

**The Larkspur.**  
Great vigilance has to be exercised by the antiquarian painter. This was demonstrated by Sir Laurence Alma-Tadema's picture, "The Finding of Moses." Looking at the picture, a well known botanist examined with admiration the painting of the lifelike larkspurs which form the foreground, and then, turning toward the artist and congratulating him on the successful rendering, pointed out that larkspurs were of a comparatively recent growth. The painter laughed as he replied, "So I thought, until dried specimens of them were discovered in some of the recently explored royal tombs of Egypt."

**Fishy.**  
Mother (reproachfully, to her small son)—Jamie, where have you been all afternoon?  
Jamie (uneasily)—At Sunday school, mamma.  
Mother—Then how is it you are wet and smell so of fish?  
Jamie (in desperation)—Well, you see, I've been studying about Jonah and the whale, and—well—I guess it came off on my clothes.—Harper's Weekly.

**Lack of Perception.**  
"Dat dog o' mine," said Erastus Pinkly, "keeps on a-tryin' to whup ev'ry four footed critter dat comes down de road."  
"He must be a fighter."  
"No, suh. He ain' no fighter, but he don' seem able to recognize de fack."—Washington Star.

**The Place For Him.**  
"Notwithstanding what you say about Kraftie," said Goodart, "he seems to be a loyal fellow. He appears to keep to his friends."  
"He should be kept in with them," replied Crabbe. "Most of his friends are in jail."—Philadelphia Ledger.

To be nameless in worthy deeds exceeds an infamous history.—Browne.

**MA'S SPECIFICATIONS.**  
"I can't understand," said the architect, "why you want such a big key-hole in the parlor door."  
"It's my wife's idea," replied Mr. Bullyun. "She insists on it, and when she makes up her mind to a thing there's no use tryin' to argue her out of it. You know we have a daughter who is old enough now to have a fellow."

**WHAT ROOSEVELT RECOMMENDS.**  
Summary of President's Message to Fifty-Ninth Congress.

President Roosevelt recommends in his first message to the Fifty-ninth Congress:  
That the Federal Government should exercise regulatory and supervisory powers over the railroads, whereas now they are in the position of subjects without sovereigns;  
That the railroads be compelled to adopt safety appliances to the lessening of serious accidents;  
That there should be regulation of the hours of service more favorable to railroad employes, also a constitutional enactment covering employers' liability in all industries within the scope of the Federal power;  
That Congress should ascertain if it is not possible to furnish better safeguards against graft in life insurance than is provided by the several state governments;  
That there should be economy but not parsimony in public expenditure; that provision should be made for a more elastic currency;  
That Congress should enact a law directed against bribery and corruption in Federal elections, with provision for the proper handling and the publication of all campaign expenses, including those of nominations;  
That the United States join in a general arbitration treaty that should be negotiated among all nations represented in The Hague conference;  
That the Monroe Doctrine should be maintained inviolate and in its wider and modern application without the shirking of responsibility on the part of the United States, or its permitted use as a shield to the detriment of other nations;  
That appropriation should be made for efficient maneuvers of the Army, and that the standard of efficiency in the Navy be carefully maintained and improved as circumstances will permit;  
That the criminal laws of the United States be revised to the speedier assurance of justice, often postponed or defeated through the law's delay;  
That the honest disposal and right use of the remaining public lands be insured;  
That appropriation be made in aid of the Jamestown Tri-Centennial Exposition;  
That the laws now existing for the exclusion of undesirable immigrants should be strengthened, recognizing that the entire Chinese coolie class legitimately comes under the head of undesirable immigrants to this country;  
That a law be enacted to regulate interstate commerce in misbranded and adulterated foods, drinks, and drugs;  
That all possible effort be made to negotiate with the State of New York for the preservation of Niagara Falls;  
That pensions be granted to incapacitated members of the Life-Saving Service;  
That the statute suspending the operation of the coastwise laws of the United States upon Philippine trade until 1906 be extended to 1909, and that a more liberal tariff policy be adopted between the United States and the Philippines;  
That immediate steps should be taken for the fortification of Hawaii;  
That American citizenship be conferred upon all citizens of Porto Rico;  
That Alaska be given an elective delegate;  
That Oklahoma and Indian Territory be admitted to the Union as one state and Arizona and New Mexico as another;  
That the immediate need for the

prosecution of Panama Canal work be supplied by prompt appropriation;  
That steps be taken to increase the efficiency of the State Department and to improve the Consular service abroad.

**SHERIFF'S SALE ON EXECUTION.**  
In the Circuit Court of the State of Oregon, for the County of Clackamas.  
Henry Gans, Plaintiff,  
vs.  
James Shaw, Betty Shaw, John Duffy, and S. Neffker, Defendants.

