At the time of her death she was at her grandmother's home where she had been for several months in the hope of regaining strength. But such was not to be.

The cause of her death was tuberculosis and at times she suffered greatly. She was of a loving and patient disposition and never a word of complaint or murmur was heard from her lips. Always a good girl, loving Jesus, she had no fear of death.

The funeral was held at the home of her grandparents, Mr. and Mrs. Hepler, the sermon being preached by Rev. F. S. Glenn, of Canby. A large number followed the remains to the grave; interment was at the Aurora Cemetery. The mother and brother of the deceased as well as the grand parents bare the sympathy of the community in their loss of such a beautiful girl.

Doan's Kidney Pills make well kidneys. Mrs. A. Hill, residing at 35 First Street, Portland, Oregon, says: "I suffered considerable for a year or more from itching pains in my back extending down through the loins and in the region of the kidneys. I had to be careful in doing any work about the house which required stooping or lifting for if I moved suddenly I used to suffer severe twinges of pain in my back. I used plasters and several remedies but found little relief until I got Doan's Kidney Pills. They helped me from the first and finally cured me."
