

MOUNTAIN VIEW.

Rev. Bollinger will preach at the church in this place next Sunday afternoon at half past 3 o'clock. Let there be a large attendance.

Several are on the sick list. Mrs. Moran has been very poorly the past week. Mrs. St. Clair and Mrs. Smalley are sick.

Mr. Reasoner has moved his family to Willamette Falls.

Rumor is that Mr. Seely of the People's Grocery will move his store from 7th street to the one here and combine the two.

Will Hall met with an accident the other day while driving some cattle. His horse stepped in a hole throwing him off and fracturing a bone in his arm.

The entertainment last week at May's Hall was a decided success and a large crowd was present; good order maintained and an enjoyable evening passed by those present.

Mrs. Matchett and Mrs. Pettitt went to Portland last Saturday.

The little child of Mr. and Mrs. Cover who was pronounced incurable is on the road to recovery.

James Curran is moving his family into the Howard property and has given up farming.

John Lewellen went to his farm at Springwater last Saturday. We also know from the fact, he is to be our next County Commissioner; the right man for the right place.

The boys who think they will have a charivari party soon will have to wait awhile. The woman in the case has not got her divorce yet.

The ladies of this place are making an effort to get chairs for the little church instead of those hay racks that are at present used for seats.

We are a progressive people on the hill and hope by making our church attractive to bring in more of the people, especially our boys to church and Sunday school. We have bright intelligent boys here from 12 to 18 years of age that we wish to see become model citizens.

Several people here have made garden. Grandpa Warner is foremost in the work and Sam Francis next.

Mrs. Geo. Gibbs, on Molalla avenue south, has been seriously ill with the Grippe. Dr. Norris was the attending physician.

Rather a peculiar runaway occurred on the street here one day lately. A team started from the water trough near Everhart's store and ran south at a rapid gait. As it crossed the street crossing in front of Seely's store the spring seat fell on which a man and an elderly woman were sitting, the woman fell backward into the wagon and the man pitched forward, but neither fell out of the wagon. After the team was stopped both gathered themselves up, righted the seat and trotted on as if nothing had happened.

The new arc light in front of the church is very satisfactory at least to those living near.

Mr. Scholtz says his hens lay just as well at night as in day time, they don't know the difference. Mr. Grubbs says his wife can tend garden this summer while he is asleep as he is too tired to work after being in the mills all day. Mr. West grumbles a little about the light not shining in the cow stable while he milks the cow, and thinks some of moving the cow barn to the front yard.

We don't want to talk about the weather for it is so near perfect. Mrs. Matchett drew the pretty pillow raffled off by Meade Corps last week.

You know all we know for this time. More anon.

In cases of impaired appetite and digestion—mal-nutrition and wasting away, a safe and reliable tonic is needed, and it is the only thing that can be relied upon.

Dr. Pierce's covered, forty years ago, that Nature had provided freely for these needs of her children and that in her laboratory were the remedies. Glyceric extracts of Golden Seal root, Queen's root, Stone root, Black Cherry bark, Bloodroot and Mandrake root, all prepared and blended and preserved without alcohol, in Dr. Pierce's Golden Medical Discovery, constitute the most effective and certain tonic, alterative and tissue building remedy ever offered to the public.

A prominent merchant, Mr. J. Alfred Arcand, of 69 Saint Lawrence Street, Montreal, Canada, writes: "I have used Doctor Pierce's Golden Medical Discovery of and on for nine years. When I have it in the house I need no doctor or other medicine. No matter what ailment I have with rheumatism, my Golden Medical Discovery eliminated the trouble and the system. Since then I have used it in every ailment I have in the house. There is no other medicine I think so much of, nor none I think it equal. Every one to whom I recommend it is pleased with the results, and all thank me for advising its use. It is a splendid remedy for rheumatism, colds in a few days, and is the only sure cure I know of for La Grippe."

Thousands Have Kidney Trouble and Never Suspect it.

How to Find Out. Fill a bottle of common glass with your water and let it stand twenty-four hours; a sediment or settling indicates an unhealthy condition of the kidneys; if it stains your linen it is evidence of kidney trouble; too frequent desire to pass it or pain in the back is also convincing proof that the kidneys and bladder are out of order.

What to Do. There is comfort in the knowledge so often expressed, that Dr. Kilmer's Swamp-Root, the great kidney remedy, fulfills every wish in curing rheumatism, pain in the back, kidneys, liver, bladder and every part of the urinary passage. It corrects inability to hold water and scalding pain in passing it, or had effects following use of liquor, wine or beer, and overcomes that unpleasant necessity of being compelled to get often during the day, and to get up many times during the night. The mild and the extraordinary effect of Swamp-Root is soon realized. It stands the highest for its wonderful cures of the most distressing cases. If you need a medicine you should have the best. Sold by druggists in fifty-cent and one-dollar sizes.

You may have a sample bottle and a book that tells all about it, both sent free by mail. Address Dr. Kilmer & Co., Binghamton, N. Y. Write Home of Swamp-Root, writing mention this paper and don't make my mistake, but remember the name, Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y.
