TERSELY-TOLD TALES OF THE WEEK'S DOINGS.

**Pays More State Taxes**—County Treasurer Enon Cahill paid into the state treasury \$12,000 to apply on the Clackamas County state tax. There remains a balance due the state of \$5,000. The total tax was \$14,000.

**New Waiting Room**—The residents of Gladstone are more than proud of the new waiting room that has been provided at that station by the Oregon Water Power and Railway Company. The improvement was greatly needed.

**Doing Well in Oregon City**—Geo. Bingham, formerly of Corvallis, but now of Oregon City, arrived in town Tuesday evening. Wednesday he went over to Alsea to spend a few days with Zahn brothers hunting. Mr. Bingham says that he is pretty well satisfied in Oregon City, he is clearing \$1,000 per year.—Corvallis Gazette.

**More Teachers Assigned**—The following have been recently added to the list of Clackamas County teachers: J. W. Thornberry, Dorfer; J. W. Egan, Firwood; Mark H. Hancock, Damascus; Nellie Beckert, Cherryville; Pearl Weaver, Alsea; G. D. Brown, Glad Tidings; F. B. Boggs, Scotts Mill; Leola Dunham, Colton.

**Found Guilty and Were Fined**—As the sequel of family trouble, John M. Olds and Edward Higgins, convicted by a jury in the justice court last Friday of assault and battery on Charles Reese, Old's brother-in-law, were fined \$50 each and costs. The case had been appealed to the circuit court. Reese, the complaining witness, was severely beaten.

**Ripe Strawberries any Old Time**—Mrs. W. A. Heylman and Mrs. L. G. Herrington went to Clackamas October 15 and picked five quarts of nice, ripe strawberries from a patch of Lovett's on Dan Talbert's ranch, says the Estacada News. He had about an acre of Magoons in full bloom. Dr. Talbert had strawberries last year for Thanksgiving dinner. He cleared \$200 this summer from his patch of Lovett berries.

**Committee Ends Its Work**—The executive committee having in charge the exhibit from this county at the Lewis and Clark Fair held a meeting Tuesday and closed up all business matters pertaining to the exhibit from this county. In the ward of premiums, Clackamas County received \$100 of the third premium, together with the allowance of \$500 from the state. The exhibit is worth \$800. The substantial features of an exhibit are being preserved as a nucleus for future exhibits.

**Kill Monster Cougar**—Sunday, Or. Cutting and son, of Molalla, killed one of the largest cougars that was ever killed in the county. The animal weighed 175 pounds and measured 6 feet 6 inches. Mr. Cutting being himself a stockraiser, declined to accept any of the rewards

that had been offered by other cattlemen of the vicinity in which the cougar had extensively operated among the goat herds, one farmer losing as many as 25 head.

**Treated Wife Cruelly**—In a suit for divorce filed here, Octavia Aupund charges Andre A. Aupund with having practiced cruel treatment towards her to the extent that she was frequently obliged to leave the home in order to avoid him. Plaintiff represents that her husband earns from \$250 to \$300 at his business and asks the court to allow her permanent alimony of \$50 per month and give her the custody of one minor child. The parties were married in Nebraska in July, 1897.

**Did Not Even Take a Drink**—E. A. Brady's saloon was entered early Wednesday morning, but nothing of value was taken, the stock not even being disturbed. It is the belief of Mr. Brady that the visitors were after money, but the proprietor does not believe in having that sort of bait about his place of business and there was not to be had any of the filthy lure. Mr. Brady is positive he locked securely both entrances to the building when he suspended business for the night, but both doors were found ajar the following morning. It is believed entrance was gained by a pass key through the side door.

**An Entertaining Program**—For originating novel and entertaining programmes and then successfully carrying them out to the complete entertainment of large audiences, the King's Daughters of St. Paul's Episcopal church, of this city, are not to be excelled. Annually during the Halloween season these young ladies give an appropriate entertainment and that given at the Armory last Friday evening was all that could be desired. More than forty young people participated in the programme which consisted of a number of clever dances and exercises in costume. Following the programme dancing was indulged in until nearly midnight.

**Added to Forest Reserve**—A general news item from Washington says that about 23,400 acres in the Eastern edge of Clackamas county are to be added to the Cascade forest reserve within a short time, this area having been withdrawn from all save mineral entry. On the tract in question rises the South fork of the Clackamas river and several lesser streams and moreover, the land in question contains much valuable timber. The proposed addition lying about 65 miles southeast of Portland is as follows: Sections 2, 4, 6, 8, 10, 12, 14, 22 to 28 both inclusive and 32, 33, 34 and 35 in township 1 south, and range 5 east, and sections 27, 28, 29, 30, 32, 33, 34, and 35, in township 4 south, range 6 east.

