### A WORD TO CORRESPONDENTS.

Nothing is more annoying than to have proper names mis-spelled. These mistakes are bound to occur at times, but by carefully preparing your manuscript and writing all proper names very carefully, these errors can be largely avoided. The Enterprise requests correspondents to be especially careful in this respect. In doing so they will be of great assistance to the printer and will save both themselves, the printer and the proof reader all sorts of censure.

### CURE YOUR KIDNEYS.

Do Not Endanger Your Life and Health When a Cure is So Easy.

Why will people continue to suffer the agonies of kidney complaint—urinary disorders, lameness and stiffness in the back, and allow themselves to become chronic invalids, when a certain cure is afforded them? Doan's Kidney Pills is the remedy to use because it gives to the kidneys the help they need to perform their work. Doan's Kidney Pills cure, and cure permanently. If you have any, even one of the numerous symptoms of kidney complaint, cure yourself now, before diabetes, dropsy or Bright's disease sets in. Read this testimony:

Mrs. Conradina Arnold, of 440 East First St., Albany, Oregon, says:

"Doan's Kidney Pills did me a deal of good. I used them for rheumatic pains across the small of my back and down through the sides which were very severe when I stooped to lift anything or sat in one position for any length of time. I got Doan's Kidney Pills and commenced their use. I began to get better right away and continued taking them. They soon relieved me and I have had very little trouble since. I shall always try to keep Doan's Kidney Pills in the house and will recommend them at every opportunity."

Plenty more proof like this from Oregon City people. Call at Dr. C. G. Huntley's drug store and ask what his customers report.

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.
