

**...Short Sidehead Stories...**

TERSELY-TOLD TALES OF THE WEEK'S DOINGS.

**Another Divorce—**  
Judge McBride has granted Oscar Long a divorce from Margaret Long. The defendant is given the custody of one minor child and will receive \$10 a month alimony.

**Divorce Granted—**  
Judge McBride has granted E. H. Thompson a divorce from Emma Thompson. The defendant is allowed the custody of the minor child and \$15 a month alimony.

**Sustained Serious Injury—**  
While engaged at gymnastic feats at the woolen mills Thursday during the noon hour, a 17-year old lad named Seaver, residing at Gladstone, fell a distance of 12 feet striking on his head. The injured lad was taken in an unconscious condition to his home. It is feared he sustained serious injuries.

**Have Purchased Property—**  
Isaac Gratton and W. E. Applegate, proprietors of the Milwaukie Country Club have purchased a part of the lot on the Whitcomb D. L. C. at Milwaukie. This is the ground on which the Milwaukie Country Club house stands. The consideration named in the deed, which was filed in the office of the County Recorder, was \$8000.

**Green Point Fire—**  
The volunteer fire companies of this city were called to Green Point Sunday afternoon to the home of Mrs. Gibbons, which caught afire. The fire started in the kitchen and was due to a defective flue. The house was practically demolished before the fire companies arrived, as the residence is situated in the lower part of town and some distance from the fire houses. The estimated loss is about \$600.

**Death of Mrs. Chapman—**  
Alice, wife of E. C. Chapman, a business man at Clackamas, died Saturday after an illness of several weeks. Mrs. Chapman was aged 32 years and was a sister to ex-County Judge G. E. Hayes, of this city. Possessed of a most loveable disposition, Mrs. Chapman had endeared herself to a wide circle of friends at Clackamas. Always cheerful, her presence was as the sunshine. She was always doing for others and her many charitable acts and kindly services will not be forgotten. The funeral services were held Tuesday. There was a large attendance of sorrowing friends who gathered to pay the last tribute of respect to a most highly esteemed friend and neighbor. The deceased was the daughter of H. E. Hayes, a well-known pioneer of Oregon. Judge Hayes, of this city is an only brother while Mrs. Permelia Milen, of Mt. Tabor and Mrs. Fannie Shipley, of Portland, are sisters.

**Fire Company Elects Officers—**  
Hose company No. 3 of this city held its annual meeting and election last Saturday night. Jack Canfield was reelected secretary. E. A. Chapman was elected president; W. E. Lewthwaite, treasurer; John Flinckane, foreman; H. Saunders, assistant foreman; W. Bluhm, second assistant foreman. The company nominated Clarence Bruner for fire commissioner at the election to be held in March. This company will not have a candidate for chief of the fire department this year.

**Improvements About Completed—**  
The Southern Pacific company, which for the last eight months has been making improvements on Railroad Avenue, practically finishes its work this week, and the work will then be turned over to the city. The old water tank has been torn down and a new one, which cost the company \$4000, has been put in its place. Standpipes will be placed in the middle of the two tracks and will be supplied by the new tank. About 450 feet of side track extension has been completed, which will give the trains more room to switch. The improvements made have cost the company about \$25,000.

**Another Pioneer Gone—**  
John Rowan, aged 66 years, died suddenly of heart failure at his residence at Logan last Thursday afternoon. The deceased was a native of Tennessee where he was born January 25, 1840. In 1869 he crossed the plains to Oregon, driving an ox team. His wife died in 1893 and he is survived by six children as follows: S. B. Rowan and W. H. Rowan, of Portland; H. J. Rowan, of Little Rock, Washington; Mrs. Eliza Traxle, Mrs. Frank Wilson and Mark Rowan, of Logan. Burial services were held at the late home Saturday afternoon, interment following at the Arthur Prairie cemetery.

**Working for County High School—**  
The committee appointed by the Alumni association of the Barclay High School recently held a meeting and discussed the prospects and plans by which a county high school might be established. The committee has been circulating four petitions to the voters throughout the county and more names than the required number have already been secured. The committee intends to make a thorough canvass and then present the petitions to the county court, who will then submit the question to the qualified electors next June. This question is being agitated and resolutions favoring such an institution have been adopted by the different associations throughout the county.

