

...Short Sidehead Stories...

TERSELY-TOLD TALES OF THE WEEK'S DOINGS.

Miss Minnie Fee Dies—Miss Minnie Fee died Monday morning at 9 o'clock at the home of her father in Kansas City, a suburb of Oregon City. She was 39 years old and had been suffering from tuberculosis for a long time. The body was embalmed at Shank's undertaking parlors and was forwarded to the former home of the family at Wallalla, North Dakota.

Robinson-Walsted—Carson Robinson and Miss Clara Walsted were married at 10 o'clock Sunday at the First Congregational church in this city by Rev. E. S. Bolinger. Miss Walsted's home was in Minneapolis and the groom resides at North Platte, Nebraska, and is a traveling man. The marriage was the happy termination of a romance that began about five years ago.

To Aid Jewish Sufferers—A subscription list was opened Monday at Selling's store, corner Main and Seventh streets, for the benefit of the Jewish sufferers in Russia. No petition was circulated in Oregon City for this purpose, but the list will be kept open at Selling's to receive the gratuitous offerings of the Oregon City people. A number of contributions were received.

Fire Destroys Residence—The residence of J. W. Linn's mill, on the Abernathy river, about eight miles from this city, was completely destroyed by fire a few days ago. The fire occurred early in the morning and it is not known how it originated. The house was a new two-story cottage and was valued at about \$2,000. Scarcely anything was saved from the contents. There was no insurance. Mr. Linn formerly lived at Oregon City, and is a son of B. F. Linn of this place.

Tendered a Surprise—Mrs. James McFarland, who leaves in a few days for an extended visit with her sisters, one of whom resides in North Dakota, and the other in Minnesota, was tendered a surprise Monday evening by a party of forty friends and neighbors. The invaders brought with them baskets of good things which were disposed of after an evening of games, music and recitations. The surprise was quite a success.

Marion County Loses Suit—The jury in the \$2,000 damage suit of H. P. Ridings against Marion county, which was tried in the circuit court here Thursday, on a change of venue, returned a verdict for the plaintiff in the sum of \$1250. Owing to the collapse of the Pudding River bridge near Woodburn, over which he was driving, plaintiff sustained permanent injuries by which his right arm was rendered useless. In the trial of the case the plaintiff showed that the bridge was in an unsafe condition, but the defendant county neglected to make the necessary repairs or to close the same to travel.

Wanted \$2000, Gets \$15—A verdict for the plaintiff for \$15

was returned Monday night by the jury in the suit of Mrs. Mary Stubbe against D. F. Warner. As the result of an altercation that followed a dispute between the parties to the suit as to a boundary line, Mrs. Stubbe alleged that Warner struck her with a club, in consequence of which she sustained the loss of one eye. She asked for \$2000 damages. Subsequent to the alleged assault, Warner was arrested on a charge of assault with a dangerous weapon. Being tried before a jury in the justice court, he was found not guilty.

An Improved Mail Service—Thanks to the Oregon City Board of Trade, beginning last Monday the people of Oregon City enjoy an improved mail service between this city and Portland. Hereafter the former service, which included a mail car to the metropolis at 12:20 p. m. will be "enjoyed." Under their present schedule by which there was forwarded to Portland no mail between 9:20 a. m. and 4:20 p. m., the delivery of the same was delayed 24 hours in transit thereby. This condition was complained of by the Oregon City Board of Trade to the Post Office Department at Washington and a remedy was immediately provided.

Telephone Company Formed—The farmers of the Central Post office district the latter part of last week organized a mutual telephone company with seven charter members who signed for \$250 capital stock at the time the company was formed. It is the purpose of the organizers to supply present subscribers with a satisfactory telephone service that will eventually be extended to the Maxburg and Molalla sections. A contract has been formed with the Pacific States Telephone and Telegraph company by which the service of that company has been engaged for a year. The officers of the company are: George Randall, president; George Randall, Jr., secretary and treasurer; Mr. Holdis, vice-president; Messrs. Andrews, Staley and Penman, board of directors.

