THROWN OUT OF COURT

JUDGE FRAZER DISMISSES MIL-WAUKIE CLUB CASES.

Holds That Clackamas County Alone Has Jurisdiction in Milwaukie Gambling Prosecutions.

The Milwaukie Club, in Clackamas County, is beyond the criminal jurisdiction of the Portland municipal authorities or those of Multnomah county, and gambling cases against the proprietors or employes of the club can only be prosecuted in Clackamas County, Judge Frazer so held yesterday, and refused to issue warrants for Isaac Gratton and various others arrested several weeks ago in a raid made by Captain of Police Bruin, Detectives Kerrigan, Day and others, says Sunday's Oregonian.

Judge Frazer held that the state law providing that a crime committed on the boundary line or within one mile of the boundary line can be tried in either county, was contrary to the section of the constitution which guarantees an offender the right to trial in the county in which the offense shall have been committed. This being the case, the clause of the city charter which empowers the police to suppress gambling within four miles of the city limits is useless, because under the ruling of the court the case could not be tried in this city and this county when the crime was perpetrated in another county. The police would have to take the cases for trial to the courts in Clackamas county.

The point is that if the law extending the jurisdiction of counties one mile is unconstitutional, it goes without saying that the extension of the criminal jurisdiction of an incorporated city four miles is unconstitutional.

Judge Frazer said, however, that there was another reason why the club might come come within the jurisdiction of the court, but the evidence at hand was hearsay, and was not sufficient to warrant the court in passing on the question. The District Attorney could investigate the matter and ascertain what the facts were, or the court, if necessary.

What Judge Frazer referred to was the report that bets on horseraces were received at the Warwick Club saloon, and telephoned to the Milwaukie Club pool-rooms. This fact, if true, is said to bring the crime of pool-selling into Multnomah County, but this only refers to the poolselling and has no bearing on the gambling games of various kinds operated at the Milwaukie resort.

Judge Frazer, in deciding the cases, reviewed the arguments made before him and authorities presented, comprehensively. In Arkansas, Illinois, Tennessee and West Virginia, where a case was triable in different counties the words, "or district" were added to the constitutional provision that the case to be tried in the county where the offense was committed. The dis trict might embrace part of another county, and the court said this changed the aspect of things.

notorious fact that Club-house was erected just beyond the county line for the express purpose of evading the jurisdiction of this county, and said the technical constitutional provision placed the court in a powerless position, but the constitution must be upheld. Comment was made that there were too many arbitrary things in the constitution. The Legislature ought to be allowed more power. More trust should be placed in the Legislature. Judge Frazer concluded by saying it was the duty of the court to protect the defendants in their legal rights.

MAKES WEAK WOMEN STRONG AND SICK WOMEN WELL.

Forty years ago, Dr. Pierce searched Nation's laboratory for a remedy with which to supplant the ignorant and vi-cious methods of treatment, with alcoholic stimulants, then in vogue, and still too commonly prescribed and advised for oman's peculiar ailments. Nature abounds with most efficient rem-

edies, and in Lady's Slipper root, Black Cohosh root, Unicorn root, Blue Cohosh oot and Golden Seal root, Dr. Pierce sund medicinal properties, which when extracted and preserved by the use of chemically pure glycerine, have proven most potent in making weak women strong and sick women well. It contains no alcohol; is not a "patent medicine," nor a secret one either.

"I was suffering with nervous headache, pains in the back and disciness, so that at times I had to lie down for hours before I could raise my head," writes Mrs. Mary M. Thomas, of Ni Winston Street, Las Angeles, Cal. "After taking the first bottle of "Facerise Prographies," however, I was so pleased with the results that I kept on taking it until I was restored to health and strength. I shall never be without this great medicine, and shall take a few doses when I do not feel strang."

One of the principal uses of Dr. Pierce's Favorite Prescription is the preparation of prospective mothers for the time of trial and danger that comes when a child is born. The "Prescription" is strengthening and invigorating and lessens pain and danger. It insures the perfect well-being and the perfect health of both mother and child. Every woman should know these things before she really needs to know them. There are many things in Dr. Pierce's Common Sense Medical Adviser, that every woman ought to know. This celebrated work reached a sale of 681,000 copies at \$1.50 each. The expense of production has but thus been covered, is now being goven away. A copy will sent to any ad ross on receipt of 21 seent stamps to cover cost of mailing only, or, in cloth blading for 31 stamps. Address Dr. R. V. Pierce, Buffalo, N.Y.