**INDIGESTION'S RECORD**

"The best remedy I can prescribe for your indigestion, madam, is Green's August Flower. I know of several other physicians who prescribe it regularly."

Indigestion is making an awful record as a cause of sudden deaths. It is beating heart-failure in its ghastly harvest. You read in the papers daily of apparently healthy and even robust men being suddenly attacked with acute indigestion after enjoying a hearty meal, and of their dying in many cases before a physician could be called in.

This should be a warning to you who suffer with regular or periodical attacks of indigestion. If these unfortunate victims of acute indigestion had taken a small dose of Green's August Flower before or after their meals they would not have fallen a prey to such sudden seizures. August Flower prevents indigestion by creating good digestion. It also regulates the liver, purifies the blood and tones up the entire system in a natural way.

Two sizes, 25c and 75c. All druggists.

**Charman & Co., City Drug Store**

**New Mill Started Up—**  
The Willamette Pulp & Paper company Monday morning turned the power on the machinery and began making paper in its new mill, which is located on the west side of the river. The new machine, which is considered the largest and most modern of its kind west of Chicago, will turn out somewhere in the neighborhood of 10,000 pounds of paper a day more than machine No. 4, which runs about 70,000 pounds a day. The machine will employ about 100 men on the night and day shift, who will be under Machine Tenders Warner and Lightowler. This will not add to the payroll, as the men laid off on the construction work will practically make up for the new that have been hired.

**Now is the Time—**  
For pruning your fruit trees and spraying this is the proper time. In fact, right now is the time it should be done. Some of our orchardists are already at the work of pruning and spraying as well. Get the old, decayed, moss-covered wood out of your orchard. It never did any good to allow it to remain on a tree and never will. It is a hotbed for all sorts of pests and breeds disease to the whole tree, or the entire orchard for that matter. If you desire to spray for San Jose

scale, now is the time such work will be most effective. To spray next summer will no little or no good so far as San Jose scale on this year's fruit is concerned. It may exterminate codlin moths and the like, but if you are after San Jose scale, get busy at once. There is no time like the present—Corvallis Gazette.

**Election of Fire Chief—**  
In the annual election of the officers of the Oregon City Volunteer fire department which will be held in March, the probable nominees for chief will be E. L. McFarland, of the Catacauts and Chris Hartman of the Fountain's. At a meeting last Friday night the members of Columbia Hook and Ladder Company nominated Chas. Burns Jr., as a candidate for assistant chief, and Fred R. Humphry for fire commissioner.

**Will Spend Much Money—**  
It is the intention of the Portland General Electric Company of this city, to commence work on its 40,000 horsepower plant on the east side of the river in this city. Within two years the company will be prepared to furnish 12,000 horsepower. More than 200 men will be employed in the construction work that is contemplated. A plant of similar capacity will also be constructed at Portland.

**A Family in Need—**  
Dee Wright, of Liberal, who was in the city the first of the week, reports having found another destitute Polish family at the head of Eagle Creek, about three miles from Elwood. The family is that of Michael Granatzki. The husband only recently returned from the hospital at Portland. The wife has not had a pair of shoes to wear this winter, reports Mr. Wright, who says that while assisting in the grubbing of the property surrounding their little home, the wife will warm the sides of small boards at the fire and manage to absorb the warmth by standing on one of these boards with her bare feet while she works with a mattock. The family is an industrious one, having in two years cleared about seven acres. Any shoes or clothing intended for these people will be delivered to this deserving family by Mr. Wright if the same is left in care of Peter Nehren at the Clackamas county court house.

**BROUGHT TO LIGHT.**

Oregon City People Receiving the Full Benefit.

There have been many cases like the following in Oregon City. These plain, straightforward statements will do much towards relieving the suffering of thousands. Such testimony will be read with interest by many people.

H. A. Deck, a mining engineer, of 383 Jefferson St., Portland, Ore., says: "Judging from my own experience, Doan's Kidney Pills is a very reliable remedy and fulfills every claim made for it. Sometime this winter I had a good deal of trouble with a lame and aching back. After being in a stooping position for any length of time it was difficult for me to straighten. When I was having a particularly severe attack I saw Doan's Kidney Pills advertised and procured a box. I had taken them scarcely a week when I felt relieved and before I had finished the box I was cured."

