

# Our Correspondents' Corner

Brief Hits of Gossip From All Parts of the County.

Correspondents are requested to re-  
new their work. We will furnish all  
necessary stationery. The news from  
your neighborhood should appear in  
these columns every week.

## A WORD TO CORRESPONDENTS.

Nothing is more annoying than to  
have proper names mis-spelled. These  
mistakes are bound to occur at times,  
but by carefully preparing your man-  
uscript and writing all proper names  
very carefully, these errors can be  
largely avoided. The Enterprise re-  
quests correspondents to be especial-  
ly careful in this respect. In doing  
so they will be of great assistance to  
the printer and will save both them-  
selves, the printer and the proof read-  
er all sorts of censure.

Health is absolutely impossible, if  
constipation be present. Many se-  
rious cases of liver and kidney com-  
plaint have sprung from neglected  
constipation. Such a deplorable con-  
dition is unnecessary. There is a  
cure for it. Herbine will speedily  
remedy matters. C. A. Lindsay, P.  
M. Bronson, Fla., writes, Feb. 17,  
1902: "Having used Herbine, I find

### THE ORIGINAL.

Foley & Co., Chicago, originated  
Honey and Tar as a throat and lung  
remedy, and on account of the great  
merit and popularity of Foly's Honey  
and Tar many imitations are offered  
for the genuine. These worthless im-  
itations have similar sounding  
names. Beware of them. The genu-  
ine Foly's Honey and Tar is in a  
yellow package. Ask for it and re-  
fuse and substitute. It is the best

to the roof of the barn.

# Consumption

There is no specific for  
consumption. Fresh air, exer-  
cise, nourishing food and  
Scott's Emulsion will come  
pretty near curing it, if there  
is anything to build on. Mil-  
lions of people throughout the  
world are living and in good  
health on one lung.

From time immemorial the  
doctors prescribed cod liver  
oil for consumption. Of  
course the patient could not  
take it in its old form, hence  
it did very little good. They  
can take

# SCOTT'S EMULSION

and tolerate it for a long  
time. There is no oil, not  
excepting butter, so easily  
digested and absorbed by the  
system as cod liver oil in the  
form of Scott's Emulsion,  
and that is the reason it is so  
helpful in consumption where  
its use must be continuous.

We will send you a  
sample free.

Be sure that this  
picture in the form  
of a label is on the wrap-  
per of every bottle of  
Emulsion you buy.

Gillett, secretary and treasurer. The  
school is quite interesting and attend-  
ance good. But not enough yet, we  
see so many boys playing ball on  
Sunday that one hour in the Sunday  
School would be of far more moral  
and physical benefit.

The church yard is being cleaned  
up and fence painted. Let all the  
residents take an interest in seeing

on display at Everhart's store will  
be drawn on Tuesday before Thanks-  
giving providing the numbers are all  
sold. Somebody will get a prize for  
10 cents. The quilt was made by a  
lady that is a cripple and in poor  
health, so help the afflicted, by buy-  
ing a number. Mr. Harrington is  
getting well from the severe kick a  
horse gave him a few weeks ago at  
Moran & Bruyl's shop.

worm on the face, has attacked sever-  
al children in this place, and seems  
to spread over the face causing con-  
siderable irritation, but not serious,

to stay at home.

(Cure—Take equal parts of com-  
mon fresh lard and pulverized black  
gun powder; mix thoroughly in form  
of a paste; and apply to the ring  
worm.—Ed.)

### A DISASTROUS CALAMITY.

cure headache, dizziness, colic, consti-  
pation, etc. Guaranteed at Howell &  
Jones drug store; 25c.

### MAN'S UNREASONABLENESS

is often as great as woman's. But  
Thos. S. Austin, Mgr. of the "Repub-  
lican," of Leavenworth, Ind., was not  
unreasonable, when he refused to al-  
low the doctors to operate on his  
wife, for female trouble. "Instead," he  
says, "we concluded to try Electric  
Bitters. My wife was then so sick,  
she could hardly leave her bed, and  
five (5) physicians had failed to re-  
lieve her. After taking Electric Bit-  
ters, she was perfectly cured, and can  
now perform all her household du-  
ties." Guaranteed by Howell & Jones  
druggists, price 50c.

ing alternate months for six months.  
Mrs. Brayton and Mrs. Ingram are  
the captains. Each selection counts  
so many points, and the losing side  
has to treat the Grange at the end of  
the contest. It is hoped this plan
