The annual installation of officers by Oregon City Aerle No. 933, Fraternal Order of Eagles, was held Monday night. Following the ceremonies a lunch was served.

Births at Oregon City—

Several births are reported in this city during the last week as follows: Thursday, December 25, to Mr. and Mrs. Jos. Painter, at Canemah, a daughter; same date, to Mr. and Mrs. Michael Gleason, a daughter; Saturday, December 30, to Mr. and Mrs. Henry Jones, of Canemah, a son.

Got Nine Cents for His Hops—

August Splinter, of Maple Lane, has sold to a Portland dealer 22 bales of 1905 hops at 9 cents a pound. Another sale of 36 bales of this year's holdings is reported to have been made the latter part of last week, but the names of the grower and that of the purchasing agent were not learned.

Says Wife Was Cruel—

Alleging cruel and inhuman treatment, Thos. H. Purdy has filed suit for divorce from Ella Purdy. The parties were married at Battle Creek, Michigan, in November, 1881 and besides the annulment of matrimonial ties the division of about \$2000 worth of Michigan property is asked by the plaintiff.

Joint Installation—

At Willamette Hall Tuesday evening occurred the joint installation of the newly elected officers of Meade Post G. A. R. and the Meade Relief Corps. Col. G. E. Caukins of Portland, officiated at the installation of the officers of Meade Post and Mrs. G. A. Harding, Department President of the W. R. C., had charge of the same service for the Relief Corps.

Entertained Past Guardians—

Mrs. Carrie N. Parker, clerk of Sola Circle, Women of Woodcraft, Saturday afternoon entertained the past guardians of the circle at her home in Gladstone. "Block" was played during the afternoon and refreshments were served. Those present were Mrs. S. S. Walker, Mrs. S. F. Scripture, Mrs. P. J. Winnie, Mrs. John K. Morris, Mrs. T. E. Gault, Mrs. Frank Betzel, Mrs. Josiah Martin, Mrs. J. L. Waldron.

Was Drowned in the Pasig—

With sad hearts we write of the death of Paul Ellsworth Scoggin, a soldier of the U. S. Army, who was accidentally drowned in the Pasig river near Manila, P. I., on October 15, 1905. His remains were recovered and sent home to his parents in Hillsboro, Oregon, where interment was made on Tuesday, December 26th. He

was an exemplary soldier, a kind and affectionate son and brother. His father, mother, two sisters and two brothers and a host of friends are left to mourn his death and cherish his memory.

Saved from Drowning—

Having been chased by a band of troublesome boys from his suburban home into the business district of the city a few days ago, John W. Krohn, the 17-year old son of Mrs. W. Krohn, of this city, was in the act of leaping into the Willamette River from the O. C. T. Company's dock when he was rescued by Constable Trembath. The lad is not very bright and because of his mental condition has been much annoyed by the neighbors' children. Young Krohn was badly frightened when restored to his relatives. His tormentors have not been arrested.

Wedding Anniversary celebrated—

Last Thursday evening at their home at Gladstone, Mr. and Mrs. A. F. Parker were joined by a company of friends who assisted them in the proper celebration of their twenty-third wedding anniversary. Mr. and Mrs. Parker were the recipients of an elegant solid silver set. Among those present were: Rev. and Mrs. H. B. Robins, Mr. and Mrs. John W. Loder, Mr. and Mrs. C. E. Nash, Mr. and Mrs. S. F. Scripture, Mr. and Mrs. S. S. Walker, Mr. and Mrs. W. E. Johnson, Mr. and Mrs. Frank Welsh, Mr. and Mrs. T. E. Gault and H. E. Cross.

Rowan-Freeman—

A very pretty wedding took place Wednesday, December 24, at the family residence of Mr. and Mrs. M. T. Freeman, near Elwood, Oregon, when Mr. Homer J. Rowan, of Little Rick, Washington, was joined in the holy bonds of wedlock with Miss Emily E., the oldest daughter, in the presence of a number of friends and relatives. Justice of the Peace M. E. Kandle, officiated. Mr. Otis Dix, uncle of the bride acted as best man and bridesmaid, then all repaired to the dining room, where a bounteous dinner was served. They are both esteemed young people, and will reside at Little Falls, Washington, after a week spent with relatives at Colton and Logan.