Plenty more proof like this from Oregon City people. Call at Huntley Bros. drug store and ask what their customers report. For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States. Remember the name—Doan's—and take no other.

**ASKS NOMINATION FOR CORONER**

Brief Sketch of Frank Newton Whose Record Commends Him.

Few of the candidates for nomination to the different offices on the Republican ticket have a better record than that of Frank Newton, of this city, who asks for the nomination of Coroner.

Although born at Hastings, Minnesota, Mr. Newton has resided in Clackamas county since he was one year of age, having removed to this county at that age with his parents who settled on a farm at Springwater. Mr. Newton was raised on the farm and acquired his education in the public schools, removing to Oregon City in 1884. In March, 1893, Mr. Newton joined the First U. S. Infantry in which he served three years. Immediately following his discharge he enlisted in the 9th U. S. Infantry and in a further three years' service did duty in Cuba, the Philippine Islands and China. On June 10, 1899, he was recommended for a certificate of merit for bravery and this document, bearing the signature of President Roosevelt, reached him later. During his enlistment with this branch of the service Mr. Newton was promoted from the ranks of private to that of First-sergeant. Being honorably dis-

Candidate for Republican Nomination for Coroner.

charged from the 9th Infantry in 1899 he enlisted in the hospital corps and saw another three years' service, during which time he was promoted to the rank of acting hospital steward by reason of his proficiency in the work of the medical department. With three excellent discharges in his possession, Mr. Newton returned to his home at Oregon City in 1902. In a letter recommending Mr. Newton for a certificate of merit for bravery, written at Angeles, P. L., in September 1899, John A. Baldwin, Major of the 22d U. S. Infantry, speaks of Mr. Newton in the following terms: "Upon request I have the honor to state, that I have known First Sergeant Frank Newton, Company K, 9th U. S. Infantry since November, 1898. During that time he passed from the grade of private to First Sergeant by reason of his manifested abilities and soldierly qualities. I was captain of his company. He is a man of sober and excellent habits and his associates, so far as I could observe, were always among the best element. His department has always been excellent. He is a man of more than ordinary force of character. He is a man of superior and undaunted courage. His excellent presence of mind and exercises command with ease and efficiency." Since returning to Oregon City Mr. Newton has engaged in the undertaking business for which he made proper preparation, making a study of the business in Portland. He is one of the clean, representative young men of the county and respectfully solicits the suffrages of the voters of Clackamas county. If nominated and elected to this office, Mr. Newton pledges the people that the affairs of the office will be properly and economically administered and that the needless holding of expensive inquests will be avoided.

**Tumors Conquered Without Operations**

Unqualified Success of Lydia E. Pinkham's Vegetable Compound in Cases of Mrs. Fox and Miss Adams.

