Neighbors of Unfortunate Elwood Farmer Are Generous in

Their Assistance.

By reason of going to press early last week, an interesting budget of County News was received too late for publication. It is printed herewith

Elwood.

Peter Granatzki, who lost his house by fire Novemmber 8, is living in his granary, has 4 children the oldest about 8 years of age and the younger past two. People of this and adjoining neighborhoods, have been very generous in helping them. His brother Barney, who lost his house by fire in August, is able to be about again after a four weeks' siege of typhoid fever. His little 3-year-old boy, who has been sick with the same for the past two weeks is much improved under the care of Dr. Haviland of Estacada. He has four children the eldest 4 years and the youngest one month. These two brothers bought what is known as the Jake Kernes property and were working at Cazadero to finish paying for their homes. These two mentioned are the only ones in the community that needed help. Peter's house was insured.

School is progressing nicely under the management of Lorenzo Wilson of Oregon City.

A Polish family have moved on Mrs. Martha Gossett's farm. Delbert Bonney is working for Du-

bois Bros. at Estacada. A. S. Henderson, has Elmer Dibble's

house near completion. Mrs. John Park's daughter Eva Maplethrop and family of Portland. have been spending a few days among their relatives here before starting for Clealum, Washington, where her husband has work in the mines.

In Vain, Had LOST AIL FAIN. DES MOINES, Iowa, Sept. 7, 1908 – I am just mother one your femedy has cured, and I want to tell you about it. My attention was called to the 3 D's by a dis-play in your dealer's window. Reed Huribut, and after looking over the cures there shown I decided at once to try it. 'having little faith in anything.'' My trouble was Eczema on the fingers under the mails, and particularly the first joint; the skin would look scalled and the little cells would connect like a sponge under the skin : sometimes there would be a very bad odor with the discharge. I trid every thing I could hear of, and went to six doctors, two of them being intimate friends. They did every-thing they passibly could and studied the thing up, but of no use. The other doctors thought I was willing to be experimented upon If any possible chance for relief. This thing had been you's ductors are to my hands. WHAT MORE NEED WE SAY?

So many astonishing cures have been effected by D. D. D. Prescription-right in this city-among people we personally know-your own neighbors probably-that it is surprising that any one should continue to suffer with Eczema, psoriasis or any kindred disease. Call at our store and we will give you the names and addresses of chronic sufferers now cured.

You too will be cured. It may take time, but the instant the remedy is applied to the injured skin there is relief from that awful, awful itch.

WE GUARANTEE **D. D. D. Prescription**

We have made arrangements with the pro-prietors of this remedy so that we can and do absolutely refund your money without question, absolutely without any formalities. If you say D. D. D. Prescription has not benefited you. 51.00 a Bottle-

IN PRAISE OF CHAMBERLAIN'S COUGH REMEDY.

There is no other medicine manufactured that has received so much praise and so many expressions of gratitude as Chamberlain's Cough Remedy. It is effective, and prompt relief follows its use. Grateful parents everywhere do not hesitate to testify to its merits for the benefit of others. It is a certain cure for croup and will prevent the attack if given at the first appearance of the disease. It is especially adapted to children as it is pleasant to take and contains nothing injurious. Mr. E. A. Humph-reys, a well known resident and clerk in the store of Mr. E. Lock, of Alice,

Cape Colony, South Africa, says: "I have used Chamberlain's Cough Remedy to ward off croup and colds in my family. I found it to be very satisfac tory and it gives me pleasure to recom-mend it." For sale by Howell & Jones.

So much has been written by the standard medicial authorities, of all the several schools of practice, in praise of the native, or American, medicinal of the native, or American, medicinal plants which enter into the composi-tion of Dr. Pierce's Golden Medical Dis-covery, that in attempting to quote from the various works on *Materia Medica* one hardly knows where to commence, since they are so volumin-ous that only the briefest and most imperfect reference can be preseated in a short article like this.

Briefly then let us say that the "Golden Medical Discovery" was named from the sturdy little plant Golden Seal, the root of which enters largely into its composition. Besides this most valuable ingredient, it contains glyceric extracts of Stone root. Queen's root, Black Cherrybark, Blood-

Finley Ellingwood, M. D., an emin-ent practitioner of Chicago and Profes-sor of Materia Medica in the Bennett Medical College of that city, in his recently published work on Therapeu-tics, says of Golden Seal root: "It is the most natural of stimulants to the normal functions of digestion. Its influence upon the mucous surfaces ren ders it most important in catarrhal gastritis (inflammation of stomach) and

gastric (stomach) ulceration." Many other authorities as well as Dr. Ellingwood extol the Hydrastis (Golden Seal), as a remedy for catarrhal dis-Seal), as a remedy for catarrhal dis-eases of the nasal passages, stomach, bronchia, gall ducts, kidneys, intestines and bladder. Among these, we may mention Prof. John King, M. D., author of the American Dispensatory; Prof. J. M. Scudder, M. D., in his "Specific Medication"; Dr. Hale of the Hahne-mann Med. College of Chicago; Grover Coe, M. D., of New York, in his "Or-ganic Medicines," Dr. Bartholow of Jef-ferson Med. College and scores of other leading medical writers and teachers. All the foregoing eminent authorities extol. the curative virtues of Golden Seal in cases of stomach, liver and in-

found in all drug and medicine stores in this and many foreign countries. It will be seen from the above brief extracts how well "Golden Medical Dis-covery" is adapted for the cure of all Seal in cases of stomach, liver and intestinal weakness, torpor and ulceration of bowels. Dr. Ellingwood recommends it most highly, "In those cases of atonic dyspepsia when the entire apparatus, blood diseases, as, scrofulous and skin affections, eruptions, blotches, pimples and kindred ailments; also that it is equally good in all Catarrhal affections dyspepsia when the entire apparatus, including the liver, is stagnant and inoperative." He also extols it most highly in the many weaknesses and de-rangements peculiar to women and says, "It is a most important remedy in many disorders of the womb." Golden Seal root (Hydrastis), is an important ingredient of Dr. Pierce's Favorite Pre-scription for weak, nervous. "rundown" no matter where seated, and for all cases of indigestion, or dyspepsia, tor-pid liver, or biliousness and as a weaknesses, and in nervous debility and prostration the above extracts amply show. Much further information as to the scription for weak, nervous, "rundown' women.

But to return to the "Golden Medical Discovery" it may be said that its curative properties are not wholly depend-ent upon Golden Seal, valuable as it is, as other equally potant ingredients add greatly to its value and in fact are not less important than the Hydrastis, or Golden Seal.
