HOW IT WILL WORK

ESSENTIAL FEATURES OF DIRECT PRIMARY NOMINATING LAW.

Electors Should Acquaint Themselves with New Method of Naming Candidates for Office.

Following are the sections from the new primary election law which give the methods of procedure in naming candidates for office:

Section 2.—On the forty-fifth day preceding any election (except special elections to fill vacancies presidential elections, municipal elections in towns or cities having a population of less than two thousand, and school elections) at which public officers in this state and in any district or county, and in any city having a population of two thousand or more at which public officers are to be elected, except as provided in section 6 of this law as to time in certain cities and towns, a primary nominating election shall be held in accordance with this law in the several election precincts comprised within the territory for which such officers are to be elected at the ensuing election which shall be known as the primary nominating election, for the purpose of choosing candidates by the political parties subject to the provisions of this law for Senator in Congress and all other elective state, district, county, precinct, city, ward and all other officers and delegates to any constitutional convention or conventions that may hereafter be called, who are to be chosen at the ensuing election wholly by electors within this state or any subdivision of this state and also for choosing and electing the county central committeemen by the several parties subject to the provisions of this law.

Section 3.—The election precincts provided by section 2762 and the judges and clerks and the polling places provided by section 2763, Bellinger and Cotton's Annotated Codes and Statutes of Oregon, shall be the same for the primary nominating elections provided for in this law, and it shall be the duty of the judges and clerks so provided for to act as such at all primary nominating elections herein provided for, except as otherwise provided for by section 6 of this law.

In all election precincts in which second boards of judges and clerks have been or may be appointed as required by section 2764 of Bellinger and Cotton's Annotated Codes and Statutes of Oregon, and in which an aggregate of more than one hundred members of all or any of the political parties subject to the provisions of this law are registered as such before the day of the primary nominating election, the said board of judges and clerks shall meet at 7 o'clock p. m. at their respective polling places and thereafter the boards of judges and clerks shall proceed at the primary nominating election as required by said section 2764 at a general election.

Section 4.—It shall be the duty of the county clerk thirty days before any primary nominating election, to prepare printed notices of such election and mail two of said notices to each judge and clerk of election in each precinct; and it shall be the duty of the several judges and clerks immediately to post said notices in public places in their respective precincts.

Section 5.—The provisions of sections 2764, 2766, 2767, 2768, 2769, 2771, 2772, 2773 2774, 2775, 2776, 2777, 2778, 2779, 2780, 2781 2782, 2783, 2784, 2785, 2786, 2787, 2788, 2789, 2790, Bellinger and Cotton's Annotated Codes and Statutes of Oregon, except as to the time of opening the polls of said primary nominating election, which shall be at 12 o'clock noon, shall apply to and are hereby made applicable to primary nominating elections under the provisions of this law, except in so far as they may be modified herein or be in conflict herewith, and each poll book at the primary nominating election shall have a column headed with the name of each party so making its nominations, for writing in the voter's party number as his general number and provided that he receives his ballot, in addition to the purpose of the primary nominating elections, there shall be added to the form of oath prescribed by said section 2774, the words: "and that you are in good faith a member of the political party with which you are registered."

Section 6.—The nomination of candidates for municipal offices by the political parties subject to the provisions of this law shall be governed by this law in all incorporated towns and cities having a population of two thousand and upward as shown by the last preceding national or state census. All petitions by the members of such political parties for placing the names of candidates for nomination for such municipal offices on the primary nominating ballots of the several political parties shall be filed with the city clerk, recorder or auditor, as the case may be, of said several towns and cities, and it shall be the duty of such officers to prepare and issue notices of election for such primary nominating elections in like manner as the several county clerks perform similar duties for nominations by such political parties for county offices at primary nominating elections; and in such towns or cities holding their municipal elections at the same time as any general election it shall be the duty of said clerk, recorder or auditor as the case may be, on the fifteenth day before the time of holding such primary nominating election, to prepare and certify and deliver to the county clerk of the county in which said city or town is situated, a list of the candidates for nomination who have filed valid petitions or nomination at such primary nominating election, and all the information in such petitions concerning the said candidates for nomination for municipal offices; whereupon it shall be the duty of said county clerk to arrange in the manner provided by this

law the names and information concerning all the candidates for such nomination for city offices contained in the certificate of said city clerk, recorder or auditor; to certify and post the same in his office and to cause the same to be printed upon the sample ballots and upon the official ballots of the several political parties to be used at the several polling places within the limits of every such city or town, together with the names of the candidates for state, county and district offices at such primary nominating election as required by this law, and conform to the general provisions of this law as nearly as may be; and in cities and towns containing a population of two thousand and upward not holding their municipal elections at the same time the general elections are held, the duties imposed by this law on the county clerk at primary nominating elections, are hereby as to all said last described towns and cities, designated to be the duties of the city clerk, recorder or auditor, as the case may be of said towns and cities as to primary nominating elections of the political parties subject to the provisions of this law; provided that in such last named cities and towns the primary nominating election shall be held on the thirtieth day preceding their municipal elections.

Under the provisions of this law the lawfully constituted legislative and executive authorities of cities and towns within the provisions of this section not holding their municipal elections are held, shall have such power and authority over the establishment of municipal voting precincts

and wards, municipal boards of judges and clerks of election, and other officers of their said municipal elections, and other matters pertaining to municipal primary nominating elections required for such cities and towns by this law that such legislative and executive authorities have over the same matters at their municipal elections for choosing the public officers of said cities and towns.

And further that nothing in this act contained shall be construed as altering or repealing any provision of the charter of any such last described city or town providing for the appointment of judges and clerks of election by the council or other lawfully constituted authority of such city or town or as altering or repealing any of the provisions of the title XXVII of Bellinger and Cotton's Annotated Codes and Statutes of Oregon providing for the appointment of judges and clerks of election in towns and cities organized under the provisions of said title XXVII.
