

Constipated All His Life.

MR. and MRS. WILBERT THOMPSON,
801 Main St., Peoria, Ill.
MULL'S GRAPE TONIC CURED HIM.

Wilbert Thompson never knew a well day until last June—he had been constipated all his life—many doctors treated him, but all failed to even help him—his health failed rapidly and on January 21, 1903, Mrs. Thompson asked us to suggest a treatment for her husband—We thought the case too serious and recommended that a specialist be consulted—but he also failed to help the patient—NOW HE IS WELL.

Mull's Grape Tonic Cured Him

Mrs. Thompson first wrote us as follows: "My husband, aged 24, suffers from sharp pains in his stomach and sometimes thinks it is his heart. Let me know by return mail what causes the pain, if you can. Mr. Thompson has been treated by several doctors, but they have given him up."
We promptly advised a specialist be consulted. We quote: "We want to sell Mull's Grape Tonic, because we know it will cure constipation, but we do not object to us when a human life is at stake, and if your husband's case is as serious as you state, we suggest you consult a reliable specialist, not the advertising kind, promptly." At the same time, knowing that Mull's Grape Tonic could do no harm, we advised its use until a physician could be consulted. January 25 Mrs. Thompson wrote that a physician had been consulted. He diagnosed the case as being chronic constipation and dyspepsia. His treatment was followed faithfully, but there was no perceptible improvement in Mr. Thompson's health. Then he began taking Mull's Grape Tonic and on Sept. 2, 1905, we received the following letter from Mrs. Thompson:

"You will remember that I wrote to you last January in regard to my husband's health. It is four months since he quit taking Mull's Grape Tonic for constipation, which he suffered from since birth. He took just 24 bottles of it and is perfectly cured. He is much stronger and has gained considerably in weight. I cannot thank you enough for Mull's Grape Tonic. 'It is worth its weight in gold.' Just \$12 cured him and he has spent hundreds of dollars with doctors who did him no good. Now I want to state my case to you and expect your early reply. I also have constipation, have had for three years. Kindly let me know as I am sure it will cure me if you say it will, as it did all you claimed it would in my husband's case. I await an early reply."
Very respectfully yours, MRS. W. H. THOMPSON, 801 Main St., Peoria, Ill.

BORING.

Business is rushing in Boring, with the contractor to make out the checks and T. M. Allison to cash them.

There was a dance at the hall Saturday night. Every body reporting a good time: Well ginned up, of course. A man was seen coming out of the saloon Sunday morning on horseback. Suppose he had stabled him in there over night.

Miss Et. Clare was seen in our burg Sunday.

Mr. J. Daniels was visiting friends in town last week.

J. Singleton was also seen loafing around town last week.

The O. W. P. & Ry. Company is building a new addition to their freight house here.

O. W. Boring, wife and family at-

tended church last Sunday.

Our school, Oregon, is progressing nicely under the management of Mrs. Lake and Mrs. Calvin as teachers. Mrs. Lake being principal.

The Directors have purchased a new bell and made some other improvements on the back grounds; that help the sound and appearance of things a great deal.

The roads in this vicinity are in a very bad condition as there has been no work done on them for two years.

Boring is going to have rural delivery soon. This will beat jumping from board to board to get to the post office. The next thing we want is for some enterprising man or woman to put up a new, first-class drug store.

They would do a good business, and would undoubtedly save man a flying trip to Gresham.

Mr. Convy and family are visiting friends and relatives here this winter.

PARKPLACE.

Mrs. W. Holmes and Mrs. G. Hamilton spent Tuesday in Portland.

Thirty-six of the Parkplace people attended the oyster supper in Clackamas last Friday evening. Mr. Holmes took his carry all and took a big load.

The Y. M. C. A. Glee Club from Portland, assisted by Miss Eddings, will give a concert in the Assembly Hall Friday evening, February 2. An excellent programme is promised and a full house is desired.

Mrs. P. Freytag and daughter from Portland visited at Captain Smith's last Thursday and Friday.

Miss Wilson and Miss Myrtle Holmes went to Clackamas last Friday afternoon to visit Rev. and Mrs. Myer. They attended the oyster supper in the evening.

