"Please Smile AND Look Pleasant."

When a woman says "I am racked with pain," the word "racked" recalls the days when she stretched the tender bodies of women on the rack with rope and pulley until the very joints cracked.

Fancy an attendant saying to the tortured woman, "Please smile and look pleasant."

And yet the woman "racked with pain," is expected to smile through her agony and to make home happy. She can't do it. It is against Nature. Generally speaking, the racking pains of ill-health such as headache, backache and "bearing-down pains" are related to derangements or disorders of the organs distinctly feminine. When this condition is removed the general health is restored, and with health comes back the smile of happiness.

Any woman may regain her health at home without offensive questionings or examinations by the use of Dr. Pierce's Favorite Prescription. Sick women may consult Dr. Pierce, by letter, free of charge. Such letters are treated as sacredly confidential.

"It affords me pleasure to relate the wonderful merits of your great medicine, especially your 'Favorite Prescription,'" writes Mr. J. Wesley Thine, of Woburn, N. Jersey. "My wife has been using it for some time past, having suffered severely with bearing-down pains, aching in back, and many other complaints peculiar to women. She was very weak, could not do any heavy work or washing but can do all now. My wife is soon to become a mother but we do not fear the result (as heretofore) all due to your wonder-worker."

"Your 'Pleasant Pellets' are also worth many times their price. I have used them for indigestion, stomach trouble, and have found them to be all that you claim. They are my constant companions—once used, always kept."

Given away. The People's Common Sense Medical Adviser is sent free on receipt of stamps to pay expense of mailing only. The book contains 1000 pages, over 100 illustrations and several colored plates. Send 21 one-cent stamps in the paper-bound book, or 31 stamps for the cloth bound. Address: Dr. E. V. Pierce, Buffalo, N. Y.

for in his complaint on file herein, to-wit: That the bonds of matrimony now existing between the plaintiff and defendant be dissolved, upon the ground of desertion and abandonment of the plaintiff by defendant for a period of more than one year, and for such other and further relief as prayed for in the complaint and which to the court may seem equitable and proper.

This summons is published by order of the Honorable Thomas A. McBride, a Judge of the Circuit Court, of the State of Oregon, and the said order was made and dated the 8th day of November, 1905, and the date of the first publication thereof is the 10th day of November, 1905.

Bright's Disease

Not Rare, but Common—Kidney Disease Develops into Bright's Disease the 8th to 10th Month; Then Incurable by All Known Means Except the new Fulton Compounds, which Record 87% of Recoveries.

We have before us a little work on kidney diseases by Joseph P. Edwards, M. D., of Philadelphia, that contains some things that everyone ought to know. Many people imagine Bright's Disease is rare, when, in fact it covers nearly the whole gamut of kidney diseases. This book sets out that the kidneys have but one function, viz., the elimination of the urea and waste products, and that all interferences with that function are called Bright's Disease.

Dr. Edwards adds: "For the benefit of physicians of the cases which I attribute to Bright's Disease, viz.:

- Albuminuria. Congestion of the Kidney. Degeneration of the Kidney. Faty Degeneration of the Kidney. Inflammation of the Kidney. Uraemia. Disease of the Kidney."

Thus nearly all kidney disease being Bright's Disease, the serious question is, is it in the primary or secondary stage? After the eighth to tenth month it becomes chronic and is then incurable by all known means except the Fulton Compounds. There is often no notice of the trouble till it has fastened. If you have kidney disease in the first stage the cure, all among physicians, quickly. If it is of more than 8 to 10 months standing it is the only thing known that will cure it. In proof that nothing else will we cite all medical works in evidence. The stockholders of the John J. Fulton Co., business and professional men of San Francisco, are the first to write to announce the cure, presenting a definite percentage of recoveries (87 per cent), and giving out the lists of the cured, all among chronic, well-defined cases. If you have any kind of kidney trouble, there is only one thing to take, The Renal Compound for Bright's Disease is \$1; for Diabetes, \$1.50. John J. Fulton Co., 408 Washington street, San Francisco, sole compounders. Pamphlet free. We are the sole agents.

Women as Well as Men Are Made Miserable by Kidney and Bladder Trouble.

Kidney trouble preys upon the mind, discourages and lessens ambition; beauty, vigor and cheerfulness soon disappear when the kidneys are out of order or diseased.

Kidney trouble has become so prevalent that it is not uncommon for a child to be born afflicted with weak kidneys. If the child urinates too often, if the urine scalds the flesh, or if, when the child reaches an age when it should be able to control the passage, it is yet afflicted with bed-wetting, depend upon it, the cause of the difficulty is kidney trouble, and the first step should be towards the treatment of these important organs. This unpleasant trouble is due to a diseased condition of the kidneys and bladder and not to a habit as most people suppose.

Women as well as men are made miserable with kidney and bladder trouble, and both need the same great remedy. The mild and the immediate effect of Swamp-Root is soon realized. It is sold by druggists, in fifty-cent and one-dollar size bottles. You may have a sample bottle by mail free, also a Home of Swamp-Root, pamphlet telling all about Swamp-Root, including many of the thousands of testimonial letters received from sufferers cured. In writing Dr. Kilmer & Co., Binghamton, N. Y., be sure and mention this paper. Do not make any mistake, but remember the name, Swamp-Root, Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y., on every bottle.
