of others. Some were at death's door when put on this medicine, but many such recovered. That many were in extreme cases may be learned from twofifths of uraemic poisoning; many had from four to six physicians confirm the fatal diagnosis; several left standard hospitals in extremis; several had relatives called in for last interviews, and a few recovered who were in a state of absolute coma.

In a word about 87% of all cases of Bright's Disease and Diabetes, heretofore positively incurable, are now curable under the John J. Fulton Compound. The Royal Compound for Bright's and Kidney Disease is \$1; for Diabetes, \$1.50. Pamphlet free. We have just established a depot in your city where you will find the Compound and pamphlets, viz:

Over-Work Weakens Your Kidneys.

Unhealthy Kidneys Make Impure Blood.

All the blood in your body passes through your kidneys once every three minutes. The kidneys are your blood purifiers, they filter out the waste or impurities in the blood. If they are sick or out of order, they fail to do their work.

Pains, aches and rheumatism come from excess of uric acid in the blood, due to neglected kidney trouble.

Kidney trouble causes quick, or unsteady heart beats, and makes one feel as though they had heart trouble, because the heart is over-working in pumping thick, kidney-poisoned blood through veins and arteries.

It used to be considered that only urinary troubles were to be traced to the kidneys, but now modern science proves that nearly all constitutional diseases have their beginning in kidney trouble. If you are sick you can make no mistake by first doctoring your kidneys. The mild and extraordinary effect of Dr. Kilmer's Swamp-Root, the great kidney remedy is soon realized. It stands the highest for its wonderful cures of the most distressing cases and is sold on its merits by all druggists in fifty-cent and one-dollar sizes. You may have a sample bottle by mail. Home of Swamp-Root, free, also pamphlet telling you how to find out if you have kidney or bladder trouble. Mention this paper when writing Dr. Kilmer & Co., Binghamton, N. Y.
