A TRULY IDEAL WIFE HER HUSBAND'S BEST HELPER

Vigorous Health is the Great Source of the Power to Inspire and Encourage—All Women Should Seek It.

One of the most noted, successful and richest men of this century, in a recent article, has said, "Whatever I am and whatever success I have attained in this world I owe all to my wife. From the day I first knew her she has been an inspiration, and the greatest help-mate of my life."

Mrs. Bessie Ainsley

To be such a successful wife, to retain the love and admiration of her husband, to inspire him to make the most of himself, should be a woman's constant study.

If a woman finds that her energies are flagging, that she gets easily tired, dark shadows appear under her eyes, she has backache, headaches, bearing-down pains, nervousness, whites, irregularities or the blues, she should start at once to build up her system by a tonic with specific powers, such as Lydia E. Pinkham's Vegetable Compound. Following we publish by request a letter from a young wife:

"Ever since my child was born I have suffered, as I hope few women ever have, with inflammation, female weakness, bearing-down pains, backache and wretched headaches. It affected my stomach so I could not enjoy my meals, and half my time was spent in bed. Lydia E. Pinkham's Vegetable Compound made me a well woman, and I feel so grateful that I am glad to write and tell you of my marvelous recovery. It brought me health, new life and vitality."—Mrs. Bessie Ainsley, 611 South 10th Street, Tacoma, Wash.

of his relatives greater apprehension as to his safety. Prior to his leaving home, young King made conflicting statements to acquaintances, telling some that he proposed to go to California while he declared to others that Eastern Oregon was his destination. Young King served in the Philippines during the Spanish war.

Would Be Chief—
The resignation of Frank McGinnis as Chief of the Oregon City Volunteer Fire Department has been received by the Board of Fire Commissioners. Mr. McGinnis is now located in Georgia where he has accepted the superintendency of a paper mill at a lucrative salary. E. L. McFarland, present assistant chief of the department is a candidate to succeed Mr. McGinnis. Mr. McFarland has for years been a member of the city's band of volunteer firemen and has at all times taken a live and active interest in the work of this important department of the city's government. He is in natural line of promotion for the place and by reason of his deserving qualities and his popularity among his fellows, it is more than probable that his aspirations in this regard will be realized.

Eagles Will Give Dance—
Elaborate arrangements are being made by the Oregon City Aerie of Eagles for their dancing party that is to be given at the Armory, Wednesday evening, November 15. The general committee in charge of the affair consists of Dr. H. S. Mount, C. W. Kelly, and Sam Stow. Other committees working out the details of what promises to be a repetition of last year's pleasant party are as follows: Hall and music—J. Goodfellow, J. M. Price and Harry E. Draper; reception—Richard Greaves, Dr. W. E. Carl, G. B. Dimick, Dr. C. A. Stuart, J. M. Price, C. W. Evans, Dr. E. A. Sommer, J. P. Keating, H. Pusey, George Murphy, C. G. Huntley and Mr. Sinnott. Competent committees on advertising and decorating have been named and the floor committee on the night of the dance will consist of: Lake May, chairman; Harry E. Draper, Ted Osmond, H. Henningsen, Dr. H. S. Mount, George Simmons, Ed. Rechner, J. Goodfellow, W. A. Dimick, Ralph Johnson and Len Confer.

YOUR COMPLEXION. An Index to Health and Personality.

Health is wealth. You cannot hope to be successful in life unless you are healthy, and you can not be healthy nor personally attractive unless you live sensibly and follow health rules. One of the secrets of remaining youthful is simplicity. Nearly all facial blemishes like pimples and blackheads are caused by some error in diet, but it is comparatively easy to be rid of these facial defects if you keep the pores of the skin open by soft hot water face baths at night, and rubbing vigorously with coarse cloth or Turkish bath towel. Perfect beauty means perfect health. Everything conducive to your general health should be striven for with untiring persistence. The greatest enemy of good complexion is constipation. The one remedy that will cure constipation biliousness, dizzy spells, sick headache, and insure a clear, velvety skin is Laxakola Tonic Tablets. They open the pores, enrich the blood, stimulate the liver, encourage the action of the bowels and assist nature to do its own perfect work. Huntley Bros. Co., will pay your 25 cents back unless you receive the benefits expected.

"Ghosts," as played by Harry Mestayer and Company, is a "Thought" provoking drama, and one that appeals to its audience in a more serious frame of mind than usual. But the play is an unusual one. While we have had Ibsen's drama presented to us, it is the first time that it has been done by this talented young artist who seems to have been born for the part. Ibsen's drama is not merely a story of a brilliant young artist's destruction through heredity of the afflictions or a mother's vain sacrifice. It is more, behind the tragedy of Oswald Alving is the tragedy of Oswald's father, the joy loving counterpart of Oswald, who was doomed to the dull conventional hypocritical routine of Society in a small town. The undertone of Ibsen's "Ghosts" is the suppression of nature and truth under the load of dogmas and old saws generally, the believing in one life and living another. A great many people will leave the theatre saying that "Ghosts" is horrible—yes, it is even immoral; but at the same time it gives us truth, and truth is sometimes horrible, but in this Janus-headed world of ours, Ibsen's story is the clarion call of the Twentieth century.—Tear off the mask. "Ghosts" will be presented under the management of Oliver Morosco, at the Shively Opera House one night, Monday, November 13th.