The Sunday services are largely attended. They have reached the one hundred mark.

Miss Agatha Cutter caught the epidemic going the rounds, and was unable to attend school Tuesday on account of such a severe cold.

FRAUD EXPOSED.

A few counterfeiters have lately been making and trying to sell imitations of Dr. King's New Discovery for Consumption, Coughs and Colds, and other medicines, thereby defrauding the public. This is to warn you to beware of such people, who seek to profit, through stealing the reputation of remedies which have been successfully curing disease, for over 35 years. A sure protection, to you, is our name on the wrapper. Look for it, on all Dr. King's, or Bucklen's remedies, as all others are mere imitations. H. E. BUCKLEN & CO., Chicago, Ill., and Windsor, Canada. For sale at Howell & Jones drug store.

STAFFORD.

Tuesday was a beautiful day and Stafford as usual straightway forgot it ever rained.

Some roses are full of buds but the fruit trees do not seem to respond to the warm springy weather as yet. The weather prophets say, just wait till Friday (Candlemas Day) when the wise old bear comes out of his den to look for his shadow, and if he catches a glimpse of it retires to his den to sleep another six weeks of winter.

We will wait, of course, but in the mean time we will enjoy the bright days, and hope with the old farmer, that it will rain nights and Sundays so the hired men can rest. A hasty young fellow with a paper saying he was deaf and dumb has been traveling the road begging. Most of those who he approached gave him from ten to twenty five cents and put down their names with the amount making it very easy for him to pass the day to the next one so that the whole hobo tribe would know who was charitable included.

Mr. Powell was taken very sick again last Thursday. Dr. Mount was called, decided it might be a case of

grippe and might prove to be scarletina, and advised that no callers be admitted.

The hound man does not seem to relish the questions of his neighbors about the \$25 he and the Oregon City lawyers (whose initials by the way are G. E. Hayes) scared out of the German and his wife. Well the quickest way to stop the questions is to pay them back the \$25.

Right wrongs no man. There was a hot time on the telephone Saturday evening between one of the subscribers and the President of the line which was finally settled by a promise to have the rights of the case printed in the Enterprise this week.

Young Sager and Vekel have been pulling stumps on the new road to Oregon City with their machine.

Charley Gage returned to his home in Linnton. His elbow is stiff yet, and he is still weak, but the Doctor told him gentle exercise would give him strength now.

Mr. Chitwood of Damascus spent the night at Mr. Gage's on his way to install the officers at Tualatin Grange last Saturday.

BARLOW.

The Barlow Grange last Saturday night, installed their officers for the ensuing year. The Grange is in a very thrifty condition. Everybody took an active part.

George Randall was a visiting member and gave the grangers a good stirring address. The people are glad to know Mr. Randall is a candidate for Representative on the Republican ticket. We believe he will pull a big vote at the primary.

GEORGE.

Still raining? Yes. The mayor and one of the councilmen of Estacada were guests of Mr. A. H. Miller last week.

Miss Martha Paulson is home again. Miss Paulson has been attending school in Portland.

Miss Mae Strange and Mr. H. W. Smith were guests of the latter's sister Sunday.

A very enjoyable surprise party was tendered Mr. Peter Held last Saturday in honor of his birthday. Mr. Held is eighty years old and just as lively as any body out here.

Mr. Walter Paulson has been very sick but we are glad to say he is getting better.

Mr. and Mrs. Peter Rath were guests of Mr. and Mrs. A. H. Miller Sunday.

A debate was held in the school house last Friday. The subject was: "Resolved that Country Life is better than City Life." The affirmative won that side being led by Will Linn. But the negative followed close with Beth Scheel as its leader.

Painting gates seems to be the fashion out here just at present.

Deserves Your Patronage.