**Fight for Dead Man's Gold**—Alleging that the late W. C. Lichtenhaler executed a will subsequent to the instrument that was admitted to probate last week, the heirs of the

"As true as I tell you, doctor dear,  
"I'm feelin' finer than ever I've been!"

The poor consumptive should not be the victim of experiment, as he often is, but the moment the dread disease manifests its presence he should be given Bosclee's German Syrup—a pure, non-alcoholic medicine that is made specially for the cure of consumption, and has a world-wide fame as a certain remedy for catarrh, colds, coughs, croup, sore throat and all bronchial affections in old and young. It is sold in all civilized countries, and has been famous as a consumption cure for almost half a century.

deceased have filed contest proceedings in the Probate Court. By the terms of the instrument that has been probated, the estate, which consists of \$5,000, with the exception of minor bequests of from 10 cents to \$1 each to various relations, is left to one brother, F. M. Lichtenhaler, of Portland. The will that is probated was executed in 1902 and the contesting heirs contend that the deceased executed a will subsequent to that date. Lichtenhaler's dead body was found a few days ago at his cabin near Wilsonville.

**Repairing the Bridge**—Bridge Builder McKay, of Oregon City, who does most of the county bridge building and repairing, has had a number of men at work the past week repairing the Clackamas river bridge. The old structure was in a tottering condition and it is taking a large quantity of heavy timber to put it in a safe condition once more. Nearly every piece of timber in the bridge needs replacing with new material, and even the main parts of the structure, which at first was thought in a safe condition, has been found to be sadly in need of repairs. However, after Mr. McKay gets through with his work, the public need not hesitate at passing over the bridge.—Estacada News.

**Moore Won the Bet**—E. J. Noble, alias "Bones," the faithful local agent for the Oregon Water not as a rule do things by halves. But last Friday afternoon he found himself the victim of circumstances and could not help himself. While comfortably reclined in a chair at the O. K. tansorial parlors, Jos. Goodfellow, who is something of a practical joker, entered the shop just as Luther Moore had half-shaved the transportation company's agent. "I'll give you a dollar if you will turn Noble out as he is," interrupted Goodfellow. "I am from across the Mississippi river," retorted the man who was handling the razor, "and you will have to make a practical demonstration." Goodfellow produced the necessary coin, whereupon operations were suspended by the knight of the razor and the unfortunate victim of the joke, leaving the chair, washed the lather from his face, and coolly proceeded down Main street in the transaction of his company's business, returning a few hours later to have the job finished. Goodfellow, however, is of the opinion that he was jobbed for he thinks the other two fellows divided the proceeds.

**Popular Cartoons**—The art of newspaper illustration in its present form is a development of recent years. Newspaper cartoons have become a most popular feature of up-to-date metropolitan daily papers. The unique and catchy drawing now appearing daily on the front page of the Chicago Record-Herald is one of the many special features of the great paper. The Record-Herald has been fortunate in securing one of the best young artists in the country to carry out its popular policy of presenting each day a humorous and good-natured cartoon. Mr. Ralph Wilder is one of the coming men in newspaper work. His success has been as pronounced as it has been rapid. He shows all of the good-natured humor and the brighter side of everyday common life which has carried his work to a very popular success. His drawings are on all of the various subjects of popular interest, political and otherwise. Current events are vividly portrayed in a way that pleases, yet often giving just criticism in a way that does not offend. Through his excellent work on eastern magazines Mr. Wilder first attracted universal attention. The Record-Herald recognized in him at once a cartoonist of unusual promise, and congratulates its readers on having been fortunate enough to engage him.

**Would Not Accept**—Sheriff Shaver the other day received two brief letters the contents of which caused a broader smile than usual to take possession of his naturally pleasant face. The letters came as a result of mailing notifications to those who were recently drawn for jury service at the November term of the Circuit Court and whose residence is so far distant from the city as to make it inconvenient to obtain personal service. Accompanying the notifications were blank forms of acceptances which the recipients of the letter from the Sheriff's office were requested to fill out and return. This was done in a majority of instances but in two cases, the pros-

# OPERATIONS AVOIDED

Two Grateful Letters from Women Who Avoided Serious Operations.—Many Women Suffering from Like Conditions Will Be Interested.

When a physician tells a woman, suffering from ovarian or womb trouble, that an operation is necessary it, of course, frightens her. The very thought of the operating table and the knife strikes terror to her heart. As one woman expressed it, when told by her physician that she must undergo an operation, she felt as if her death knell had sounded. Our hospitals are full of women who are there for ovarian or womb operations!