Mr. Thos. George, a merchant at Mt. Elgin, Ontario, says, "I have had the local agency for Chamberlain's Cough Remedy ever since it was introduced into Canada, and I sell as much of it as I do of all other lines I have on my shelves put together. Of the many dozens sold under guarantee, I have not had one bottle returned. I can personally recommend this medicine as I have used it myself and given it to my children and always with the best results." For sale by Howell & Jones.

RIFLE DISCHARGED IN WAGON.
Clackamas County Boy is Killed Almost Instantly.
Clarence Larson, a 15-year-old boy living at Stafford, was accidentally shot and almost instantly killed Saturday afternoon about 5:30 o'clock, near his parents' home. Clarence and a younger brother went to a nearby potato field to dig potatoes. They took a rifle with them to shoot at any game they might come across.

INDIGESTION'S RECORD

"The best remedy I can prescribe for your indigestion, madam, is Green's August Flower. I know of several other physicians who prescribe it regularly."
Indigestion is making an awful record as a cause of sudden deaths. It is beating heart-failure in its ghastly harvest. You read in the papers daily of apparently healthy and even robust men being suddenly attacked with acute indigestion after enjoying a hearty meal, and of their dying in many cases before a physician could be called in.
This should be a warning to you who suffer with regular or periodical attacks of indigestion. If these unfortunate victims of acute indigestion had taken a small dose of Green's August Flower before or after their meals they would not have fallen a prey to such sudden seizures. August Flower prevents indigestion by creating good digestion. It also regulates the liver, purifies the blood and tones up the entire system in a natural way.

They loaded their sacks of potatoes on a sled, threw the gun on top of the sacks. Clarence got on the rear end of the sled and the smaller boy took the front seat and drove the team. In a few moments the younger boy heard a report from the gun, and on looking around he discovered that Clarence was shot. He drove rapidly to the house, and at once a messenger was dispatched to Oregon City for a surgeon.
The boy died in 20 minutes after the accident. The coroner was notified, but he thought it unnecessary to hold an inquest as the shooting was plainly accidental.

IN TIME OF PEACE.

In the first months of the Russia-Japan war we had a striking example of the necessity for preparation and the early advantage of those who, so to speak, "have shingled their roofs in dry weather." The virtue of preparation has made history and given to us our greatest men. The individual as well as the nation should be prepared for any emergency. Are you prepared to successfully combat the first cold you take? A cold can be cured much more quickly when treated as soon as it has been contracted and before it has become settled in the system. Chamberlain's Cough Remedy is famous for its cures of colds and it should be kept at hand ready for instant use. For sale by Howell & Jones.

NEW DISTRICT DENIED.

Teachers of County Will Hold a Meeting the Last of November.
The Clackamas County District Boundary Board held its quarterly meeting in this city Saturday afternoon, and dismissed the petition to create a new district from Nos. 22 and 92, for the reason that the new district would break up No. 22 entirely, not allowing a sufficient population and means to conduct a school. The

Impoverished Soil

Impoverished soil, like impoverished blood, needs a proper fertilizer. A chemist by analyzing the soil can tell you what fertilizer to use for different products.

If your blood is impoverished your doctor will tell you what you need to fertilize it and give it the rich, red corpuscles that are lacking in it. It may be you need a tonic, but more likely you need a concentrated fat food, and fat is the element lacking in your system.

There is no fat food that is so easily digested and assimilated as

petition to detach a part of district No. 5 and attaching it to district No. 92 was granted, and the same action was taken attaching a portion of district No. 66 to district No. 19, in the vicinity of Sandy. DR. FINN'S TESTIMONY. INTERESTING.

Dr. Thomas Finn, of Boonsboro, Mo., who has practiced medicine for 32 years, says he has used every prescription known to the profession for treatment for kidney and bladder diseases, and says he has never found anything so effective in both chronic and acute kidney and bladder trouble as Foley's Kidney Cure. It stops irregularities and builds up the whole system. At Huntley Bros. Co.

To a discriminating audience "The Marriage of Kitty" appeals irresistibly and the flavor of life on the Continent, with its manners and conventionalities, brings up the memories of travels read of or experienced. The last two acts, at "Kitty's" villa at Lake Geneva, give an opportunity for scenic picturesqueness. The immense success of this play last season proves that this style of high-class, pure, wholesome comedy finds favor everywhere. There is much interest in the announcement of its appearance at Shively's Opera House on Saturday, November 11th, with charming Alice Johnson at the head of the excellent company of comedians which Manager Jules Murry has provided for this successful play.

BILIOUS ATTACK QUICKLY CURED

A few weeks ago I had a bilious attack that was so severe I was not able to go to the office for two days. Failing to get relief from my family physician's treatment I took three of Chamberlain's Stomach and Liver Tablets and the next day I felt like a new man.—H. C. Bailey, Editor of the News, Chapin, S. C. These tablets are for sale by Howell & Jones.