Are Now Fully Organized—Sunday afternoon at the Armory Hall in this city, the Germans of Oregon City and Clackamas county, who recently formed a society, assembled and with singing and speechmaking, properly celebrated the successful organization of the society. The Oregon City Society was ably assisted in their entertainment by the Arion Singing Society and a brass band from Portland. The afternoon programme included the following numbers: "The Day of the Lord," orchestra; speech of welcome, Dr. Ernst A. Sommer; Sunday song, Arion club; reading of constitution, R. Petzold; "I walk Between Flowers," Marie Friedricks, declamation, Walter Brand; "Blindfolded" (Mozart) choir; "Gem of the Ocean," orchestra; speech, President Schroer; "America," orchestra; declamation, Clara Wintel; "Out in the Wide o'World," Arion Club; declamation, Louis Strohmeler; "The Chapel," Arion quartet; speech in English, D.

CONSUMPTION'S WARNING

Inside facts soon become evident in outside symptoms.—DR. G. G. GREEN.

The aid of scientific inventions is not needed to determine whether your lungs are affected. The first symptoms can be readily noted by anyone of average intelligence.

There is no disease known that gives so many plain warnings of its approach as consumption, and no serious disease that can be so quickly reached and checked, if the medicine used is Dr. Boschee's German Syrup, which is made to cure consumption.

It is in the early stages that German Syrup should be taken, when warnings are given in the cough that won't quit, the congestion of the bronchial tubes and the gradual weakening of the lungs, accompanied by frequent expectoration.

But no matter how deep-seated your cough, even if dread consumption has already attacked your lungs, German Syrup will surely effect a cure, as it has done before in thousands of apparently hopeless cases of lung trouble.

New trial bottles, 25c. Regular size 75c. At all druggists.

Charman & Co., City Drug Store

M. Klemsen; "An Open Secret," Marie Friedrich; declamation, Anna Petzold; "The Watch on the Rhine," orchestra.

Rights in Ejectment Suits

Circuit Judge McBride last Saturday ruled in deciding a case that before an action in ejectment can be maintained the plaintiff must not only have the legal estate, but the present right of possession as well. The suit decided was that of Priscilla McKenney and Lillian Bell Sparks against Nancy Anderson. Almada Anderson died about seven years ago leaving some land at Eagle Creek on which the husband continued to reside after marrying the defendant in this action. Administration proceedings were begun in the course of which the land was sold to meet claims against the estate. At the sale the property was bid in by the defendant. The plaintiffs alleged that the administration proceedings were so irregular as to be void and they, being heirs and legatees under the will of Almada Anderson, were entitled to the possession of the disputed premises. In rendering his decision, Judge McBride remarked that while there might be some doubt as to the legality of those proceedings, under no circumstances are the plaintiffs entitled to the possession during the life of James Anderson.

Mrs. Ella J. Longcoy Disappears

Mrs. Ella J. Longcoy, wife of Hiram Longcoy, has again disappeared from her home south of Milwaukie, near Gresham, and her husband is very anxious for any information concerning her whereabouts, which will reach him through the Milwaukie postoffice. Mr. Longcoy said yesterday that his wife slipped away from the house last Thursday, and he has been unable to obtain any information about her. Perfectly rational on all other subjects, on religion she is insane, and when struck with the idea that she must go forth to save the world, she suddenly disappears. Only about a week ago Mr. Longcoy found her at Salem, after she had been absent about two weeks. She is 40 years old, and when she left she wore a black dress. For some years Mrs. Longcoy has been addicted to these disappearing spells. When she leaves her home she covers her tracks so carefully that it is very difficult to get trace of her. Mr. Longcoy discovered her in Salem by means of an account of her disappearance which was published in the Oregonian. He says that, to talk with his wife, no one would suspect that she was insane on religion, but when she hears a sermon or some conversation on that subject, she becomes excited and imagines that she must leave home to spread the gospel. She has no children.—Monday's Oregonian.