It is quite true that these troubles may reach a stage where an operation is the only resource, but such cases are much rarer than is generally supposed, because a great many women have been cured by Lydia E. Pinkham's Vegetable Compound after the doctors had said an operation must be performed. In fact, up to the point where a knife must be used to secure instant relief, this medicine is certain to help. The strongest and most grateful statements possible to make come from women who, by taking Lydia E. Pinkham's Vegetable Compound, have escaped serious operations. Margrite Ryan, Treasurer of St. Andrew's Society, Hotel English, Indianapolis, Ind., writes of her cure as follows: "I cannot find words to express my thanks to the good Lydia E. Pinkham's Vegetable Compound did me. The doctor said I could get well unless I had an operation for ovarian and female troubles. I knew I could stand the strain of an operation and made my mind I would be an invalid for life. Mrs. Pinkham's Advice—A Woman Best Understands a Woman's Ills.

Hearing how Lydia E. Pinkham's Vegetable Compound had saved other women from serious operations I decided to try it, and in less than four months I was entirely cured; and words fail to express my thankfulness."

Miss Margret Merkle of 275 3d Street, Milwaukee, Wis., writes:

Dear Mrs. Pinkham:— "Loss of strength, extreme nervousness, severe shooting pains through the pelvic organs, cramps, bearing down pains, and extreme irritation compelled me to seek medical advice. The doctor, after making an examination, said that I had ovarian trouble and ulceration, and advised an operation as my only hope. To this I strongly objected—and I decided as a last resort to try Lydia E. Pinkham's Vegetable Compound. "To my surprise the ulceration healed, all the bad symptoms disappeared, and I am once more strong, vigorous and well; and I cannot express my thanks for what it has done for me."

Ovarian and womb troubles are steadily on the increase among women—and before submitting to an operation every woman should try Lydia E. Pinkham's Vegetable Compound, and write Mrs. Pinkham at Lynn, Mass. for advice.

For thirty years Lydia E. Pinkham's Vegetable Compound has been curing the worst forms of female complaints, all ovarian troubles, inflammation, ulceration, falling and displacement of the womb, leucorrhoea, irregularities, indigestion and nervous prostration. Any woman who could read the many grateful letters on file in Mrs. Pinkham's office would be convinced of the efficiency of her advice and Lydia E. Pinkham's Vegetable Compound.

### CURE YOUR KIDNEYS.

Do Not Endanger Your Life and Your Health When a Cure is so Easy.

Why will people continue to suffer the agonies of kidney complaint, backache, urinary disorders, lameness and stiffness in the back, and allow themselves to become chronic invalids, when a certain cure is afforded them? Doan's Kidney Pills is the remedy to use because it gives to the kidneys the help they need to perform their work. Doan's Kidney Pills cure, and cure permanently. If you have any, even one of the numerous symptoms of kidney complaint, cure yourself now, before diabetes, dropsy or Bright's disease sets in. Read this testimony.

Mrs. Conradina Arnold, of 440 East First St., Albany, Oregon, says:

"Doan's Kidney Pills did me a deal of good. I used them for rheumatic pains across the small of my back and down through the sides which were very severe when I stooped to lift anything or sat in one continued position for any length of time. I got Doan's Kidney Pills and commenced their use. I began to get better right away and continued taking them. They soon relieved me and I have had very little trouble since. I shall always try to keep Doan's Kidney Pills in the house and will recommend them at every opportunity."

Plenty more proof like this from Oregon City people. Call at C. G. Huntley's drug store and ask what his customers report. For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

It stops irregularities and builds up the whole system.

### SUES COUNTY FOR DAMAGES.

In an action for \$2000 damages filed against Clackamas county Tuesday, Webke Krohn alleges that while driving over the Highland road last winter, she was thrown from the wagon, by reason of a collision with a rut in the roadway, and sustained permanent injuries. Plaintiff is represented by Hedges & Griffith. A number of similar actions against the county for damages, based on an alleged faulty condition of the roads, have resulted unsuccessfully to the claimants.

### LIVERYMAN LOSES A RIG.

Stranger Hires Conveyance for Short Drive—Fails to Return.

H. S. Moody, proprietor of the Fashion Stables in this city, this week lost a horse and buggy of which he has not been able to obtain the slightest trace. Sunday afternoon a young man aged about 20 years, engaged the rig saying he desired to drive to Jones' Mill and would return within three hours. He has not yet put in an appearance.

The stranger wore a militia campaign hat and a blue coat and vest of military uniform. "Queen" is the name of the stolen animal which is 15 years old. The buggy is a Mitchell vehicle, black, and the side curtains are numbered 10 as is also the frame beneath the seat. Mr. Moody offers a reward for any information concerning his stolen property.