Played Tie Game—

Before a good crowd at Willamette Field Monday afternoon the Barclay Alumni and the Barclay High School football teams played a game, the score being 5 to 5, each side scoring a touchdown, but failed to kick a goal. The game was an interesting contest from start to finish, the Alumni, however, having the greater weight, being enabled to make more substantial gains. In fact, had the official

A FOOLISH PLAN

'Tis a joy to eat—I welcome my dinner hour; Because I root in digestion with August Flower!

Constipation is the result of indigestion, biliousness, flatulency, loss of appetite, self-poisoning, anemia, emaciation, uric acid, neuralgia in various parts of the system, catarrhal inflammation of the intestinal canal and numerous other ailments that rob life of its pleasures if they do not finally rob you of life itself.

"I'm bound in the bowels," is a common expression of people who look miserable and are miserable—yet who persist in "letting nature take its course." What a foolish plan, when nature could be aided by the use of Green's August Flower, which is nature's own remedy for constipation and all stomach ills.

time-keepers not become absent minded and allowed the second half to be prolonged from 20 minutes to at least 35 minutes, the final score would have been 5 to 0 in favor of the Alumni, but it was a good-natured contest and all hugely enjoyed the sport. Howard Latourette, and Wm. Stokes were the stars for the Alumni and were especially successful at line bucking.

Fake Doctor Finds Victims—

Several farmers of the Molalla section were recently the victims of a clever impostor who passed himself off as a physician, claiming to be a specialist on diseases of the eye, ear and nose. The fellow was well-dressed and of prepossessing appearance. After diagnosing the ailment of his prospective patient the "doctor" informed his victims that there was a business side to the transaction and required a deposit ranging from \$25 to \$75 according to the character of the trouble to be treated. Permanent cures were positively assured, the grafter agreeing to forward his wonderful preparations as soon as he could visit his office in the city, but the medicine has failed to arrive. Several cases are reported where prominent farmers were buncoed out of sums aggregating several hundred dollars. The im-

postor has completely disappeared.

Will Build Public Hall—

Milwaukee will put up a city hall next year. This seems to have been settled. Councilman Phillip Streib says the building will be erected, and will be a credit to the place. A quarter block was secured some time ago, in a central place, which is paid for. The revenues of the city from licenses and from a light tax will enable the city to erect a creditable city hall. Councilman Streib says that perhaps it will not all be finished, but such portion will be completed as will be required by the city. The cost will be about \$2000. The city has nearly \$1000 at the end of the present month. Milwaukee Grange is also considering the matter of purchasing ground near the town hall and moving the old hall, which is the old school house, on the ground. The district is anxious to get rid of the building, which stands at the rear end of the school ground.

Will Contest Father's Will—

Alleging that the late G. J. Trullinger at the time of his death last April was "old, infirm, weak mentally and physically and incapable and incapacitated" for executing a will, heirs of the decedent have instituted a contest in the probate court asking that the will that has been admitted to probate be set aside. It is further represented by the contestants that Mr. Trullinger in executing his will was purporting to be his last will was influenced by "con-ercion, fraud, deceit, wrongful and inequitable action" by the widow, Erlike Trullinger, who, in the instrument is made the principal beneficiary to an estate consisting of several hundred acres of valuable land in Clackamas County of the estimated value of nearly \$10,000. Citation has been issued requiring the interested parties to appear in court February 6 and show cause why the alleged last will of the deceased should not be set aside in accordance with the prayer of the petitioners.