DR. FINN'S TESTIMONY INTERESTING

Dr. Thomas Finn, of Boonsboro, Mo., who has practiced medicine for 32 years, says he has used every prescription known to the profession for treatment for kidney and bladder diseases, and says he has never found anything so effective in both chronic and acute kidney and bladder trouble as Foley's Kidney Cure. It stops irregularities and builds up the whole system. At Huntley Bros. Co.

A DAY TO GIVE THANKS.

Governor Chamberlain Issues His Thanksgiving Proclamation.

Governor Chamberlain has issued the following Thanksgiving proclamation:

"The president of the United States, in pursuance of a time-honored custom, has designated Thursday, November 30, A. D. 1905, as a day of general thanksgiving and prayer. Our country has much indeed for which to be thankful. While war and rumors of war, pestilence, earthquake and famine have disquieted and disturbed some of the peoples of the earth, and worse than all of these, revolution and riot born of tyranny and persecution have stained with blood of the innocent and helpless the soil of other countries and caused thrones of mighty rulers to totter on their foundations, peace and plenty have fallen to the lot of our beloved country. Never in the history of our own state have the people been happier or more prosperous, and never has there been a brighter outlook for future growth and development. "Therefore, I, George E. Chamberlain, governor of the State of Oregon, by virtue of the authority in me vested, do hereby set apart Thursday, November 30, 1905, as a day of Thanksgiving, and I request that the people

Rich Cut Glass

There is glass and glass and many stores make no distinction between factory made and genuine hand cut. Manufacturers who desire to turn out Glassware by the carload have hit upon the device of making pressed glass imitate real cut glass by doing a little superficial cutting on the surface. This is not Cut Glass—not genuine hand wrought art ware.

We call particular attention to our Libbey Cut Glass

It is of the purest, clearest color. The workmanship is artistic and thorough and the designs exclusive and beautiful. Every piece has Libbey's name engraved on it. This is a guarantee of being genuinely hand cut and polished in every particular.

We have a large stock of this ware together with several other makes all of the latest cuttings and newest patterns and at attractive prices.

of this magnificent commonwealth do on that day abstain from their usual vocations and return thanks to Almighty God for the blessings which He, in His beneficent wisdom, has seen fit to bestow. "In witness whereof, I have hereunto set my hand and caused the great seal of state to be hereunto affixed at the city of Salem, this ninth day of November, in the year of our Lord, 1905.

GEORGE E. CHAMBERLAIN,
Governor of Oregon.
Attest: F. I. DUNBAR,
Secretary of State."

BILIOUS ATTACK QUICKLY CURED

A few weeks ago I had a bilious attack that was so severe I was not able to go to the office for two days. Failing to get relief from my family physician's treatment I took three of Chamberlain's Stomach and Liver Tablets and the next day I felt like a new man.—H. C. Bailey, Editor of the News.—Chapin, S. C. These tablets are for sale by Howell & Jones.

YOUR COMPLEXION.

An Index to Health and Personality.

Health is wealth. You cannot hope to be successful in life unless you are healthy, and you can not be healthy nor personally attractive unless you live sensibly and follow health rules. One of the secrets of remaining youthful is simplicity. Nearly all facial blemishes like pimples and blackheads are caused by some error in diet, but it is comparatively easy to be rid of these facial defects if you keep the pores of the skin open by soft hot water face baths at night, and rubbing vigorously with a coarse cloth or Turkish bath towel. Perfect beauty means perfect health. Everything conducive to your general health should be striven for with untiring persistence. The greatest enemy of good complexion is constipation. The one remedy that will cure constipation biliousness, dizzy spells, sick headache, and insure a clear, velvety skin is Laxakola Tonic Tablets. They open the pores, enrich the blood, stimulate the liver, encourage the action of the bowels and assist nature to do its own perfect work. Huntley Bros. Co., will pay your 25 cents back unless you receive the benefits expected.

PROPOSALS INVITED.