The growth of a community and the success of its local institutions depends entirely on the loyalty of its people. It is well enough to preach "patronize home industry" but except the service given as a home institution equals that of out-of-town enterprises, this argument carries no weight and is entirely disregarded, as it should be. But with Oregon City people it is different. A few months ago E. L. Johnson established the Cascade Laundry. It is equipped with the latest improved machinery and is daily turning out work that is equal to any and superior to much of the laundry work that is being done in Portland. Being a home institution and furnishing employment for many Oregon City people it is enjoying an immense patronage. The high standard of the work being done commends it to the general public. Laundry left at the O. K. barber shop will be promptly called for and delivered to any part of the city. Telephone 1264. E. L. Johnson, proprietor.

LOGAN.

News scarce. Henry Reed was a Logan visitor this week.

Mr. Ralph Tracey wears a broad smile now; it is a son they say.

Mr. Nelson, candidate for State Senator, was touring this burg recently looking up politics. He says he will make it lively for his opponent.

Miss Emma Fallert is home from Portland and expects to remain until Spring.

The entertainment and dance given by the Degree team of Harding Grange was very successful affair. Everything passed off pleasantly. About thirty dollars was realized by the promoters of the affair.

"They" say wedding bells will ring soon for one Loganite. Guess it must be true for what "everybody" says generally is.

Next Saturday is regular monthly meeting of Harding Grange; wake up, ye tardy members, and come hither; be on hand at 10 a. m.

This place is too quiet for news; no fights, divorces or anything exciting going on. Everybody busy is the most we can say.

NEEDY.

(Marks Prairie and Vicinity.)

Considerable sickness in this vicinity.

Our sports report a fine time at Needy Saturday evening.

The Banfield orchestra is practicing two evenings a week and will soon be able to furnish first-class music.

Master Fred Kerr was visiting relatives at Woodburn the past week.

Some of our people are thinking of making garden; better wait awhile yet.

Mr. Jacob Ritter has been registering voters at the Samson school house and a Needy; Fully 80 percent were Republicans.

Mr. George Oglesby is so as to be about a little after his sickness.

Mrs. Samuel Mack is residing at Dallas, Polk county, where she recently purchased some city property.

There seems to be a good demand for Garnet Chili potatoes for seed and but very few are to be had here.

Hay is plentiful and cheap so farmers do not let your stock get poor.

Mr. Dave Zimmerman has been on the sick list for a few days.

The Messrs. Oglesby will put out a fine orchard in the near future.

Dogs have been killing some sheep for Mr. Ben Wolfe. There are several worthless dogs in this vicinity and the owners of said dogs are liable to have to pay for some sheep. "Cum tux."

The Republicans here will stand solid for Porter and Dimick and don't you forget it.

Friends of Mr. Mattoon here are working for him for County Commissioner.

The Mayor of Paradise City has read the Paradise dog man out of the city limits as he has six dogs.

Mrs. Julia Wilgand is staying with her sister, Mrs. Eph James, at Liberal.

Mr. Coleman Mack is grubbing up his old orchard. That is right Coleman; kill a few bugs.

Mr. Jim Mishler has rented the Captain Miley place.

Mr. Theodore Campau is improving his ranch. Get that gate put up Theodore.

Miss Hattie Fisher is teaching the Meridan school. She is a first-class teacher.

Several of the young people of Needy spent a pleasant evening at Mr. Oglesby's one evening last week. Dancing was the order until the wee sma hours. All went home promising to come again. You are always welcome and the latch string always hangs out.

Our Supervisor will soon repair the wagon bridge.

Mr. Court Armstrong and wife were visiting relatives near Paradise City Sunday.

Be ore having the old-time gold fillings put in your teeth come and see the newer and better porcelain inlays. This work, while comparatively new, has been in general use about six years, and by every test is found to be far superior to any other filling known. It preserves the teeth, preventing decay around the margin as sometimes happens in metallic fillings; are more durable and look very much better.

This work is not generally used in on account of the skill and time required to do as it should be done. We have been doing porcelain inlay work for over two years, besides taking a special course in this work while in Chicago under the best porcelain workers in the United States.

Do not confound this work with cement or artificial enamel, which is used by many.

Porcelain fillings have come to stay, and is acknowledged to be so superior that in the East many people are having their gold fillings replaced by them.

All our work guaranteed.