First Gold Brick—

The first gold brick to come from the Ogle Mountain mines was brought in a few days ago by J. B. Fairclough, P. A. Fairclough, L. O. Gerber, Jas. Hutton, J. R. Wolf and John Francis. They left the mines in charge of one man, and will go back in about three weeks to resume work. The brick is a small one, valued at about \$250, but the quality of the gold is fine, and the miners are more than satisfied with the showing made since the installment of the new five-stamp mill which was operated six days, producing an average of \$60 per day on low grade ore. The mine is already on a paying basis, but the test is not considered a fair one. Work so far has been up hill business, as the ore had to be brought down through the dump. Results have shown that there is more free-milling ore at Ogle than was expected and less concentrates. In the Spring work will be commenced steadily and on a large scale. There is enough ore now on the dump to keep the mill running several months. The Ogle Mountain mine is the first in Clackamas County to reach an advanced stage of operation, and the promoters are perfectly satisfied with the showing that has been made.

CURE YOUR KIDNEYS.

Do Not Endanger Your Life and Health When a Cure is so Easy.

Why will people continue to suffer the agonies of kidney complaint, backache, urinary disorders, lameness and stiffness in the back and allow themselves to become chronic invalids, when a certain cure is afforded them? Doan's Kidney Pills is the remedy to cure and cure permanently. If you have any, even one of the numerous symptoms of kidney complaint, cure yourself before diabetes, dropsy or Bright's disease sets in. Read this testimony. Mrs. Conclidia Arnold, of 440 East First St., Albany, Oregon, says: "Doan's Kidney Pills did me a great deal of good. I used them for rheumatic pains across the small of my back and down through the sides which were very severe when I stooped to lift anything or sat in one position for any length of time. I got Doan's Kidney Pills and commenced their use and I began to get better right away, and continued taking them. They soon relieved men and I have had very little trouble since. I shall always try to keep Doan's Kidney Pills in the house and will recommend them at every opportunity."

is daily enacted in thousands of homes, as Death claims in each one, another victim of Consumption or Pneumonia. But when Coughs and Colds are properly treated, the tragedy is averted. F. G. Huntley, of Oakland, Ind., writes: "My wife had the consumption, and three doctors gave her up. Finally she took Dr. King's New Discovery for Consumption, Coughs and Colds, which cured her and today she is well and strong." It kills the germs of all diseases. One dose relieves. Deserves Your Patronage.

The growth of a community and the success of its local institutions depends entirely on the loyalty of its people. It is well enough to preach "patronize home industry" but except the service given at a home institution equals that of out-of-town enterprises, this argument carries no weight and is entirely disregarded, as it should be. But with Oregon City people it is different. A few months ago E. L. Johnson established the Cascade Laundry. It is equipped with the latest improved machinery and is daily turning out work that is equal to any and superior to much of the laundry work that is being done in Portland. Being a home institution and furnishing employment for many Oregon City people it is enjoying an immense patronage. The high standard of the work being done commends it to the general public. Laundry left at the O. K. barber shop will be promptly called for and delivered to any part of the city. Telephone 1204. E. L. Johnson, proprietor.

"A BLESSING TO HUMANITY"

ECZEMA CURED

After Years of Unspeakable Torture

Read the Words of a Man, Who After Doctoring in Vain, Had Lost All Faith.

DES MOINES, Iowa, Sept. 7, 1903.—I am just another one your remedy has cured, and I want to tell you about it. My attention was called to the D. D. D. by a display in your dealer's window. Read Barbut, and after looking over the cures there shown I decided to try it. Having little faith in anything, my eczema was Eczema on the fingers under the nails, and particularly the first joint; the skin would look scalded and the little veins would connect like a spider web under the skin; sometimes there would be a very bad odor with the discharge. I tried everything I could hear of, and went to six doctors, two of them being intimate friends. They did everything they possibly could and stunted the thing up, but of no use. The other doctors thought it could cure by a regular course of treatment. I was willing to be experimented upon if any possible chance for relief. This thing had been going on for over two years, when to my great comfort, D. D. D. came to my hands. Your remedy gave me more cure in two days than any of the six doctors effected in over two years, and I had of two weeks I had new healthy skin on all my feet and fingers, as I termed them. I also wish to say that any one of the six doctors are as good as we have in D. D. D., and that my two friends have resubscribed your remedy to the entire satisfaction for the past two years, or since my cure. Don't let the formula ever go to the grave, for humanity's sake. I wish you all the success in the world and hope to be able to direct more sufferers to you. M. R. GAMAGE.