Sawmill plant, complete, situated on Woodcock Creek, 18 miles southeast of Oregon City, Oregon; assignee's sale consisting of 1 Russell engine and boiler; 1 Egan Co. planer, No. 4, four sided, 6x24 (inch), all belts, bits, pulleys and all appliances complete;

FROM GIRLHOOD TO WOMANHOOD

Mothers Should Watch the Development of Their Daughters—
Interesting Experiences of Misses Borman and Mills.

MATILDA BORMAN

MYRTLE MILLS

Every mother possesses information which is of vital interest to her young daughter.

Too often this is never imparted or is withheld until serious harm has resulted to the growing girl through her ignorance of nature's mysterious and wonderful laws and penalties.

Girls' over-sensitiveness and modesty often puzzle their mothers and baffle physicians, as they so often withhold their confidence from their mothers and conceal the symptoms which ought to be told to their physician at this critical period.

When a girl's thoughts become sluggish, with headache, dizziness or a disposition to sleep, pains in back or lower limbs, eyes dim, desire for solitude; when she is a mystery to herself and friends, her mother should come to her aid, and remember that Lydia E. Pinkham's Vegetable Compound will at this time prepare the system for the coming change, and start the menstrual period in a young girl's life without pain or irregularities.

Hundreds of letters from young girls and from mothers, expressing their gratitude for what Lydia E. Pinkham's Vegetable Compound has accomplished for them, have been received by the Lydia E. Pinkham Medicine Co., at Lynn, Mass.

Miss Mills has written the two following letters to Mrs. Pinkham, which will be read with interest:

Dear Mrs. Pinkham:— (First Letter.) "I am but fifteen years of age, am depressed, have dizzy spells, chills, headache and back-

ache, and as I have heard that you can give helpful advice to girls in my condition, I am writing you."—Myrtle Mills, Oquawka, Ill.

Dear Mrs. Pinkham:— (Second Letter.) "It is with the feeling of utmost gratitude that I write to you to tell you what your valuable medicine has done for me. When I wrote you in regard to my condition I had consulted several doctors, but they failed to understand my case and I did not receive any benefit from their treatment. I followed your advice, and took Lydia E. Pinkham's Vegetable Compound and am now healthy and well, and all the distressing symptoms which I had at that time have disappeared."—Myrtle Mills, Oquawka, Ill.

Miss Matilda Borman writes Mrs. Pinkham as follows:

Dear Mrs. Pinkham:— "Before taking Lydia E. Pinkham's Vegetable Compound my months were irregular, and I am getting strong and well. I am telling all my girl friends what Lydia E. Pinkham's Vegetable Compound has done for me."—Matilda Borman, Farmington, Iowa.

If you know of any young girl who is sick and needs motherly advice, ask her to address Mrs. Pinkham at Lynn, Mass., and tell her every detail of her symptoms, and to keep nothing back. She will receive advice absolutely free, from a source that has no rival in the experience of woman's ills, and it will, if followed, put her on the right road to a strong, healthy and happy womanhood.

Lydia E. Pinkham's Vegetable Compound holds the record for the greatest number of cures of female ills of any medicine that the world has ever known. Why don't you try it?

Lydia E. Pinkham's Vegetable Compound Makes Sick Women Well.

A PLEASED CUSTOMER A GOOD ADVERTISER

The following are only a few of the prominent people of Oregon City and Willamette who have used the BUCKEYE EXTRACTS for over two years with perfect satisfaction. They say that they last longer and give a better flavor than any brand they ever used. They are true to their name and retain their strength in baking and freezing.

MRS. E. MASS, Willamette
MRS. J. H. FORBES, Oregon City
MRS. A. REILLY,
MRS. G. L. HEDGES
MRS. C. B. WILSON
MRS. MORLEY, Cliff House
MRS. JACOB CASSELL, Electric Hotel

The BUCKEYE EXTRACT sales have more than quadrupled in the last year, which proves their merit. For Sale by the following Grocers.
