

Our Correspondents' Corner

Brief Bits of Gossip From All Parts of the County.

Correspondents are requested to re-
new their work. We will furnish all
necessary stationery. The news from
your neighborhood should appear in
these columns every week.

A WORD TO CORRESPONDENTS.

Nothing is more annoying than to
have proper names miss-spelled. These
mistakes are bound to occur at times,
but by carefully preparing your manu-
script and writing all proper names
very carefully, these errors can be
largely avoided. The Enterprise re-
quests correspondents to be especial-
ly careful in this respect. In doing
so they will be of great assistance to
the printer and will save both them-
selves, the printer and the proof read-
er all sorts of censure.

STAFFORD.

(Left over from last week.)

On Tuesday, Mr. Nimick's little
girl while playing was so
unfortunate as to get the large bone
in one leg broken. The telephone was
out of commission, just when needed
most, and it was some hours after
the little thing had been taken home
by a neighbor, before a physician
could be summoned. Dr. Mount re-
sponded to the call and soon reduced
the fracture, and left the sufferer com-
paratively easy. At last accounts she
was resting easy.

gon, made his grandparents, Mr. and
Mrs. Gage a visit on his way to San
Francisco, leaving on Wednesday for

day evening, it being Mrs. Gage's 70th
birthday, to wish her as many more,
happy birthdays.

Some horses have the distemper.
Some prominent farmers are club-
bing together to buy some fine sta-
tions exhibited at the Fair.

HOW TO CURE CORNS AND BUN- IONS.

First, soak the corn or bunion in
lukewarm water to soften it; then
pare it down as closely as possible
without drawing blood and apply
Chamberlain's Pain Balm twice daily,
rubbing vigorously for five minutes at
each application. A corn plaster
should be worn a few days to protect
it from the shoe. As a general lin-
iment for sprains, bruises, lameness
and rheumatism, Pain Balm is un-
equaled. For sale by Geo. A. Harding.

The Better Way

The tissues of the throat are
inflamed and irritated; you
cough, and there is more irrita-
tion—more coughing. You take
a cough mixture and it eases the
irritation—for a while. You take

SCOTT'S EMULSION

and it cures the cold. That's
what is necessary. It soothes the
throat because it reduces the
irritation; cures the cold because
it drives out the inflammation;
builds up the weakened tissues
because it nourishes them back
to their natural strength. That's
how Scott's Emulsion deals with
a sore throat, a cough, a cold,
or bronchitis.

COUNTERFEITING THE GENUINE.

Foley & Co., Chicago, originated
Honey and Tar as a throat and lung
remedy, and on account of the great
merit and popularity of Foley's Honey
and Tar many imitations are offered
for the genuine. These worthless im-
itations have similar sounding names.
Beware of them. The genuine Foley's
Honey and Tar is in a yellow package.
Ask for it and refuse any substitute.
It is the best remedy for coughs and
colds.

A JUDICIOUS INQUIRY.

A well known traveling man who
visits the drug trade says he has often
heard druggists inquire of customers
who asked for a cough medicine,
whether it was wanted for a child or
for an adult, and if for a child they
almost invariably recommend Cham-
berlain's Cough Remedy. The reason
for this is that they know there is
no danger from it and that it always
cures. There is not the least danger
in giving it, and for coughs, colds and
croup it is unsurpassed. For sale by
Geo. A. Harding.

FULL OF TRAGIC MEANING.

Are these lines from J. H. Simmons
of Casey, Ia. Think what might have
resulted from his terrible cough if he
had not taken the medicine about
which he writes: "I had a fearful
cough, that disturbed my night's rest.
I tried everything, but nothing would
relieve it, until I took Dr. King's New