**STATE OF OREGON.**  
County of Clackamas.—ss.  
By virtue of a judgment order, decree and an execution, duly issued out of and under the seal of the above entitled Court, in the above entitled cause, to me duly directed and dated the 1st day of December, 1905, upon a judgment rendered and entered in said court on the 23d day of November, 1898, in favor of Henry Gans, Plaintiff, and against James Shaw, and Betty Shaw of said defendants for the sum of \$196.50, with interest thereon at the rate of 8 per cent per annum from the 27th day of June, 1898, and the further sum of \$..... the costs of and upon this writ, commanding me out of the personal property of said defendants, and if sufficient could not be found, then out of the real property belonging to said defendant on and after the date of said sum of \$196.50 and interest as above set forth and also the costs upon this said writ.  
Now, Therefore, by virtue of said execution, judgment order and decree, and in compliance with the commands of said writ, being unable to find any personal property of said defendant's, I did on the 1st day of December, 1905, duly levy upon the following described real property of said defendants, situate and being in the County of Clackamas, and State of Oregon, to-wit:  
Lots 8-9-10, in Block 1; Lots 1-2-6-7-8-9-10-13 and 14 in block 2, Lots 3-4 and 13 and 18 inclusive in Block 3;

Biliousness, dyspepsia, loss of appetite, disturbed sleep, nervousness, headache, giddiness and drowsiness, wind and pain or fullness of the stomach after meals, cold chills and flushings, heat, shortness of breath—these are the blank cheques of physical bankruptcy.  
The man who suffers from these disorders and neglects them will soon be in the relentless grasp of some fatal disease. If he is naturally narrow chested and shallow lunged, it will probably be consumption. If his father or mother died of paralysis or some nervous trouble, it may probably be nervous exhaustion or prostration, or even insanity; if there is a taint in the family blood, it will be blood or skin disease; if he lives in a new or a low, swampy country, it will be malaria; if he lives a life of exposure, it may be rheumatism. There is one safe course for a man to follow who wishes to keep his health and suffering from the symptoms described. It is to resort to Dr. Pierce's Golden Medical Discovery. This medicinal preparation keeps, corrects all disorders of the digestion, renders assimilation perfect, invigorates the liver, purifies and enriches the blood and builds firm, healthy flesh and nerve tissue. It cures almost all diseases that result from insufficient or improper nourishment of the brain and nerves. Bronchial, throat, and even lung affections, when not too far advanced, readily yield to it.  
A man or woman who neglects constipation suffers from slow poisoning. Dr. Pierce's Pleasant Pellets is a gentle laxative, and two a mild cathartic. Don't let a selfish seller over-persuade you to take any other substitute for these Original Little Liver Pills, first put up by Dr. R. V. Pierce over 40 years ago. Each bottle contains 30 pills.

Lots 3 to 9 and 13 to 18, both inclusive in Block 4; Lots 5-6-7-8 and 11 to 20 inclusive in Block 5; Lots 3 to 17 inclusive in Block 6; Lots 1 to 16 inclusive in Block 7; Lots 1-2-3-9-10-11-12-18-19-20 in Block 8; Lots 1 to 20 inclusive in Block 9; Lots 1 to 20 inclusive in Block 10; Lots 1 to 20 inclusive in Block 11; Lots 1-2-3-6-7 and 9 to 20 inclusive in Block 12; Lots 3-14 in Block 13; Lots 1 to 20 inclusive in Block 14; Lots 1 to 20 inclusive in Block 15; Lots 1 to 20 inclusive in Block 16; Lots 1-3-4 and 5 to 20 inclusive in Block 17; Lots 1 to 10 inclusive in Block 18.

And I will on Saturday, the 6th day of January, 1906, at the hour of 11 o'clock a. m., at the front door of the County Court house in the City of Oregon City, in said County and State, sell at public auction, subject to redemption, to the highest bidder for U. S. gold coin, cash in hand, all the right title and interest which the within named defendants, or either of them had on the date of said judgment or since had in or to the above described real property or any part thereof, to satisfy said judgment order, decree, interests, costs and all accruing costs.  
J. R. SHAVER,  
Sheriff of Clackamas County, Oregon.

**Women as Well as Men Are Made Miserable by Kidney and Bladder Trouble.**

Kidney trouble preys upon the mind, discourages and lessens ambition; beauty, vigor and cheerfulness soon disappear when the kidneys are out of order or diseased.

Kidney trouble has become so prevalent that it is not uncommon for a child to be born afflicted with weak kidneys. If the child urinates too often, if the urine scalds the flesh, or if, when the child reaches an age when it should be able to control the passage, it is yet afflicted with bed-wetting, depend upon it, the cause of the difficulty is kidney trouble, and the first step should be towards the treatment of these important organs. This unpleasant trouble is due to a diseased condition of the kidneys and bladder and not to a habit as most people suppose.

Women as well as men are made miserable with kidney and bladder trouble, and both need the same great remedy. The mild and the immediate effect of Swamp-Root is soon realized. It is sold by druggists, in fifty-cent and one-dollar size bottles. You may have a sample bottle by mail free, also a Home of Swamp-Root pamphlet telling all about Swamp-Root, including many of the thousands of testimonial letters received from sufferers cured. In writing Dr. Kilmer & Co., Binghamton, N. Y., be sure and mention this paper. Don't make any mistake, but remember the name, Swamp-Root, Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y., on every bottle.