One of the greatest triumphs of Lydia E. Pinkham's Vegetable Compound is the conquering of woman's dread enemy, Tumor. So-called "wandering pains" may come from its early stages, or the presence of danger may be made manifest by excessive monthly periods accompanied by unusual pain extending from the abdomen through the groin and thighs. If you have mysterious pains, if there are indications of inflammation, ulceration or displacement, don't wait for time to confirm your fears and go through the horrors of a hospital operation; secure Lydia E. Pinkham's Vegetable Compound at once and begin its use and write Mrs. Pinkham of Lynn, Mass., for advice. Read these strong letters from grateful women who have been cured: Dear Mrs. Pinkham— (First Letter.) "In looking over your book I see that your medicine cures Tumors. I have been to a doctor and he tells me I have a tumor. I will be more than grateful if you can help me, as I do so dread an operation."—Fannie D. Fox, Bradford, Pa. Dear Mrs. Pinkham— (Second Letter.) "I take the liberty to congratulate you on the success I have had with your wonderful medicine. "Eighteen months ago my periods stopped. Shortly after I felt so badly I submitted to a thorough examination by a physician, and was told that I had a tumor and would have to undergo an operation. "I soon after read one of your advertisements and decided to give Lydia E. Pinkham's Vegetable Compound a trial. After taking five bottles as directed, the tumor is entirely gone. I have again been examined by the physician and he says I have no signs of a tumor now. It has also brought my periods around once more; and I am entirely well. I shall never be without a bottle of Lydia E. Pinkham's Vegetable Compound in the house."—Fannie D. Fox, Bradford, Pa. Another Case of Tumor Cured by Lydia E. Pinkham's Vegetable Compound. Dear Mrs. Pinkham— "About three years ago I had intense pain in my stomach, with cramps and raging headaches. The doctor prescribed for me, but finding that I did not get any better he examined me and, to my surprise, declared I had a tumor. "I felt sure that it meant my death warrant, and was very disheartened. I spent hundreds of dollars in doctoring, but the tumor kept growing, till the doctor said that nothing but an operation would save me. Fortunately I corresponded with my aunt in one of the New England States, who advised me to try Lydia E. Pinkham's Vegetable Compound before submitting to an operation, and I at once started taking a regular treatment, finding to my great relief that my general health began to improve, and after three months I noticed that the tumor had reduced in size. I kept on taking the Compound, and in ten months it had entirely disappeared without an operation, and using no medicine but Lydia E. Pinkham's Vegetable Compound, and words fail to express how grateful I am for the good it has done me."—Miss Luella Adams, Colonial Hotel, Seattle, Wash. Such unquestionable testimony proves the value of Lydia E. Pinkham's Vegetable Compound, and should give confidence and hope to every sick woman. Mrs. Pinkham invites all ailing women to write to her at Lynn, Mass., for advice.

Lydia E. Pinkham's Vegetable Compound; a Woman's Remedy for Women's Ills.

There are some places twelve inches from the ground, but you do not need to drive off nor on in such places. If the correspondent is afraid to drive over it he can put up banistering over such places. In fact, the road is not finished. It needs leveling with the grader and scraped to the ends of the plank. But there was a piece of plank laid in the so-called streets of Boring that you do not need to drive off, say nothing about getting on, which was lain by the supervisor just discharged, in district five, who, no doubt, is missing the fifty dollars per month. But we are not missing any work. We hope the new one, whoever he may be, will use the shovel more.

**GRADUATION EXERCISES AT MONMOUTH.**

The graduation exercises of the February, 1906 class of the Monmouth State Normal School will be held at the Assembly Hall beginning today and concluding Monday. The calendar for the week follows:

- Friday, February 9, 8:15 p. m. Drama—"Heroic Dutchman of '76"
- Saturday, February 10, 8 to 11 p. m. Junior Reception
- Sunday, February 11, 10:30 a. m. Sermon to Graduates.
- Rev. N. Shupp, Portland, Preacher.
- Monday, February 12—
- 9:00 a. m. Closing Semester Assembly
- 2:30 p. m. Class Day.
- 4:00 p. m. Faculty Reception.
- 8:00 p. m. Commencement Program.
- Class address, Mr. A. F. Campbell.
- The class roll follows:
- Frank Earnest Butler, Salem R. F. D.; Rebecca Clifton, Gridley, Ill.; Onie I. David, Springbrook; Emma Viola Klenow, Portland; Mabel Matesson, Gaston; Phoebe Cornwall-McCaleb, Moro; Marana Allard-Metcalf; Pullman, Wash.; Lilli Schmidli, Oregon City; Harry Moran Stine, Monmouth.

**HORSEMEN HOLD MEETING.**

The annual meeting of the Percheron Horse Association, of Springwater, was held Saturday afternoon at the stables of Wilson & Zumwalt. Temporary organization of this association was effected last Fall and 12 men joined together and purchased the famous stallion Xenophon. Officers elected Saturday afternoon were: Jas. Pullman, of Viola, president; W. J. Wilson, of Oregon City, secretary and treasurer; J. W. Dowdy, of Currinsville; S. J. Kiggins, of Springwater, and J. F. Cromer, of Springwater, directors. Besides the officers of the association, the members are: W. A. Shaver, of Molalla; W. E. Shannon, of Springwater; J. C. Duus, of Estacada; Sim Helpe, of Estacada.
